1. Nature of Business and Significant Accounting Policies

Basis of Presentation

The accompanying unaudited consolidated financial statements for the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for interim financial information. As of June 30, 2026, there were no changes in the nature of our significant accounting policies or the application of those policies from those reported in our annual report for the year ended December 31, 2025. These unaudited consolidated financial statements and accompanying notes should be read in conjunction with the Company's audited consolidated financial statements and accompanying notes for the year ended December 31, 2025.

In preparing these interim financial statements, management has made judgments and estimates about the future, including climate-related risks and opportunities, that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates. The significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual financial statements.

Assumed Business

From time to time, the Company may participate in a "take-out program" through which the Company assumes insurance policies held by Citizens Property Insurance Corporation ("Citizens"), a Florida state-supported insurer. The take-out program is a legislatively mandated program designed to reduce the state's risk exposure by encouraging private companies to assume policies from Citizens. For the three and six months ended June 30, 2026, the Company was approved by the FLOIR to assume a total of 30,000 and 131,600 policies. The approval date noted is based on the actual take-out date and not the date the Company received approval to participate from the FLOIR. For the three and six months ended June 30, 2026, the Company assumed approximately 8,885 and 37,668 policies, representing \$27.1 million and \$119.4 million in annualized gross premiums.

For the three and six months ended June 30, 2025, the Company was approved by the FLOIR to assume a total of 90,100 and 266,150 policies, respectively. The approval date noted is based on the actual take-out date and not the date the Company received approval to participate from the FLOIR. For the three and six months ended June 30, 2025, the Company assumed approximately 14,200 and 26,400 policies, representing \$52.4 million and \$104.8 million in annualized gross premiums, respectively. For the year ended December 31, 2025, the Company was approved by the FLOIR to assume a total of 457,150 policies from Citizens. In 2025, approximately 191,850 policies were assumed from Citizens, representing approximately \$595.0 million in annualized gross written premiums related to these transactions.

Adoption of New Accounting Standard

In December 2023, the FASB issued ASU 2023-09 Income Taxes (Topic 740): Improvements to Income Tax Disclosures. This update enhances income tax disclosures by requiring public entities to report income tax expense disaggregated by federal, state and foreign taxes, with further detail on specific jurisdictions over a quantitative threshold. In addition, public entities must also separately disclose reconciling items equal to or greater than five percent of pretax income from operations by the applicable federal statutory rate. ASU 2023-09 is effective for all public entities for fiscal years beginning after December 15, 2024. ASU 2023-09 was adopted by the Company effective December 31, 2025, and applied the disclosure requirements retroactively. See Note 7 Income Taxes in the accompanying notes to the condensed consolidated financial statements for further details.

Consolidation Policy

The Financial Statements include the accounts of the Company, its wholly owned subsidiaries and Variable Interest Entities ("VIEs") in which the Company is determined to be the primary beneficiary. This analysis includes a review of the VIE's capital structure, related contractual relationships and terms, nature of the VIE's operations and purpose, nature of the VIE's interests issued, and the Company's involvement with the entity. When assessing the need to consolidate a VIE, the Company evaluates the design of the VIE as well as the related risks to which the entity was designed to expose the variable interest holders. The primary beneficiary is the entity that has both (i) the power to direct the activities of the VIE that most significantly affect the entity's economic performance and (ii) the obligation to absorb losses or the right to receive benefits that could be potentially significant to the VIE. While also considering these factors, the consolidation conclusion depends on the Company's decision making ability and its ability to influence activities that significantly affect the economic performance of the VIE.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Segment Information

The insurance segment derives revenues from direct and assumed premiums written and premiums are earned pro rata over the terms of the policies, or remaining term of the policy for policies assumed post their origination date. Revenue is earned from policies from homeowners, which are annual policies. The accounting policies of the insurance segment are the same as those described in the summary of significant accounting policies. The chief operating decision maker ("CODM") assesses performance for the insurance segment and decides how to allocate resources based on net income that also is reported on the income statement as consolidated net income and EBITDA. The measure of segment assets is reported on the balance sheet as total consolidated assets. The CODM uses net income and EBITDA to evaluate income generated from segment assets (return on assets) in deciding whether to reinvest profits into the insurance segment or into other parts of the entity, such as for acquisitions. The significant expenses reviewed by the CODM, which are used to assess performance of the company, are not disaggregated at a level lower than the captions disclosed within the Consolidated Statement of Operations. Net income is used to monitor budget versus actual results. The CODM also uses net income and EBITDA in competitive analysis by benchmarking to the Company's competitors. The competitive analysis along with the monitoring of budgeted versus actual results are used in assessing performance of the segment and in establishing management's compensation. The Company has one reportable segment: insurance. The insurance segment provides residential homeowners insurance. The Company derives all revenue in the United States of America and manages the business activities on a consolidated basis. The Company's CODM is the Chief Executive Officer.

Accounting Pronouncements Not Yet Adopted

In November 2024, the Financial Accounting Standards Board ("FASB") issued ASU 2024-03, *"Income Statement (Topic 220): Reporting Comprehensive Income - Expense Disaggregation Disclosures, Disaggregation of Income Statement Expenses,"* which requires additional information about certain expenses in the financial statements. The amendments in this ASU will be effective for annual periods beginning after December 15, 2026. Early adoption is permitted and is effective on either a prospective basis or retrospective basis. The Company is currently evaluating the ASU to determine its impact on the Company's disclosures.

In September 2025, the FASB issued Accounting Standards Update ("ASU") 2025-06, *Intangibles – Goodwill and Other – Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software*. The update modifies the accounting for internal-use software development costs by eliminating the stage-based model and establishing new capitalization criteria that apply once a project is authorized, funded, and it is probable the software will be completed and used as intended. The new guidance also introduces the concept of significant development uncertainty to help entities determine the appropriate timing of capitalization and integrates prior website development guidance into Accounting Standards Codification ("ASC") 350-40. The update is effective for annual periods beginning after December 15, 2026, with early adoption permitted. The Company is currently assessing the impact of adopting this guidance and does not expect the adoption to have a material effect on its financial position or results of operations.

In December 2025, the FASB issued ASU 2025-11, *"Interim Reporting (Topic 270): Narrow-Scope Improvements"*, which clarifies the guidance in Topic 270 to improve the consistency of interim financial reporting. The ASU provides a comprehensive list of required interim disclosures and introduces a disclosure principle requiring entities to disclose events since the end of the last annual reporting period that have a material impact on the entity. ASU 2025-11 is effective for fiscal years beginning after December 15, 2027, including interim periods within those fiscal years, with early adoption permitted. The Company is currently evaluating the impact of adopting ASU 2025-11.

The Company does not believe any of these accounting pronouncements have or will have a material impact on its condensed consolidated financial statements.

4. Fair Value of Financial Assets and Liabilities

Valuation Hierarchy

The FASB established a valuation hierarchy for disclosure of the inputs used to measure estimated fair value. This hierarchy categorizes the inputs into three broad levels as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument.
- Level 3 inputs are unobservable inputs that are supported by little or no market activity and are significant to the determination of estimated fair value of the assets or liabilities. Unobservable inputs reflect the entity's assumptions about the assumptions that market participants would use in pricing the asset or liability.

The following table presents by level the financial assets carried at estimated fair value measured on a recurring basis as of June 30, 2026 and December 31, 2025. The table does not include assets which are measured at historical cost or any basis other than estimated fair value.

June 30, 2026					
	Carrying Value or Amortized Cost	Level 1	Level 2	Level 3	Estimated Fair Value
Assets:					
Cash and cash equivalents	\$ 1,236,915	\$ 1,236,915	\$ —	\$ —	\$ 1,236,915
Restricted cash and cash equivalents	793	793	—	—	793

Fixed-maturity securities	834,274	472,805	359,276	—	832,081
	\$ 2,655,428	\$ 2,293,959	\$ 359,276	\$ —	\$ 2,653,235
Liabilities:					
Interest rate swap	\$ —	\$ —	\$ —	\$ —	\$ —
December 31, 2025					
	Carrying Value or Amortized Cost	Level 1	Level 2	Level 3	Estimated Fair Value
Assets:					
Cash and cash equivalents	\$ 1,201,210	\$ 1,201,210	\$ —	\$ —	\$ 1,201,210
Restricted cash and cash equivalents	786	786	—	—	786
Restricted cash and cash equivalents - variable interest entity	480,972	480,972	—	—	480,972
Fixed-maturity securities	580,122	317,620	272,100	—	589,720
	\$ 2,263,090	\$ 2,000,588	\$ 272,100	\$ —	\$ 2,272,688
Liabilities:					
Interest rate swap	\$ 62	\$ —	\$ —	\$ 62	\$ 62

A financial instrument's classification within the valuation hierarchy is based upon the lowest level of input that is significant to the estimated fair value measurement; consequently, if there are multiple significant valuation inputs that are categorized in different levels of the hierarchy, the instrument's hierarchy level is the lowest level within which any significant input falls.

Slide Insurance Holdings, Inc.
Notes to Unaudited Condensed Consolidated Financial Statements
(Dollar amounts in thousands, except share and per share amounts, unless otherwise stated)

The Level 1 category includes cash and cash equivalents, restricted cash and cash equivalents, money market securities, certificates of deposit, U.S. treasury bonds, and corporate bonds.

The Level 2 category generally includes municipal bonds, agency bonds, and asset-backed securities. The estimated fair value of fixed-maturity investments included in the Level 2 category was based on the market values obtained from pricing services.

When observable inputs are not available, the market standard valuation methodologies for determining the estimated fair value of certain types of securities that trade infrequently, and therefore have little or no price transparency, rely on inputs that are significant to the estimated fair value that are not observable in the market, or which cannot be derived principally from or corroborated by observable market data. These unobservable inputs can be based in large part on management's judgment or estimation and cannot be supported by reference or market activity. Generally, these investments are classified as Level 3.

Other Financial Instruments

The Company uses various financial instruments in the normal course of its business. In the measurement of the estimated fair value of certain financial instruments, other valuation techniques were utilized if quoted market prices were not available. These derived fair value estimates are significantly affected by the assumptions used. Additionally, excluded from the scope of financial instruments are certain financial instruments, including those related to insurance contracts, pension and other postretirement benefits, and equity method investments.

In estimating the fair value of the financial instruments presented, the Company used the following methods and assumptions:

Cash and Cash equivalents

The carrying amount is a reasonable estimate of fair value, due to the short-term maturity of these investments. These assets are considered to be Level 1 assets.

Restricted cash and cash equivalents

Restricted cash and cash equivalents represents cash held by state authorities and the carrying value approximates fair value. Restricted cash and cash equivalents also includes cash held in trust by the VIE where the Company is the primary beneficiary and the carrying value approximates fair value. These assets are considered to be Level 1 assets.

Fixed-Maturity Securities

Fixed-Maturity securities represent investments held at fair value in U.S. government and agencies, municipalities and political subdivisions, corporate bonds, states, and asset-backed securities. U.S. government and agencies bonds and corporate bonds are considered to be Level 1 assets due to readily available pricing. Municipalities and political subdivisions, corporate bonds, states, and asset-backed securities are considered to be Level 2 assets due to valuations based on observable inputs.

Long-Term Debt

The following table summarizes components of the Company's long-term debt and methods used in estimating their fair values:

	Maturity Date	Valuation Methodology
Promissory Notes, 0.00%	2027	Discounted cash flow method, Level 3 inputs
Commercial Loan, variable rate of interest	2029	Discounted cash flow method, Level 3 inputs

5. Deferred Policy Acquisition Costs

Deferred policy acquisition costs consist of amounts paid for commissions and premium taxes that relate directly to and vary directly with the production of new and renewal business.

The policy acquisition costs that the Company has capitalized and is amortizing over the effective periods of the related policies are as follows for the three and six months ended June 30, 2026 and 2025:

	Three Months Ended June 30,		Six Months Ended June 30,	
	June 30, 2026	June 30, 2025	June 30, 2026	June 30, 2025
Beginning balance	\$ 88,291	\$ 60,750	\$ 93,728	\$ 65,046
Policy acquisition costs deferred	54,676	42,804	93,364	67,080
Less: Amortization	(42,280)	(32,096)	(86,405)	(60,668)
Ending balance	<u>\$ 100,687</u>	<u>\$ 71,458</u>	<u>\$ 100,687</u>	<u>\$ 71,458</u>

6. Loss and Loss Adjustment Expenses

The Company establishes reserves for the estimated total unpaid costs of Loss and loss adjustment expenses (“LAE”). Loss and LAE reserves reflect management’s best estimate of the total cost of (i) claims that have been incurred, but not yet paid in full, and (ii) claims that have been incurred but not yet reported to the Company (“IBNR”). Reserves established by management represent an estimate of the outcome of future events and, as such, cannot be considered an exact calculation of our liability. Rather, loss and LAE reserves represent management’s best estimate of the Company’s liability based on the application of actuarial techniques and other projection methodologies and taking into consideration other facts and circumstances known at the balance sheet date. The process of establishing loss and LAE reserves is complex and inherently imprecise, as it involves the estimation of the outcome of future uncertain events. The impact of both internal and external variables on ultimate losses and LAE costs is difficult to estimate. In determining loss and LAE reserves, the Company gives careful consideration to all available data and actuarial analyses.

(Dollar amounts in thousands, except share and per share amounts, unless otherwise stated)

The Company primarily writes insurance in states which could be exposed to hurricanes or other natural catastrophes. The occurrence of a major catastrophe could have a significant effect on the Company's results and cause a temporary disruption of the normal operations of the Company. However, the Company is unable to predict the frequency or severity of any such events that may occur in the near term or thereafter.

Activity related to the loss and LAE reserves are summarized as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2026	2025	2026	2025
Balances, beginning of period	\$ 476,258	\$ 571,180	\$ 439,715	\$ 595,487

Current year	108,740	105,732	219,813	196,750
Prior years	—	(14,363)	—	(21,620)
Total incurred	\$ 108,740	\$ 91,369	\$ 219,813	\$ 175,130

Prior years	34,098	16,194	69,689	62,046
Total paid	\$ 68,184	\$ 47,023	\$ 127,585	\$ 97,995
Net balances, end of period	385,815	331,571	385,815	331,571
Plus reinsurance recoverables	115,205	240,241	115,205	240,241
Balances at June 30	\$ 501,020	\$ 571,812	\$ 501,020	\$ 571,812

The establishment of loss and LAE reserves is an inherently uncertain process and changes in loss and LAE reserve estimates are expected as these estimates are subject to the outcome of future events. Changes in estimates, or differences between estimates and amounts ultimately paid, are reflected in the operating results of the period during which such adjustments are adjusted. During the three and six months ended June 30, 2026, the Company did not experience any prior year development. During the three and six months ended June 30, 2025, the Company recognized \$14,363 and \$21,620 of favorable loss development primarily to reduce non-catastrophe reserves in response to lower than expected payments.

7. Income Taxes

The Company recorded income tax expense of \$43,611 and \$89,760 for the three and six months ended June 30, 2026 and \$26,225 and \$57,629 for the three and six months ended June 30, 2025, respectively. The income tax expense resulted in an effective tax rate of 24.4% and 24.9% for the three and six months ended June 30, 2026 and 27.2% and 26.2% for the three and six months ended June 30, 2025, respectively. The decrease in the effective income tax rate was primarily due to the favorable treatment of stock options. The Company's estimated annual effective tax rate differs from the statutory federal tax rate due to state income taxes as well as certain nondeductible and tax-exempt items.

In September of 2025, the Company purchased \$67.9 million of transferable Section 45x advanced manufacturing production tax credits for \$65.4 million to reduce our federal tax liability. All tax credits have been applied to prior year tax returns.

On July 4, 2025, the United States enacted the One Big Beautiful Bill Act ("OBBBA"), which, among other provisions, permanently restores 100% bonus depreciation and modifies the limitation on business-interest expense under §163(j) to be based on taxable income before interest, amortization, and depreciation. Based on preliminary analysis, management expects OBBBA to reduce U.S. cash income-tax payments. There is not expected to be any impact on the effective tax rate.

8. Reinsurance

Certain premiums and losses are ceded to other insurance companies under various excess of loss reinsurance agreements. The ceded reinsurance agreements are intended to provide the Company with the ability to maintain its exposure to losses within its capital resources.

Slide Insurance Holdings, Inc.
Notes to Unaudited Condensed Consolidated Financial Statements
(Dollar amounts in thousands, except share and per share amounts, unless otherwise stated)

These reinsurance agreements do not relieve the Company from its primary obligation to policyholders, as it remains liable to its policyholders to the extent that any reinsurer does not meet its obligations for reinsurance ceded to it under reinsurance contracts. Therefore, the Company is subject to credit risk with respect to the obligations of its reinsurers, and any failure on the part of these reinsurers could have a material adverse effect on the Company's business, financial condition and results of operations.

Effective June 1, 2026, the Company entered into a per risk excess of loss treaty for its personal residential property business retaining \$0.7 million on each property risk and ceding the next \$4.3 million of loss. The per risk excess of loss treaties cover 100% of all losses except those related to named storms. These treaties are effective until May 31, 2027.

Effective June 1, 2026, the Company entered into a facultative excess of loss reinsurance contract for its personal residential property business which provides \$7 million of coverage in excess of \$5 million for each loss, each risk. The reinsurer's total liability per occurrence is capped at \$14 million.

For the treaty period June 1, 2026 through May 31, 2027, the catastrophe excess of loss reinsurance agreement has a total aggregate reinsurance limit of \$5,463 million and first event coverage of \$3,981 million.

Effective October 29, 2025, the Company entered into a per risk excess of loss treaty for its commercial residential property business retaining \$1 million on each risk and ceding the next \$9 million of loss. The per risk excess of loss treaties cover 100% of all losses except those related to named storms. These treaties are effective until November 1, 2026.

Effective November 1, 2025, the Company entered into a facultative excess of loss reinsurance contract for its commercial residential property business which provides \$65 million of coverage in excess of \$10 million for each loss, each risk. Like the per risk treaty, the facultative contract does not cover losses related to named storms. These treaties are effective until November 1, 2026.

To minimize the Company's exposure to losses from catastrophes, primarily hurricanes, the Company has entered into a catastrophe excess of loss agreement, and is required to participate in the Florida Hurricane Catastrophe Fund ("FHCF").

The catastrophe excess of loss agreement has a corridor through it, whereby the FHCF picks up 90% of losses and the catastrophe layers pick up the remaining 10%. Effective June 1, 2026, the mandatory FHCF layer is estimated to be 90% of \$1,632.6 million, excess of \$935.2 million. Premium for this coverage is estimated to be \$116.4 million. The ultimate net loss for each of the above layers will include any recoveries from the FHCF or so deemed. The FHCF provides catastrophe coverage for named hurricanes up to a maximum limit of 90% of the amount of ultimate losses in the layer, as determined by a premium formula. The Company's maximum projected payout from the FHCF is estimated to be \$1,469.3 million, with a retention of \$935.2 million.

Effective June 1, 2025, the Company entered into a per risk excess of loss treaty for its personal residential property business retaining \$0.7 million on each property risk and ceding the next \$4.3 million of loss. The per risk excess of loss treaties cover 100% of all losses except those related to named storms. These treaties are effective until May 31, 2026.

Effective June 1, 2025, the Company entered into a facultative excess of loss reinsurance contract for its personal residential property business which provides \$7 million of coverage in excess of \$5 million for each loss, each risk. The reinsurer's total liability per occurrence is capped at \$14 million.

For the treaty period June 1, 2025 through May 31, 2026, the catastrophe excess of loss reinsurance agreement has a total aggregate reinsurance limit of \$3,304 million and first event coverage of \$2,557 million.

The catastrophe excess of loss agreement has a corridor through it, whereby the FHCF picks up 90% of losses and the catastrophe layers pick up the remaining 10%. Effective June 1, 2025, the mandatory FHCF layer is estimated to be 90% of \$961.8 million, excess of \$540.3 million. Premium for this coverage is estimated to be \$69,180. The ultimate net loss for each of the above layers will include any recoveries from the FHCF or so deemed. The FHCF provides catastrophe coverage for named hurricanes up to a maximum limit of 90% of the amount of ultimate losses in the layer, as determined by a premium formula. The Company's maximum projected payout from the FHCF is estimated to be \$865.6 million, with a retention of \$540.3 million.

Effective October 29, 2024, the Company entered into a per risk excess of loss treaty for its commercial residential property business retaining \$1 million on each risk and ceding the next \$9 million of loss. The per risk excess of loss treaties cover 100% of all losses except those related to named storms. These treaties expired on November 1, 2025.

Effective October 29, 2024, the Company entered into a facultative excess of loss reinsurance contract for its commercial residential property business which provides \$50 million of coverage in excess of \$10 million for each loss, each risk. Like the per risk treaty, the facultative contract does not cover losses related to named storms. These treaties expired on November 1, 2025.

9. Revolving Credit Facility

On June 25, 2024, the Company entered into an amended and restated credit agreement ("the Credit Agreement") with Regions Bank for (i) a \$10 million revolving credit facility, which was amended to a \$530.4 million revolving credit facility on July 27, 2026 (ii) term loan in an aggregate principal amount of \$40 million and (iii) one or more delayed draw term loans in an aggregate principal amount not to exceed \$125 million (together, the "Credit Facility"), which was terminated under the amendment. Under the terms of the Credit Facility, borrowings bear interest at an annual rate equal to the three-month Secured Overnight Financing Rate ("SOFR") based on the consolidated leverage ratio as defined in the agreement. The interest payment is due quarterly in arrears on the last business day of each quarter. The Credit Facility contains affirmative and negative covenants as well as customary events of default. In addition, the Company must comply with certain financial and non-financial covenants and agree to pay a fee equal to the product of the unused line fee rate and the average of the daily unused available credit balances of the revolving credit facility. The unused line fee rate is 0.5%. The Credit Facility matures on June 25, 2029.

At June 30, 2026, the Company had no borrowings outstanding under the revolving credit facility. The Company is in compliance with all required covenants and has available borrowing capacity of \$530.4 million.

10. Long-Term Debt

On June 25, 2024, the Company entered into a \$40 million 5-year commercial loan agreement with a commercial bank. The loan is fully collateralized by assets of the Company. The Company may make voluntary prepayments of principal at any time, in whole or in part. Under the terms of the Credit Agreement, borrowings bear interest at an annual rate equal to the one- or three-month SOFR plus a margin based on the debt-to-capital ratio. The interest payment is due quarterly in arrears on the last business day of each quarter. The Credit Agreement contains affirmative and negative covenants as well as customary events of default. In addition, the Company must comply with certain financial and non-financial covenants. At June 30, 2026, the Company was in compliance with all covenants.

On June 25, 2024, in connection with the issuance of the Credit Facility, the Company incurred loan costs and debt discount of \$3,692. The Company amortizes these costs over the life of the Credit Facility using the interest method. Amortization of deferred loan costs is included in Interest expense in the Consolidated Statements of Operations. In connection with the issuance of the Credit Facility, the Company refinanced the credit facility that was issued on May 3, 2023, including the remaining term loan balance of \$27,750 that was repaid in full. The Company recognized an extinguishment loss within interest expense on the statement of operations of the remaining deferred loan costs associated with the refinanced credit facility totaling \$589 in June 2024.

11. Affiliate Transactions

The Company had no transactions with affiliates that have not been fully eliminated in consolidation in the six months ended June 30, 2026 and 2025.

12. Leases

The Company has entered into operating leases primarily for real estate. The Company will determine whether an arrangement is a lease at inception of the agreement. The operating leases have terms of one to eight years, and often include one or more options to renew. These renewal terms can extend the lease term from two to ten years and are included in the lease term when it is reasonably certain that the Company will exercise the option. The Company considers these options in determining the lease term used in establishing our right-of-use assets and lease obligations. Our lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Because the rate implicit in each operating lease is not readily determinable, the Company uses its incremental borrowing rate to determine present value of the lease payments.

The components of lease costs were as follows for the respective years:

	June 30, 2026	June 30, 2025
Operating lease cost, include in General and Administrative expenses on the Consolidated Statements of Operations	\$ 1,284	\$ 935
Right-of-use lease asset and Lease liability was as follows:

Lease liability	8,947	8,374
Supplemental cash flow information related to our operating leases as follows:		
Right-of-use asset	851	689
Lease liability	(702)	(689)
Weighted-average lease term and discount rate for our operating lease was as follows:		
Weighted-average remaining lease term		
Operating lease	3.91 years	4.83 years
Weighted-average discount rate		
Operating lease	5.50%	5.08%

2027	2,465
2028	2,534
2029	2,605
Thereafter	1,123
Total lease payments	9,935
Less: imputed interest	988

13. Regulatory Matters

The Company has no restrictions on the payment of dividends to its shareholders except those restrictions imposed by the General Corporation Law of the State of Delaware and those restrictions imposed by insurance statutes and regulations applicable to the Company's insurance subsidiaries.

SIC can only pay dividends to SIH out of their available and accumulated surplus funds, which are derived from realized net operating profits on their respective businesses and net unrealized capital gains. Dividend payments without prior written approval of the FLOIR shall not exceed the greater of:

- The lesser of 10% of surplus or net income, not including realized capital gains, plus a two-year carryforward;
- 10% of surplus, with dividends payable constrained to unassigned funds, minus 25% of unrealized capital gains; or
- The lesser of 10% of surplus or net investment income plus a three-year carryforward with dividends payable constrained to unassigned funds minus 25% of unrealized capital gains

In lieu of the above computations, the maximum dividend allowed by SIC may be up to the greater of 10% of surplus derived from realized net operating profits and realized capital gains or SIC's entire net operating profits and net realized capital gains from the immediately preceding calendar year, provided that SIC will have at least 115% of minimum required surplus after any such dividend.

Florida Statute Section 624.408 requires SIC to maintain a minimum level of surplus of not less than the greater of 10% of the Company's total liabilities, or \$15,000. Based on this requirement, SIC was required to maintain capital and surplus of \$130,866 and \$113,922 as of June 30, 2026 and December 31, 2025, respectively. As of June 30, 2026 and December 31, 2025, SIC's statutory-basis surplus totaled \$520,411 and \$417,940, meeting the minimum surplus requirements.

No dividends were paid by SIC or SSIC in 2026 and 2025.

SIC and Slide Specialty are required to comply with the NAIC risk-based capital ("RBC") requirements. RBC is a method of measuring the amount of capital appropriate for an insurance company to support its overall business operations in light of its size and risk profile. At June 30, 2026 and December 31, 2025, SIC and Slide Specialty's total adjusted capital exceeded the RBC company-action level.

U.S. GAAP differs in certain respects from the accounting practices prescribed or permitted by insurance regulatory authorities (statutory-basis). These entities' statutory-basis financial statements are presented on the basis of accounting practices prescribed or permitted by the FLOIR. The FLOIR has adopted the National Association of Insurance Commissioners ("NAIC") Accounting Practices and Procedures Manual as the basis of its statutory accounting practices. Statutory-basis surplus differs from shareholders' equity reported in accordance with U.S. GAAP primarily because policy acquisition costs are expensed when incurred and because of different timing of recognizing the brokerage income for reinsurance recoverables. In addition, the recognition of deferred tax assets is based on different recoverability assumptions and material differences may also arise from the differing treatment of non-admitted assets and unrealized gains and losses from investments.

14. Commitments and Contingencies

Various lawsuits against the Company have arisen in the course of the Company's business. Management does not consider contingent liabilities arising from litigation and other matters material in relation to the financial position of the Company.

15. Guaranty Fund and Other Assessments

SIC is subject to guaranty fund and other assessments in both Florida and in South Carolina, states in which the SIC underwrites policies. Guaranty fund assessments should be accrued when (i) an assessment has been imposed or information available prior to issuance of the statutory-basis financial statements indicates that it is probable that an assessment will be imposed; (ii) the event obligating an entity to pay an imposed or probable assessment has occurred on or before the date of the consolidated financial statements; and (iii) the amount of the assessment can be reasonably estimated at the time of the event triggering the accrual.

SIC is subject to assessments by guaranty funds in the states in which it conducts business, a residual market pool, and a state catastrophe reinsurance pool. The activities of these funds and pools include collecting funds from solvent insurance companies to cover losses resulting from the insolvency or rehabilitation of other insurance companies, or deficits generated by Citizens, and the FHCF. SIC is allowed to recover these assessments through premiums collected from policyholders. As of June 30, 2026, and December 31, 2025, SIC had payables relating to these assessments totaling \$4,499 and \$3,106, respectively. The payable is included within other liabilities on the balance sheet.

16. Shareholders' Equity

Prior to June 18, 2025, the Company was authorized to issue one class of common stock (par value of \$0.01 per share) to its shareholders.

The Company amended and restated its articles of incorporation on June 18, 2025, authorizing capital stock of 1.5 billion shares of common stock, par value \$0.01 per share, and 150.0 million shares of preferred stock, par value \$0.01 per share. As of June 30, 2026, there were 115.6 million shares of common stock outstanding.

Prior to June 18, 2025, the Company was authorized to issue one class of preferred stock (par value of \$0.01 per share) to its shareholders and had 20.0 million shares of preferred stock authorized pre stock split. All preferred shares had a liquidation preference equal to \$13.64 per share and were convertible to common shares at the election of the holder on a one-for-one basis. The preferred stock were automatically converted to common stock of the Company in connection with the Company's IPO.

On June 18, 2025, the company completed its IPO in which it issued and sold 24.0 million shares of common stock, of which 16.7 million shares were sold by the Company and 7.3 million shares were sold by certain selling stockholders, at a public offering price of \$17.00 per share.

In connection with the IPO, the company effectuated an approximately 5.5-for-one stock split of its common stock, preferred stock, vested and unvested stock options and vested and unvested restricted share units. Subsequent to the stock split, and prior to the completion of the IPO, all shares of preferred stock, 9.3 million shares, were converted into common stock at a conversion price of \$2.48.

No distributions or dividends were declared or paid during the three and six months ended June 30, 2026 and 2025.

17. Stock-based Compensation

On June 30, 2026 and 2025, the Company has two share-based compensation plans, the 2021 Equity Compensation Plan (the "Stock Plan") and the 2025 Omnibus Incentive Plan (the "2025 Plan"), and one share-based compensation plan, the Stock Plan, respectively.

The compensation cost that has been charged against income for the plans was \$3,417 and \$6,496 for the three and six months ended June 30, 2026, and \$3,000 and \$6,014 for the three and six months ended June 30, 2025, respectively. The total income tax benefit recognized in the income statement for share-based compensation arrangements was \$835 and \$1,601 for the three and six months ended June 30, 2026, and \$817 and \$1,574 for the three and six months ended June 30, 2025.

Slide Insurance Holdings, Inc.

(Dollar amounts in thousands, except share and per share amounts, unless otherwise stated)

The Stock Plan permits the awarding of common stock share options to its employees and strategic advisors for up to 16,985,293 shares. Option awards were generally granted with an exercise price equal to the market price of the Company's stock at the date of grant and vest based on three- to five-year vesting schedules. The fair value of each option award is estimated on the grant date using a Black-Scholes model. The compensation expense for the shares is recognized over the requisite service period for the employee. There were no options granted during the six months ended June 30, 2026 and 2025.

As part of the IPO, the Company adopted the 2025 Plan, effective as of June 18, 2025. The 2025 Plan permits the awarding of common stock share options and restricted stock units for up to 12.0 million shares. There have been 460.4 thousand restricted shares issued as of June 30, 2026.

A summary of option activity under the Stock Plan as of June 30, 2026 and June 30, 2025, respectively, and changes during the year then ended is presented below:

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis of our financial condition and results of operations is intended to help investors understand our business, results of operations, liquidity and capital resources and should be read in conjunction with our consolidated financial statements and related notes appearing elsewhere in this Quarterly Report on Form 10-Q (the "Quarterly Report"). This discussion and analysis contains forward-looking statements that involve risks, uncertainties and assumptions, described under the section titled "Risk Factors" and elsewhere in this Quarterly Report. Our actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors, including, but not limited to, those which are not within our control. See "Special Note Regarding Forward-Looking Statements."

Overview

Launched in 2021, we are a technology-enabled, fast-growing, coastal specialty insurer. We focus on profitable underwriting of single family, condominium and commercial residential policies in the P&C industry in coastal states along the Atlantic seaboard through our insurance subsidiary, Slide Insurance Company ("SIC"). SIC is licensed in Florida and South Carolina. In February 2025, we acquired an additional insurance subsidiary, Slide Specialty Insurance Company ("Slide Specialty"), which is licensed in New York, New Jersey, Rhode Island and South Carolina. We utilize our differentiated technology and data-driven approach to focus on market opportunities that are underserved by other insurance companies. We acquire policies both from inorganic block acquisitions and subsequent renewals, as well as new business sales through a combination of independent agents and our direct-to-consumer ("DTC") channel, through which we sell our insurance products directly to end consumers, without the use of retailers, brokers, agents or other intermediaries. We do not depend on any one key product or product line within the coastal specialty homeowners and commercial residential insurance market. We control all aspects of our value chain, including technology, underwriting, actuarial, distribution, claims and risk management which allows us to maximize profitability while maintaining disciplined underwriting standards.

Our goal is to deliver long-term value for stockholders by focusing on underserved, coastal specialty markets where market capacity is limited and demand for insurance products is high. Coastal specialty market demand for insurance products has increased over the last few years as the larger, national insurance carriers have reduced their underwriting capacity in such markets, creating a unique market opportunity for us to capitalize on the imbalance of supply and demand.

Key Components of Our Results of Operations

Revenue

Gross premiums written. Gross premiums written represent, with respect to a fiscal period, the sum of assumed premiums written from Citizens policy assumptions (net of opt-outs) plus direct premiums written (premiums from subsequent renewals of such Citizens policies and new and renewal policies written through independent agents and our DTC channel, net of any midterm cancellations), in each case prior to amounts ceded to reinsurers. Gross premiums written in any given fiscal period are affected by:

- Amount of premiums assumed from Citizens acquisitions;
- Block acquisitions from other third-party insurers;
- Renewals of existing policies;
- New business submissions and binding of new submissions into effective policies;
- Average premium of new and renewal policies; and
- Premium rates on new and renewal policies.

In 2026 we assumed 37,668 policies, representing approximately \$83 million in assumed unearned premiums from Citizens. These policies carry no upfront acquisition costs and are captured in our current treaty year reinsurance program.

We believe recent legislative and regulatory changes, improvements in the data that is made available on Citizens policies and rate increases implemented by Citizens making pricing more comparable to what we charge for policies underwritten in other channels make the opportunity to assume policies from Citizens attractive.

Take-out opportunities, however, are subject to a number of market, timing and execution risks, and future take-out opportunities may or may not materialize.

Gross premiums earned. Gross premiums earned represent the portion of our gross premiums written earned during a fiscal period from assumed (including those assumed from Citizens), direct policies written and subsequent renewals of such policies. Gross premiums written associated with assumed policies from Citizens are earned ratably over the remaining term of the policy and gross premiums written associated with voluntary and renewal policies are earned ratably over the term of the policy. All such new and renewal policies currently have a term of 12 months from date of issuance.

Ceded premiums earned. Ceded premiums earned represent the earned portion of our gross premiums written ceded to reinsurers and other costs of our reinsurance during a fiscal period. We recognize the cost of our reinsurance program ratably over the term of the arrangement, which is typically 12 months. Our ceded premiums earned represent costs of reinsurance to cover losses from catastrophes that exceed the retention levels defined by our catastrophe excess of loss reinsurance contracts. The rates we pay for reinsurance are based primarily on policy exposures reflected in gross premiums earned.

Net premiums earned. Net premiums earned reflect gross premiums earned less ceded premiums earned during the fiscal period.

Net investment income. Net investment income represents interest earned from cash, cash equivalents, restricted cash, restricted cash and cash equivalents fixed-maturity securities, money market accounts and other investments and the realized gains or losses from the sale of investments. Factors affecting net investment income include the size of our investment portfolio and the yield generated by the underlying investments in our investment portfolio.

Policy fees. Florida law allows insurers to charge policyholders a \$25 policy fee on each policy written. Policy fees represent such upfront policy fees. These fees are not subject to refund, and accordingly we recognize policy fees as income immediately when collected in accordance with ASC 606, which coincides with the completion of our service obligation when the policy is issued.

Other income. Other income represents all pay-plan fees and commission income earned by our retail agency subsidiary that sells on behalf of non-affiliated carriers. We charge pay-plan fees to policyholders that pay their premium in more than one installment and record the fees as income when collected.

Expenses

Losses and loss adjustment expenses incurred, net. Losses and loss adjustment expenses incurred, net reflect losses paid, expenses paid to resolve claims, such as fees paid to adjusters, attorneys and investigators, and changes in our reserves for unpaid losses and loss adjustment expenses incurred, net during the fiscal period, in each case net of losses ceded to reinsurers. Our reserves for unpaid losses and loss adjustment expenses incurred, net represent the estimated ultimate cost of resolving all reported claims plus all losses we incurred related to insured events that we assume have occurred as of the reporting date, but that policyholders have not yet reported to us (which are commonly referred to as “incurred but not reported,” or “IBNR”). We estimate our reserves for unpaid losses using individual case-based estimates for reported claims and actuarial estimates for IBNR losses. We continually review and adjust our estimated losses as necessary based on industry development trends, our evolving claims experience and new information obtained. If our unpaid losses and loss adjustment expenses incurred, net are considered deficient or redundant, we increase or decrease the liability in the period in which we identify the difference and reflect the change in our current period results of operations.

In general, our losses and loss adjustment expense reserves (“LAE”) are affected by:

- the occurrence, frequency and severity of claims associated with the particular types of insurance contracts that we write;
- the reinsurance agreements we have in place at the time of a loss;
- the mix of business written by us;
- changes in the legal or regulatory environment related to the business we write;

- trends in legal defense costs; and
- inflation in the cost of claims including inflation related to wages, medical costs and building materials.

Losses and LAE are based on actual paid losses and expenses, as well as an actuarial analysis of the estimated losses, including losses incurred during the period and changes in estimates from prior periods. Losses and LAE may be paid out over a period of years.

Policy acquisition and other underwriting expenses. Policy acquisition and other underwriting expenses consist of the following items: (i) commissions paid to outside agents at the time of policy issuance, (ii) premium taxes and (iii) inspection fees. We recognize policy acquisition and other underwriting expenses ratably over the term of the underlying policy. Until renewed, policies assumed from Citizens have no associated policy acquisition and other underwriting expenses.

General and administrative expenses. General and administrative expenses include compensation and related benefits, professional fees, office lease and related expenses, information system expenses, corporate insurance, and other general and administrative costs.

Interest expense. Interest expense consists of interest paid on our commercial loans and Credit Facility (as defined below), amortization of debt issuance costs, net settlements of interest rate swaps, and changes in market value of interest rate swaps.

Depreciation expense. Depreciation expense includes depreciation of property and equipment, including software developed for internal use.

Amortization expense. Amortization expense includes amortization of renewal rights and other intangible assets.

Other operating expense. Other operating expense includes other miscellaneous expenses.

Income tax expense. Income tax expense generally consists of income taxes payable by our subsidiaries that are taxed as corporations. We were incorporated as a corporation in the state of Delaware on March 2, 2021. As a corporation, we are subject to typical corporate U.S. federal and state income tax rates which we expect to result in a statutory tax rate of approximately 25% under current tax law.

Key Metrics & Ratios

We discuss certain key financial and operating metrics, described below, which provide useful information about our business and the operational factors underlying our financial performance.

Loss ratio, expressed as a percentage, is the ratio of losses and loss adjustment expenses incurred, net to net premiums earned.

Policy acquisition expense ratio, expressed as a percentage, is the ratio of policy acquisition expenses and other underwriting expenses to net premiums earned.

Expense ratio, expressed as a percentage, is the ratio of policy acquisition and other underwriting expenses, general and administrative expenses, and other operating expense to net premiums earned.

Combined ratio is the sum of the loss ratio and the expense ratio. A combined ratio under 100% indicates an underwriting profit. A combined ratio over 100% indicates an underwriting loss.

Debt to capitalization ratio is the ratio, expressed as a percentage, of total outstanding debt to total capitalization.

Return on equity represents net income as a percentage of average beginning and ending shareholders' equity during the period.

Return on tangible equity is a non-GAAP financial measure. We define tangible shareholders' equity as shareholders' equity less goodwill and other intangible assets. We define return on tangible equity as net income as a percentage of average beginning and ending tangible shareholders' equity during the period. We regularly evaluate acquisition opportunities and have historically made acquisitions that affect shareholders' equity. We use return on tangible equity as an internal performance measure in the management of our operations because we believe it gives our management and other users of our financial

information useful insight into our results of operations and our underlying business performance. “See “*Results of Operations - Non-GAAP Financial Measures*” for a reconciliation of return on tangible equity to return on equity, the most directly comparable GAAP measure.

Revenue

Gross premiums written. Gross premiums written increased to \$508.0 million for the three months ended June 30, 2026 from \$435.4 million for the three months ended June 30, 2025. Net premiums earned. Net premiums earned increased to \$360.6 million for the three months ended June 30, 2026 from \$243.9 million for the three months ended June 30, 2025. Net investment income, inclusive of realized investment gains and losses, increased to \$22.2 million for the three months ended June 30, 2026 from \$15.0 million for the three months ended June 30, 2025, which was attributable to an increase in investable assets. Policy fees. Policy fees increased to \$3.3 million for the three months ended June 30, 2026 from \$2.5 million for the three months ended June 30, 2025. The increase in policy fees was primarily attributable to increased renewals of existing policies.

Other income. Other income increased to \$0.7 million for the three months ended June 30, 2026 from \$0.3 million for the three months ended June 30, 2025. The increase in other income was primarily attributable to an increase in service fee revenue.

Total revenue. Total revenue increased to \$386.8 million for the three months ended June 30, 2026 from \$261.6 million for the three months ended June 30, 2025. The increase and year-over-year growth were directly driven by earnings growth from previous increase in voluntary homeowners and Citizens acquired policies.

Policy acquisition and other underwriting expenses. Policy acquisition and other underwriting expenses for the three months ended June 30, 2026 and 2025 were approximately \$42.3 million and \$32.1 million, respectively, representing 11.7% and 13.2% of net premiums earned, respectively. The increase was primarily attributable to increased renewal policies from prior year assumed Citizens' policies, resulting in increased policy acquisition costs in 2026.

General and administrative expenses. General and administrative expenses for the three months ended June 30, 2026 and 2025 were approximately \$55.0 million and \$37.9 million, respectively, representing 15.3% and 15.6%, respectively, of net premiums earned. Interest expense. Interest expense increased slightly for the three months ended June 30, 2026 compared to the three months ended June 30, 2025. The increase was due primarily to the increase in debt financing costs.

Depreciation expense. Depreciation expense for the three months ended June 30, 2026 and 2025 was \$1.4 million and \$1.1 million, respectively. The increase was due primarily to depreciation of capitalized costs of internal-use software projects that were put into production in 2025.

Amortization expense. Amortization expense for the three months ended June 30, 2026 and 2025 was \$0.0 million and \$1.9 million, respectively, representing 0.0% and 0.8%, respectively, of net premiums earned. The decrease was due primarily to intangible assets being fully amortized.

Income tax expense. Income tax expense was \$43.6 million and \$26.2 million for the three months ended June 30, 2026 and 2025 respectively. Our effective tax rate for each of the three months ended June 30, 2026 and 2025 was 24.4% and 27.2%, respectively. The decrease in our effective tax rate was primarily due to the favorable treatment of stock options.

Ratios

Loss ratio. Our loss ratio decreased to 30.2% for the three months ended June 30, 2026 from 37.4% for the three months ended June 30, 2025, primarily due to a decrease in overall loss experience.

Expense ratio. Our expense ratio decreased to 27.4% for the three months ended June 30, 2026 from 30.0% for the three months ended June 30, 2025, primarily due to scaling impact in net earned premium growth with more moderate operating expense growth and a reduction in amortization expense as intangible assets were fully amortized.

Combined ratio. Our combined ratio decreased to 57.6% for the three months ended June 30, 2026 from 67.4% for the three months ended June 30, 2025, primarily due to a decrease in overall loss experience, and scaling impact in net earned premium growth with more moderate operating expense growth.

Policy acquisition expense ratio. Our policy acquisition expense ratio decreased to 11.7% for the three months ended June 30, 2026 from 13.2% for the three months ended June 30, 2025, primarily due to scaling impact in net earned premium growth with more moderate policy acquisition expense growth.

Revenue

Gross premiums written. Gross premiums written increased to \$922.8 million for the six months ended June 30, 2026 from \$713.6 million for the six months ended June 30, 2025. The increase in net premiums written was driven by growth of voluntary new business, and renewals of previously acquired Citizens policies.

Our average premium per residential policy decreased from \$3,614 at June 30, 2026 compared to \$3,964 at June 30, 2025 as a result of a decrease in average premium of Citizens policies assumed. Additionally, our average premium per commercial residential policy was \$99,515 at June 30, 2026 and \$110,575 at June 30, 2025.

Gross premiums earned. Gross premiums earned increased to \$967.1 million for the six months ended June 30, 2026 from \$689.5 million for the six months ended June 30, 2025. Ceded premiums for the six months ended June 30, 2026 and 2025 were approximately \$240.6 million and \$179.6 million, respectively, representing 24.9% and 26.1%, respectively, of gross premiums earned. The \$60.9 million increase was primarily attributable to increased catastrophe reinsurance costs in line with growth of the portfolio.

Net premiums earned. Net premiums earned increased to \$726.5 million for the six months ended June 30, 2026 from \$509.9 million for the six months ended June 30, 2025. Policy fees. Policy fees increased to \$6.0 million for the six months ended June 30, 2026 from \$4.0 million for the six months ended June 30, 2025. The increase in policy fees was primarily attributable to increased renewals of existing policies.

Other income. Other income increased to \$1.3 million for the six months ended June 30, 2026 from \$0.5 million for the six months ended June 30, 2025. The increase in other income was primarily attributable to an increase in service fee revenue.

Total revenue. Total revenue increased to \$776.1 million for the six months ended June 30, 2026 from \$543.2 million for the six months ended June 30, 2025. The increase and year-over-year growth were directly driven by earnings growth from previous increase in voluntary homeowners and Citizens acquired policies

Expenses

Losses and loss adjustment expenses incurred, net. Losses and loss adjustment expenses incurred, net increased to \$219.8 million for the six months ended June 30, 2026 from \$175.1 million for the six months ended June 30, 2025. There were no incurred losses from named storms during the six months ended June 30, 2026 and 2025. The increase in net losses and loss adjustment expenses incurred was primarily driven by the increase in the growth of the portfolio partially offset by lower overall loss experience for the period ending June 30, 2026 versus June 30, 2025.

Policy acquisition and other underwriting expenses. Policy acquisition and other underwriting expenses for the six months ended June 30, 2026 and 2025 were approximately \$86.4 million and \$60.7 million, respectively, representing 11.9% and 11.9% of net premiums earned, respectively. The increase was primarily attributable to increased renewal policies from prior year assumed Citizens' policies, resulting in increased policy acquisition costs in 2026.

General and administrative expenses. General and administrative expenses for the six months ended June 30, 2026 and 2025 were approximately \$101.2 million and \$79.3 million, respectively, representing 13.9% and 15.6%, respectively, of net premiums earned. The increase was due primarily to the growth in staffing and technology to support the Company's strategic growth initiatives. Personnel count increased to 627 at June 30, 2026 from 422 at June 30, 2025.

Interest expense. Interest expense decreased slightly for the six months ended June 30, 2026 compared to the six months ended June 30, 2025. The decrease was due primarily to the decrease in outstanding debt, offset by higher debt issuance costs.

Depreciation expense. Depreciation expense for the six months ended June 30, 2026 and 2025 was \$2.7 million and \$2.3 million, respectively. The increase was due primarily to depreciation of capitalized costs of internal-use software projects that were put into production in 2025.

Amortization expense. Amortization expense for the six months ended June 30, 2026 and 2025 was \$0.1 million and \$3.7 million, respectively, representing 0.0% and 0.7%, respectively, of net premiums earned. The decrease was due primarily to intangible assets being fully amortized.

Income tax expense. Income tax expense was \$89.8 million and \$57.6 million for the six months ended June 30, 2026 and 2025, respectively. Our effective tax rate for each of the six months ended June 30, 2026 and 2025 was 24.9% and 26.2%, respectively. The decrease in our effective tax rate was primarily due to the favorable treatment of stock options.

Non-GAAP Financial Measures

We present our results of operations in a way that we believe will be the most meaningful and useful to investors, analysts, rating agencies and others who use our financial information to evaluate our performance. Some of the measurements are not required by, or presented in accordance with accounting principles generally accepted in the United States of America (“GAAP”) under SEC rules and regulations. We refer to these measures as “non-GAAP financial measures.” For example, in this Quarterly Report, we present tangible shareholders’ equity and return on tangible equity, which are a non-GAAP financial measures as defined in Item 10(e) of SEC Regulation S-K. We believe that non-GAAP financial measures, which may be defined and calculated differently by other companies, help explain and enhance the understanding of our results of operations. However, these measures should not be viewed as a substitute for those determined in accordance with GAAP. Reconciliations of our non-GAAP financial measures to the most comparable GAAP figures, for the periods presented follows:

Liquidity and Capital Resources

We are organized as a Delaware holding company with our operations primarily conducted by our wholly owned insurance company subsidiaries, SIC (domiciled in the State of Florida), Slide Specialty (domiciled in the State of Rhode Island), Slide Reinsurance Holdings, LLC (a holding company which owns 100% of shares of segregated cell T104 of White Rock Insurance (SAC) LTD.) and our services companies Slide MGA, LLC, Clegg Insurance Advisors, LLC D/B/A Homefront, STAT Claims Co., and Trusted Mitigation Contractors.

We may receive cash through (i) capital contributions or issuance of equity and debt securities, (ii) dividends from our insurance company subsidiaries and (iii) distributions from our services companies. We may use these proceeds to contribute funds to our insurance company subsidiaries to support growth, pay dividends, pay taxes, or for other corporate purposes.

SIC and SSIC can only pay dividends to us out of its available and accumulated surplus funds, which are derived from realized net operating profits on its business and net unrealized capital gains.

No dividends were paid by SIC or SSIC in 2026 and 2025.

Florida Statute Section 624.408 requires SIC to maintain a minimum level of surplus of not less than the greater of 10% of its total liabilities, or \$15.0 million. Based on this requirement, SIC was required to maintain capital and surplus of \$130.9 million and \$113.9 million as of June 30, 2026 and December 31, 2025, respectively. As of June 30, 2026 and December 31, 2025, SIC's statutory-basis surplus totaled \$520.4 million and \$417.9 million, meeting the minimum surplus requirements.

As of June 30, 2026 and December 31, 2025, we had \$1.821 billion and \$1.683 billion, respectively, in cash, cash equivalents, restricted cash and cash equivalents, which primarily consisted of cash, money market accounts and US Treasury bills. We intend to maintain substantial cash or cash-equivalent balances during hurricane season to meet seasonal liquidity needs relating to potential catastrophic losses. However, in the event of a failure of the financial institution, there is a chance we may be unable to access such funds and may incur a loss to the extent such balance exceeds the FDIC insurance limits, which could have a negative impact on our liquidity and financial condition.

Our insurance subsidiaries generate cash through premium collections, investment income and the sale or maturity of invested assets. We received net proceeds of approximately \$263.5 million from the IPO proceeds. Our insurance subsidiaries use cash to pay reinsurance premiums, losses and loss adjustment expenses incurred, net, policy acquisition and other underwriting expenses, salaries and employee benefits and other expenses, as well as to purchase investments.

Although we can provide no assurances, we believe that our available cash, cash equivalents, restricted cash and cash equivalents balance and cash generated from operations, should be sufficient to meet our working capital requirements and other capital expenditures for the next twelve months, and thereafter for the foreseeable future.

Cash Flows

Our most significant source of cash is from premiums received from insureds, net of the related commission amount for the policies. Our most significant cash outflows are for claims that arise when a policyholder incurs an insured loss and for catastrophe excess of loss reinsurance. Because the payment of claims occurs after the receipt of the premium, often years later, we invest the cash in various investment securities that generally earn interest and dividends. The table below summarizes our net cash flow.

	Six Months Ended June 30, (in thousands)			
	2026	2025	Change	% Change
Cash Flows provided by (used in):				
Operating activities	590,011	350,429	239,582	68.4%

Net increase in cash, cash equivalents, restricted cash and restricted cash equivalents	138,186	625,906	(487,720)	(77.9)%

For the six months ended June 30, 2026, cash flows provided by operating activities was \$590.0 million, an increase of \$239.6 million from the six months ended June 30, 2025, driven by an increase in net income and change in certain balance sheet accounts. For the six months ended June 30, 2026, cash flows used in investing activities was \$256.9 million, a decrease of \$274.4 million from cash provided by investing activities for the six months ended June 30, 2025, driven by the increased purchases of fixed-maturity securities available-for-sale. For the six months ended June 30, 2026, cash flows used in financing activities was \$194.9 million, a decrease of \$452.9 million from the six months ended June 30, 2025, driven by the repurchase and retirement of common stock through the repurchase program and 2025 proceeds from the initial public offering.

Credit Facility

On June 25, 2024, the Company entered into an amended and restated credit agreement ("the Credit Agreement") with Regions Bank for (i) a \$10 million revolving credit facility, which was amended to a \$530.4 million revolving credit facility on July 27, 2026(ii) term loan in an aggregate principal amount of \$40 million and (iii) one or more delayed draw term loans in an aggregate principal amount not to exceed \$125 million (together, the "Credit Facility"), which was terminated under the amendment.

Under the terms of the Credit Facility, borrowings bear interest at an annual rate equal to the three-month Secured Overnight Financing Rate ("SOFR") based on the consolidated leverage ratio as defined in the agreement. The interest payment is due quarterly in arrears on the last business day of each quarter. The Credit Facility contains affirmative and negative covenants as well as customary events of default. In addition, the Company must comply with certain financial and non-financial covenants and agree to pay a fee equal to the product of the unused line fee rate and the average of the daily unused available credit balances of the revolving credit facility. The unused line fee rate is 0.5%. The Credit Facility matures on June 25, 2029.

The Credit Facility accrues interest at (i) for base rate loans, the highest of (a) the prime rate, (b) the federal funds rate, as in effect from time to time, plus 0.50% per annum, (c) the term secured overnight financing rate ("SOFR") in effect on such day for a forward-looking interest period of one month commencing on such day, plus 1.00% per annum, and (d) the floor of 0.00% per annum, in each case plus an applicable margin of (x) if the consolidated total leverage ratio, as defined in the Credit Facility, is less than 1.00:1.00, 2.25%, (y) if the consolidated total leverage ratio is greater than or equal to 1.00:1.00 but less than 1.50:1.00, 2.50% or (z) if the consolidated total leverage ratio is greater than or equal to 1.50:1.00, 2.75%, and (ii) for SOFR based loans, the rate per annum equal to the SOFR reference rate for a forward-looking tenor comparable to the then applicable or selected (as applicable) interest period, determined as of a periodic term

SOFR determination date, or the floor of 0.00% per annum, if applicable, plus an applicable margin of (x) if the consolidated total leverage ratio is less than 1.00:1.00, 3.25%, (y) if the consolidated total leverage ratio is greater than or equal to 1.00:1.00 but less than 1.50:1.00, 3.50% or (z) if the consolidated total leverage ratio is greater than or equal to 1.50:1.00, 3.75%.

Off-Balance Sheet Arrangement

At June 30, 2026, we do not maintain any off-balance sheet arrangements.

Seasonality of Our Business

Our insurance business is seasonal as hurricanes typically occur during the period from June 1 through November 30 each year. With our catastrophe reinsurance program effective on June 1 each year, any variation in the cost of our reinsurance, whether due to changes to reinsurance rates or changes in the total insured value of our policy base, will occur and be reflected in our financial results beginning June 1 of each year, subject to certain adjustments.

Contractual Obligations and Commitments

The following table illustrates our contractual obligations and commercial commitments by due date as of June 30, 2026:

	Payments Due by Period				
	Total	Less Than One Year	One Year to Less Than Three Years	Three Years to Less Than Five Years	More Than Five Years
Debt securities and credit agreements	\$ 33,500	\$ 5,500	\$ 28,000	\$ -	\$ -

Total	\$ 48,723	\$ 9,970	\$ 36,317	\$ 2,436	\$ -

(1) Interest on the Credit Facility is calculated using 6.9% in effect at June 30, 2026 with the assumption that interest rates remain flat over the remainder of the period that the Credit Facility is outstanding. At our option, we may prepay the Credit Facility, in whole or in part, without premium or penalty.

Stockholders' Equity

As of June 30, 2026, stockholders' equity was \$1,194.8 million. As of December 31, 2025, total stockholders' equity was \$1,113.2 million. The increase was primarily due to increased retained earnings from net income offset by the repurchase and retirement of common stock through the repurchase program.

Our primary investment objectives are to maintain liquidity, preserve capital and generate a stable level of investment income. We purchase securities that we believe are attractive on a relative value basis and seek to generate returns in excess of predetermined benchmarks. Our Board determines our investment guidelines in compliance with applicable regulatory restrictions on asset type, quality and concentration.

Critical Accounting Policies and Estimates

Our critical accounting policies are described in Part II, Item 7 “Management’s Discussion and Analysis of Financial Condition and Results of Operations” included in our Annual Report on Form 10-K for the year ended December 31, 2025.

Recent Accounting Pronouncements

See discussion of recent accounting standards in Note 1 in the accompanying notes to the condensed consolidated financial statements for further details.

Emerging Growth Company Status

We are an emerging growth company, as defined in the JOBS Act. For as long as we are an emerging growth company, we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that

are not “emerging growth companies,” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, exemptions from the requirements of holding advisory “say-on-pay” votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, emerging growth companies can also delay adopting new or revised accounting standards issued subsequent to the enactment of the JOBS Act until such time as those standards apply to private companies. We have elected to use this extended transition period for complying with new or revised accounting standards that have different effective dates for public and private companies until the earlier of the date that the Company (i) is no longer an emerging growth company or (ii) affirmatively and irrevocably opts out of the extended transition period provided in the JOBS Act. As a result, our financial statements may not be comparable to companies that comply with the new or revised accounting pronouncements as of public company effective dates.

Special Note Regarding Forward-Looking Statements

This Quarterly Report includes forward-looking statements within the meaning of the federal securities laws. In some cases, you can identify these statements by forward-looking words such as “may,” “might,” “will,” “should,” “expect,” “plan,” “anticipate,” “believe,” “aim,” “estimates,” “predicts,” “potential” or “continue,” the negative of these terms and other comparable terminology. These forward-looking statements, which are subject to risks, uncertainties and assumptions about us, may include projections of our future financial performance, our anticipated growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations and projections about future events. There are important factors that could cause our actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied by the forward-looking statements, including those factors discussed in Part II, Item 1A “Risk Factors” in this Quarterly Report and in other reports we file with the SEC.

Although we believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy and completeness of any of these forward-looking statements. We are under no duty to update any of these forward-looking statements after the date of this Quarterly Report to conform our prior statements to actual results or revised expectations.

The following are some important factors that could cause our actual results to differ from our expectations in any forward-looking statements:

- our limited operating history, which make our business and future prospects difficult to evaluate;
- whether our “Slide” brand becomes as widely known as incumbents’ brands or becomes tarnished;
- the impact of macroeconomic conditions, including declining consumer confidence, inflation, high unemployment and the threat of recession;
- the success of the Company's underwriting and profitability initiatives;
- failure to establish accurate reserves, failure to adjust claims accurately, the denial of claims or our failure to accurately and timely pay claims;
- ability to expand within the United States and additional costs and risks we will be subject to as a result;
- intense competition in the segments of the insurance industry in which we operate;
- if reinsurance is unavailable at current levels and prices, and the counterparty risk we are subject to as a result;
- examinations we are periodically subject to by our state insurance regulators, which could result in adverse examination findings and necessitate remedial actions;

- the historically cyclical nature of the insurance business, including the market for homeowners and commercial residential insurance, which may result in us experiencing periods with excess underwriting capacity and unfavorable premium rates;
- weather conditions (including severity and frequency of storms, hurricanes, tornadoes, wildfires and hail);
- the highly regulated environment we operate in and the variety of complex federal and state laws and regulations we are subject to; and
- significantly increased costs we will incur and substantial management time we will devote as a result of operating as a public company.

For further discussion of certain of these factors, see the risk factors disclosed in the section entitled “Risk Factors” in this Quarterly Report and in Form 10-K, as filed February 27, 2026.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

Our investment portfolios include fixed-maturity securities, the purposes of which are not for trading or speculation. Our main objective is to maximize after-tax investment income and maintain sufficient liquidity to meet policyholder obligations while minimizing market risk, which is the potential economic loss from adverse fluctuations in securities' prices. We consider many factors including credit ratings, investment concentrations, regulatory requirements, anticipated fluctuation of interest rates, durations and market conditions in developing investment strategies. Investment securities are managed by BlackRock and are overseen by the investment committee appointed by the board of directors of SIC. Our investment portfolios are primarily exposed to interest rate risk and credit risk. We classify our fixed-maturity securities as available-for-sale and report any unrealized gains or losses, net of deferred income taxes, as a component of other comprehensive income within our shareholders' equity. As such, any material temporary changes in their fair value can adversely impact the carrying value of our shareholders' equity.

Interest Rate Risk

Our fixed-maturity securities are sensitive to potential losses resulting from unfavorable changes in interest rates. We manage the risk by analyzing anticipated movement in interest rates and considering our future capital needs.

The following table illustrates the impact of hypothetical changes in interest rates to the fair value of our fixed-maturity securities at June 30, 2026 (\$ in thousands):

Hypothetical Change in Interest Rates	Estimated Fair Value After Change	Change in Estimated Fair Value	Percentage Increase (Decrease) in Estimated Fair Value
300 basis point increase	\$ 723,817	\$ (108,264)	(13.0)%
200 basis point increase	759,008	(73,073)	(8.8)%
100 basis point increase	795,096	(36,985)	(4.4)%
100 basis point decrease	869,962	37,881	4.6%
200 basis point decrease	908,740	76,659	9.2%
300 basis point decrease	948,415	116,334	14.0%

Credit Risk

Credit risk can expose us to potential losses arising principally from adverse changes in the financial condition of the issuers of our fixed-maturity securities. We mitigate the risk by primarily investing in fixed-maturity securities that are rated "BBB" or higher and diversifying our investment portfolio to avoid concentrations in any single issuer or business sector. Pursuant to our investment policy, only \$1.0 million may be invested in below investment grade bonds. The duration of the financial instruments held in our portfolio that are subject to interest rate risk was 4.44 years and 3.50 years at June 30, 2026 and December 31, 2025, respectively. To the extent interest rates decrease during 2026, we anticipate the fair value of our fixed rate debt securities to be subject to increase. Credit risk results from uncertainty in a counterparty's ability to meet its obligations. Credit risk is managed by maintaining a high credit quality fixed maturity securities portfolio. As of June 30, 2026, the estimated weighted average credit quality rating of the fixed maturity securities portfolio was AA-, at fair value, consistent with the average rating at December 31, 2025. For more information regarding the composition of our fixed-maturity securities portfolio, see "*Financial Condition—Investment Portfolio*" within Item 2.

Foreign Currency Exchange Risk

At June 30, 2026, we did not have any material exposure to foreign currency related risk.

Item 4. Controls and Procedures.

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e) and 15d-15(e)) that are designed to assure that information required to be disclosed in our Exchange Act reports are recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosures. As required by Exchange Act Rule 13a-15(b), as of the end of the period covered by this Quarterly Report, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, we evaluated the effectiveness of our disclosure controls and procedures. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of June 30, 2026.

Changes in Internal Control over Financial Reporting

During the three months ended June 30, 2026, there were no changes in our internal controls over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act as amended) that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

We are subject to routine legal proceedings in the ordinary course of business. We believe that the ultimate resolution of these matters will not have a material adverse effect on our business, financial condition or results of operations.

Item 1A. Risk Factors.

Our operations and financial results are subject to various risks and uncertainties. There have been no material changes in our risk factors from those previously disclosed in Part 1, Item 1A, “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2025.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

There are no material relationships between the Company or any of its subsidiaries or affiliates and the lenders and/or their respective affiliates, other than in respect of the Credit Agreement, Amendment and certain commercial banking and lending relationships, all of which have been entered into in the ordinary course of business.

Securities Trading Plans of Directors and Officers

None of the Company's directors or officers (as defined in Rule 16a-1(f)) adopted, modified or terminated a “Rule 10b5-1 trading arrangement” or “non-Rule 10b5-1 trading arrangement” (as defined in Item 408(c) of SEC Regulation S-K) during the quarter ended June 30, 2026, except as described below:

WHEREAS, for the avoidance of doubt, all outstanding Revolving Loans and Revolving Commitments of the Existing Lenders, together with the Revolving Commitments provided by the New Lenders hereunder, shall be automatically reallocated and automatically assigned upon the effectiveness of this Amendment in order to cause each Lender to have its Pro Rata Share of the Revolving Commitments as described on Schedule I hereto.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

. Introductory Paragraph and Recitals. The above introductory paragraph and recitals of this Amendment are incorporated herein by reference as if fully set forth herein.

(e) Since the Closing Date, there shall have occurred no event or circumstance which has had, or could reasonably be expected to have, a Material Adverse Effect.

Without limiting the generality of the foregoing provisions of this Section 4, for purposes of determining compliance with the conditions specified in this Section 4, each Lender that has signed this Amendment shall be deemed to have consented to, approved of, accepted, or been satisfied with, each document or other matter required hereunder to be consented to or approved by, or acceptable or satisfactory to, a Lender, unless the Administrative Agent shall have received notice from such Lender prior to the proposed Third Amendment Effective Date specifying its objection thereto.

(h) For purposes of any determination of the consolidated financial results of the Credit Parties and Subsidiaries over any period of measurement during which an Acquisition was consummated, income statement and cash flow statement items (whether positive or negative) attributable to the operations of the Acquired Business for such Acquisition *prior* to the date of consummation of such Permitted Acquisition shall be *included* in such consolidated financial results for such period *solely* to the extent supported, in the

reasonable determination of the Administrative Agent, by a quality of earnings report in form, and prepared by Plante & Moran, PLLC, or by another independent public accounting firm that is reasonably acceptable to the Administrative Agent (or by such other financial statements and/or other information as may be acceptable to the Administrative Agent in its sole discretion) delivered from the Borrower to the Administrative Agent.

(d) Informed Negotiation. This Agreement and the other Credit Documents are the result of negotiations among, and have been reviewed by counsel to, among others, the Administrative Agent, the Collateral Agent and each of the Credit Parties, and this Agreement, and each of the other Credit Documents, are the product of discussions and negotiations among such parties. Accordingly, this Agreement and the other Credit Documents are *not* intended to be construed against the Administrative Agent, the Collateral Agent, the Issuing Bank or any of the Lenders merely on account of any such Person's (or its counsel's) involvement in the preparation and/or closing of this Agreement and/or any other Credit Document.

Section 1.5 Interest Rate Disclosure. The Administrative Agent does *not* warrant or accept responsibility for, and shall *not* have any liability whatsoever with respect to: (a) the continuation, administration, submission and/or calculation of, or any other matter related to, any of the Base Rate, the SOFR Reference Rate (for any applicable tenor) and/or any SOFR-Based Rate (for any Interest Period, as applicable), or any component definition used or referred to in, or any rate(s) used or referred to in, the definitions of any of the foregoing in Section 1.1, or for any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition and/or characteristics of any such actual or proposed alternative, successor or replacement rate (including any Benchmark Replacement) is or will be similar to, or produces or will produce the same or substantially equivalent value or economic equivalence of, or has or will have the same or a comparable volume or liquidity as, any of the Base Rate, the SOFR Reference Rate (for any applicable tenor), any SOFR-Based Rate (for any Interest Period, as applicable) and/or any other Benchmark prior to its discontinuance or unavailability; or (b) the effect, implementation and/or composition of any Conforming Changes. Section 1.7 Limited Condition Acquisitions.

(a) Notwithstanding anything to the contrary contained herein, in the case of any Limited Condition Acquisition, or the incurrence of any Indebtedness (other than any Revolving Loans) or Liens that is necessary to consummate such Limited Condition Acquisition, at the election of the Borrower (an “LCA Election”), for purposes of determining (i) compliance with any provision of this Agreement which requires the calculation of any ratio, (ii) whether an Event of Default (other than any Specified Event of Default) exists or would be caused thereby, (iii) availability under baskets set forth in this Agreement and (iv) the accuracy of any representation or warranty (other than the Specified Representations and the Specified Purchase Agreement Representations), in each case, in connection with a Limited Condition Acquisition shall be determined at the date of entry into the applicable definitive acquisition agreement (such date, “LCA Test Date” and each such agreement, a “Limited Condition Acquisition Agreement”) assuming such Limited Condition Acquisition (and any other pending Limited Condition Acquisition) and other pro forma events in connection therewith (and in connection with any other pending Limited Condition Acquisition) (including the incurrence of Indebtedness) were consummated on such date. The Borrower shall give written notice to the Administrative Agent on or prior to the date it makes any LCA Election. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any calculation of any ratio or basket with respect to the incurrence of any other Indebtedness (other than Revolving Loans, which shall remain subject to Section 5.2 with respect to the impact, if any, of a Limited Condition Acquisition) or Liens, the making of any Restricted Payments, the making of any Investments, the entry into any transaction of merger, the consummation of any Asset Sale or the prepayment, redemption, purchase, defeasance or other satisfaction of Funded Debt, in each case, permitted under this Agreement (each, a “Subsequent Transaction”) following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the applicable Limited Condition Acquisition Agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, for purposes of

determining whether such Subsequent Transaction is permitted, any such ratio or basket, including any pro forma financial covenant compliance ratio (but not actual compliance with the financial covenants set forth in Section 8.8, which shall be determined without regard to any Limited Condition Acquisition or any related transaction), shall be required to be satisfied on a Pro Forma Basis (1) assuming such Limited Condition Acquisition (and any other pending Limited Condition Acquisition) and other transactions in connection therewith (and in connection with any other pending Limited Condition Acquisition), including the incurrence of Indebtedness and the use of proceeds thereof, were consummated on such date, and (2) assuming such Limited Condition Acquisition (and any other pending Limited Condition Acquisition) and other transactions in connection therewith (and in connection with any other pending Limited Condition Acquisition), including the incurrence of Indebtedness and the use of proceeds thereof, have not been consummated and such ratio, basket or test, including any pro forma financial covenant compliance test, as applicable, relating to such Subsequent Transaction shall be required to be satisfied under both the preceding clauses (1) and (2) to be in compliance.

(b) Notwithstanding anything set forth herein to the contrary, any determination in connection with a Limited Condition Acquisition of compliance with representations and warranties or as to the occurrence or absence of any Default or Event of Default hereunder as of the LCA Test Date (rather than the date of consummation of the applicable Limited Condition Acquisition), shall not be deemed to constitute a waiver of or consent to any breach of representations and warranties hereunder or any Default or Event of Default hereunder that may exist at the time of consummation of such Limited Condition Acquisition.

(b) Term Loan A; Delayed Draw Term Loans.

(i) Term Loan A. The parties hereto acknowledge and agree that a “Term Loan A” was made to the Borrower on the Original Closing Date pursuant to (and as defined in) the Existing Credit Agreement by the Existing Lender (of which the Borrower agrees that a principal balance of \$27,500,000.00 remains outstanding immediately prior to the effectiveness of this Agreement on the Closing Date, the “Existing Term Loan A”) and that the Existing Term Loan A shall be continued as the Term Loan A hereunder subject to the increase of the principal amount,

reallocation and other modifications described herein (including pursuant to Section 2.1(e) below) to occur on the Closing Date, in each case, subject to the terms and conditions hereof. On the Closing Date, subject to the terms and conditions set forth in this Agreement, each Lender (including, for the avoidance of doubt, the New Lenders and the Existing Lender) severally agrees to advance (or, in the case of Regions, be deemed to have advanced) the Term Loan A in an amount equal to its Term Loan A Commitment, to be disbursed or credited in Dollars to the Borrower (as specified in the Funding Notice delivered to the Administrative Agent prior to the Closing Date in respect of the Term Loan A) on the Closing Date in accordance with the funds disbursement agreement. The Term Loan A may be borrowed (and be outstanding) as Base Rate Loans or SOFR Loans (or a combination of the foregoing), as the Borrower may request from time to time in accordance with the terms of this Agreement; provided, that, the initial Borrowing of the Term Loan A on the Closing Date shall consist *solely* of SOFR Loans with a three (3) month interest period. Amounts repaid or prepaid on the Term Loan A may *not* be reborrowed. All Term Loan A, and all other amounts owed under this Agreement with respect to the Term Loan A, shall be paid in full *no later than* the Maturity Date.

(ii) Delayed Draw Term Loans. During the DDTL Availability Period, subject to the terms and conditions set forth in this Agreement, each Lender (including, for the avoidance of doubt, the New Lenders and the Existing Lender) severally agrees to advance its respective DDTL Commitment Percentage of each Delayed Draw Term Loan, to be disbursed or credited in Dollars to the Borrower (as specified in the Funding Notice delivered to the Administrative Agent in respect of each Delayed Draw Term Loan). The Borrower may request no more than ten (10) Delayed Draw Term Loans hereunder, which shall be in an aggregate original principal amount which does not result in (A) any Lender's portion of the Delayed Draw Term Loans advanced by such Lender during the DDTL Availability Period exceeding such Lender's original DDTL Commitment made on the Closing Date or (B) the aggregate amount of the Delayed Draw Term Loans advanced by all Lenders during the DDTL Availability Period exceeding the original Aggregate DDTL Commitments of all Lenders on the Closing Date. For the avoidance of doubt, the Borrowing of each Delayed Draw Term Loan during the DDTL Availability Period shall be subject to the satisfaction of all of the conditions set forth in each of Section 5.2 and Section 5.3. The Delayed Draw Term Loans may be borrowed (and be outstanding) as Base Rate Loans or SOFR Loans (or a combination of the foregoing), as the Borrower may request from time to time in accordance with the terms of this Agreement. Amounts repaid or prepaid on the Delayed Draw Term Loans may not be reborrowed. The Aggregate DDTL Commitments shall (x) be automatically reduced, on a Dollar-for-Dollar basis, by the original principal amount of each Delayed Draw Term Loan made during the DDTL Availability Period at the time such Delayed Draw Term Loan is funded and (y) terminate automatically on the DDTL Commitment Termination Date.

(c) Mechanics for Revolving Loans and Term Loans.

(i) Except pursuant to Section 2.2(b)(iii), all Revolving Loans shall be made in an aggregate minimum amount of Five-Hundred Thousand Dollars (\$500,000), and, if greater, in an integral multiple of Five-Hundred Thousand Dollars (\$500,000) in excess thereof. Each of the Term Loans (including, for the avoidance of doubt, each Borrowing of a Delayed Draw Term Loan) shall be made in an aggregate minimum amount of Five Million Dollars (\$5,000,000), and if greater, in an integral multiple of Five-Hundred Thousand Dollars (\$500,000) in excess thereof.

(ii) Whenever the Borrower desires that the Lenders make a Revolving Loan, the Borrower shall deliver to the Administrative Agent a fully executed Funding Notice by *no later than* 1:00 P.M. on a date that is: (A) *at least* three (3) Business Days prior to the proposed Credit Date, in the case of the Borrowing of such Revolving Loan that is a SOFR Loan or (B) *at least* one

(1) Business Day prior to the proposed Credit Date, in the case of the Borrowing of a Revolving Loan that is a Base Rate Loan. Whenever the Borrower desires that the Lenders make a Term Loan (including, for the avoidance of doubt, each Delayed Draw Term Loan), the Borrower shall deliver to the Administrative Agent a fully executed Funding Notice by *no later than* 1:00 P.M. on a date that is *at least* five (5) Business Days prior to the proposed Credit Date; provided that solely in the case of the Term Loan A to be funded on the Closing Date, the Borrower may be permitted to provide the Funding Notice solely for such Borrowing no later than (3) Business Days in advance (or such shorter time as the Administrative Agent may agree). Except as otherwise provided in this Agreement, any Funding Notice(s) delivered in respect of the Borrowing of any Loans that are SOFR Loans shall be irrevocable on and after the related Periodic Term SOFR Determination Date, and the Borrower shall be bound to make a borrowing in accordance therewith.

(iii) Notice of receipt of each Funding Notice in respect of each Revolving Loan or Term Loan, together with the amount of each Lender's Revolving Commitment Percentage or Pro Rata Share of any Term Loan Commitment, respectively, if any, together with the applicable interest rate, shall be provided by the Administrative Agent to each applicable Lender by telefacsimile with reasonable promptness, but, in any event (provided, that, the Administrative Agent shall have received such notice from the Borrower by *no later than* 1:00 P.M.), by *not later than* 4:00 P.M. on the same day as the Administrative Agent's receipt of such notice from the Borrower.

(iv) Each Lender shall make its Revolving Commitment Percentage of the requested Revolving Loan, and/or its Pro Rata Share of the requested Term Loan, as the case may be, available to the Administrative Agent by *not later than* 11:00 A.M. on the applicable Credit Date by wire transfer of same day funds in Dollars, at the Administrative Agent's Principal Office. Except as otherwise expressly provided in this Agreement, upon satisfaction or waiver of the applicable conditions precedent to such requested Borrowing specified in this Agreement, the Administrative Agent shall make the proceeds of such Credit Extension available to the Borrower on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of all Loans received by the Administrative Agent in connection with the Credit Extension from the Lenders to be disbursed and/or credited to the account of the Borrower at the Administrative Agent's Principal Office, or such other account(s) as may be designated in writing to the Administrative Agent by the Borrower.

(v) Any Funding Notices delivered in accordance with this clause (c) shall, for the avoidance of doubt, be subject to Section 2.7(b).

(d) Incremental Commitments. Subject to the terms and conditions set forth in this Agreement, the Borrower shall have the right and upon *at least* ten (10) Business Days' prior written notice to the Administrative Agent (or such shorter period of notice as the Administrative Agent may agree in its sole discretion), to (x) increase the aggregate Revolving Commitments ("Incremental Revolving Commitments") and (y) establish one (1) or more additional term loans or delayed draw term loans or provide for an additional advance under the Term Loan A (each such additional term loan, additional delayed draw term loan or additional advance, an "Incremental Term Loan" and the commitment to provide such Incremental Term Loan, an "Incremental Term Loan Commitment" and, together with any Incremental Revolving Commitments, collectively, the "Incremental Commitments"), subject, however, in any such case, to satisfaction of each of the following conditions precedent:

(A) the aggregate original principal amount of all such Incremental Commitments established pursuant to this clause (d) after the Third Amendment Effective

Date, taken together, shall *not exceed* \$219,600,000.00 (the principal amount of each such Incremental Commitment, the “Incremental Commitment Amount”);

(B) each Incremental Commitment Amount shall be in a minimum amount of Five Million Dollars (\$5,000,000), and, if greater, in integral multiples of Five-Hundred Thousand Dollars (\$500,000) in excess thereof (or such lesser amounts as the Administrative Agent may agree in its sole discretion);

(C) the establishment and incurrence (as applicable) of such Incremental Commitments shall be contingent upon the receipt by the Administrative Agent of: (I) Incremental Commitments in a corresponding amount to the original principal amount of such requested Incremental Commitments from either then existing Lenders or from one (1) or more other financial institutions (each such other financial institution, an “Additional Incremental Lender”) that (1) qualifies as an Eligible Assignee, and (2) solely in the case of an Incremental Revolving Commitment, is approved (such approval *not* to be unreasonably withheld, conditioned or delayed) by the Administrative Agent (it being understood and agreed that national and regional banks shall be approved by the Administrative Agent); and (II) documentation from each existing Lender or Additional Incremental Lender providing an Incremental Commitment, in form and substance reasonably acceptable to the Administrative Agent, evidencing its (1) agreement to provide such Incremental Commitment, and (2) acceptance of its obligations as a Lender under this Agreement; provided, that, at any time after the establishment and incurrence of any Incremental Commitment, the determination of “Required Lenders” shall thereafter include the principal amount of such Incremental Commitment then in effect;

(D) the Administrative Agent and Collateral Agent shall have received all customary officer’s certificates, legal opinions and other documents (including resolutions of the board of directors or managers (or equivalent governing body) and other required stakeholders of each Credit Party (including the holders of the Preferred Stock) and customary opinions of counsel to the Credit Parties, if required to be provided by the then existing Lenders and Additional Incremental Lenders providing such Incremental Commitments) it may reasonably request relating to the corporate, limited liability company or other necessary authority for the establishment of such Incremental Commitments and the validity thereof, and any other matters relevant thereto, all in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent;

(E) any Incremental Revolving Commitments and any Revolving Loans thereunder shall have the same terms and conditions as the Revolving Commitments and Revolving Loans (except for upfront fees, which shall be subject to negotiation between the Agent and the Borrower at the relevant time);

(F) the Borrower shall have delivered to the Administrative Agent a certificate, dated as of the date of establishment and incurrence (as applicable) of such Incremental Commitment, and duly executed by an Authorized Officer of the Borrower, certifying, on behalf of the Borrower and each other Credit Party, that, both immediately *before* and immediately *after* giving effect to the establishment and/or incurrence (as applicable) of such Incremental Commitment and the consummation of any substantially contemporaneous related transactions (including any Acquisitions) in connection therewith:

(I) no Default or Event of Default shall exist immediately before or immediately after giving effect to such Incremental Commitment;

(II) all representations and warranties of each Credit Party set forth in the Credit Documents (including the representations and warranties of each Credit Party set forth in Article VI) are true and correct, in all material respects (or, if such representation and warranty is qualified by materiality or Material Adverse Effect, in all respects), on, and as of, such date, except to the extent that such representations and warranties specifically relate to an earlier date, in which case, they are true and correct, in all material respects (or, if such representation and warranty is qualified by materiality or Material Adverse Effect, in all respects), as of such earlier date; and

(III) the Credit Parties are in compliance, on a Pro Forma Basis, with all of the financial covenants set forth in Section 8.8 (determined without giving effect to any “netting” of the cash proceeds of the funding of any such Incremental Commitment against Consolidated Funded Debt);

provided, that to the extent the proceeds of the Incremental Commitment are to be used to finance a substantially contemporaneous Limited Condition Acquisition, the conditions set forth in this clause (E) may be tested in accordance with Section 1.7 or modified in a manner customary for “SunGard” or “certain funds” conditionality, in each case, to the extent agreed to by the Borrower and the Persons providing such Incremental Commitment;

(G) the Collateral Agent shall have received such amendments to the Collateral Documents as the Collateral Agent shall request in order to cause the Collateral Documents to secure the Obligations (in a manner consistent with the terms of the Credit Documents as in effect immediately *prior* to the date of establishment and incurrence (as applicable) of such Incremental Commitment), after giving effect to the establishment and incurrence (as applicable) of such Incremental Commitment;

(H) amortization, pricing, fees, the final maturity date and use of proceeds applicable to any Incremental Term Loan shall be as set forth in the applicable Incremental Facility Agreement establishing such Incremental Term Loan, provided, that: (I) such Incremental Term Loan shall have a final maturity date that is coterminous with, or later than, the Latest Maturity Date; (II) the Weighted Average Life of such Incremental Term Loan shall *not be less than* the Weighted Average Life of any other then-outstanding Term Loan (including of the Term Loan A, any Delayed Draw Term Loan and any other then outstanding Incremental Term Loan); and (III) the All-In Yield applicable to such Incremental Term Loan shall *not be more than* one-half of one percent (0.50%) *higher than* the corresponding All-In Yield applicable to any other then-outstanding Term Loan (including the Term Loan A, any Delayed Draw Term Loan and any other then outstanding Incremental Term Loan) (it being understood and agreed that interest on any other then-outstanding Term Loan may be increased to the extent necessary to satisfy this requirement);

(I) the Borrower shall have paid any applicable upfront and/or arrangement fee(s) in connection with the establishment and/or incurrence (as applicable) of such Incremental Term Loan, as agreed by the Borrower in writing; and

(J) except to the extent otherwise required or permitted pursuant to the foregoing of this clause (d), all other terms and conditions of any Incremental Term Loan, if *not* consistent with the terms and conditions of the other Term Loans, shall be reasonably satisfactory to the Administrative Agent; provided that (x) any covenants or events of default regarding any Incremental Term Loan that are more restrictive than the equivalent covenant or event of default regarding the other Loans shall be deemed to be applicable to such other Loans, and (y) for purposes of clarity, Incremental Term Loans shall constitute Loans hereunder and rank *pari passu* with all other Term Loans hereunder and shall be secured on a *pari passu* basis with the other Obligations.

Notwithstanding anything to the contrary in the foregoing of this clause (d): (I) neither the Administrative Agent, the Collateral Agent nor any Lender, nor any Affiliate of any of the foregoing (nor any of their respective successors or assigns), shall have any obligation to provide all, or any portion, of any Incremental Commitment and any decision by a Lender to provide all, or any portion, of an Incremental Commitment shall be made in its sole and absolute discretion, independently from, and without reliance upon, any other existing Lender or Additional Incremental Lender; (II) neither any Arranger, the Administrative Agent, the Collateral Agent nor any Lender, nor any Affiliate of any of the foregoing (nor any of their respective successors or assigns), shall have any responsibility for arranging any such Incremental Commitments without their prior written consent and subject to such conditions (including fee arrangements) as they may require in connection therewith, (III) notwithstanding anything to the contrary in Section 11.4, the Administrative Agent, the Collateral Agent, the Credit Parties and the existing Lenders and/or Additional Incremental Lenders providing any such Incremental Term Loan Commitments for any Incremental Term Loan, without the further consent of any other Person, are expressly permitted to enter into an Incremental Facility Agreement to amend the Credit Documents to the extent necessary to give effect to the establishment of any Incremental Commitments pursuant to the foregoing clause (d), and to implement any technical, administrative and/or mechanical changes that are necessary or advisable to be implemented in connection therewith (including to ensure continuing *pro rata* allocations of Loans and Commitments); and (IV) if the Borrower incurs Incremental Revolving Commitments pursuant to this clause (d), the Borrower shall, after such time, repay and incur Revolving Loans ratably as between the Incremental Revolving Commitments and the Revolving Commitments outstanding immediately prior to such incurrence (and all Revolving Commitments and Revolving Loans shall constitute a single Class).

(e) Reallocation and Assignment on Closing Date. All parties to this Agreement agree that on the Closing Date, the Existing Loans will be reallocated and/or assigned in a manner between the Existing Lender and New Lenders as may be necessary to effect the Commitments of such Lenders set forth on Appendix A. For the avoidance of doubt, none of the foregoing reallocations or refinancing shall constitute a substitution or novation.

Section 2.2 Swingline Loans.

(a) Commitments. Subject to the terms and conditions set forth in this Agreement, the Swingline Lender may, in its sole discretion, in accordance with this Section 2.2, make Swingline Loans to the Borrower in Dollars, from time to time during the Revolver Availability Period, in an aggregate principal amount outstanding at any time *not to exceed* the Swingline Sublimit; provided, that, immediately *after* giving effect to the making of any Swingline Loan, in no event shall (i) the Total Revolving Outstandings *exceed* the Aggregate Revolving Commitments, and/or (ii) the Revolving Credit Exposure of any Lender *exceed* such Lender's Revolving Commitment. Amounts borrowed pursuant to this Section 2.2 may be repaid and reborrowed from time to time during the Revolver Availability Period. The Swingline Lender's Revolving Commitment shall expire on the Revolving Commitment Termination Date, and all Swingline Loans, and all other amounts owed under this Agreement with respect to the Swingline Loans

and the Revolving Commitments, shall be paid in full *no later than* the Revolving Commitment Termination Date.

(b) Borrowing Mechanics.

(i) Subject to clause (b)(vi) below, whenever the Borrower desires that the Swingline Lender make a Swingline Loan, the Borrower shall deliver to the Administrative Agent a Funding Notice by *no later than* 11:00 A.M. on the proposed Credit Date.

(ii) Subject to clause (b)(vi) below, the Swingline Lender shall make the amount of its Swingline Loan available to the Administrative Agent by *not later than* 3:00 P.M. on the applicable Credit Date by wire transfer or credit (as applicable) of same day funds in Dollars, at the Administrative Agent's Principal Office. Except as otherwise expressly provided in this Agreement, upon satisfaction or waiver of each applicable condition precedent to such Borrowing set forth in this Agreement, the Administrative Agent shall make the proceeds of such Swingline Loan available to the Borrower on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of such Swingline Loan received by the Administrative Agent from the Swingline Lender to be credited to the account of the Borrower at the Administrative Agent's Principal Office, or (via credit or wire transfer, as applicable) to such other account(s) as may be designated in writing to the Administrative Agent by the Borrower.

(iii) With respect to any Swingline Loans that have *not* been voluntarily prepaid by the Borrower pursuant to Section 2.11(a), the Swingline Lender may, at any time in its sole and absolute discretion, deliver to the Administrative Agent (with a copy to the Borrower), by *no later than* 11:00 A.M. on the day of the proposed Credit Date, a notice (which shall be deemed to be a Funding Notice given by the Borrower) requesting that each Lender holding a Revolving Commitment make Revolving Loans that are Base Rate Loans to the Borrower on such Credit Date in an amount equal to the outstanding principal amount, on the date such notice is given, of such Swingline Loan(s) (the "Refunded Swingline Loans") that the Swingline Lender requests that the Lenders prepay. Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document: (A) the proceeds of such Revolving Loans made by the Lenders, other than the Swingline Lender, shall be immediately delivered by the Administrative Agent to the Swingline Lender (and *not* to the Borrower) and applied to repay a corresponding portion of the Refunded Swingline Loans; and (B) on the day such Revolving Loans are made, the Swingline Lender's Revolving Commitment Percentage of the Refunded Swingline Loans shall be deemed to be paid with the proceeds of a Revolving Loan made by the Swingline Lender to the Borrower, and such portion of the Swingline Loans deemed to be so paid shall no longer be outstanding as Swingline Loans, but shall instead constitute part of the Swingline Lender's outstanding Revolving Loans to the Borrower for all purposes of this Agreement and the other Credit Documents. The Borrower hereby authorizes the Administrative Agent and the Swingline Lender to charge the Borrower's accounts with the Administrative Agent and the Swingline Lender (up to the amount available in each such account) in order to immediately pay the Swingline Lender the amount of the Refunded Swingline Loans, to the extent that the proceeds of such Revolving Loans made by the Lenders, including the Revolving Loans deemed to be made by the Swingline Lender, are insufficient to repay, in full, the Refunded Swingline Loans. If any portion of any such amount paid (or deemed to be paid) to the Swingline Lender should be recovered by, or on behalf of, the Borrower from the Swingline Lender in bankruptcy, by assignment for the benefit of creditors or otherwise, the loss of the amount so recovered shall be ratably shared among all Lenders in the manner contemplated by Section 2.14.

(iv) If, for any reason, Revolving Loans are *not* made pursuant to the foregoing clause (b)(iii) in an amount sufficient to repay any amounts owed to the Swingline Lender in respect of any outstanding Swingline Loans on or before the third (3rd) Business Day after demand for payment thereof by the Swingline Lender in accordance with the foregoing clause (b)(iii), each Lender holding a Revolving Commitment shall be deemed to have purchased, and hereby agrees to so purchase, a participation in such outstanding Swingline Loans in an amount equal to its Revolving Commitment Percentage of the applicable unpaid amount together with accrued interest thereon; provided, that, any such participation purchased (or deemed to have been purchased) by a Lender shall be limited to an amount that would *not* cause the Revolving Credit Exposure of such Lender (after giving effect to such participation) to *exceed* such Lender's Revolving Commitment. On the Business Day that notice is provided by the Swingline Lender (or by *no later than* 11:00 A.M. on the following Business Day, if such notice is provided *after* 2:00 P.M.), each Lender holding a Revolving Commitment shall deliver to the Swingline Lender an amount equal to its respective participation in the applicable unpaid amount, in same day funds at the Principal Office of the Swingline Lender. In order to evidence such participation, each Lender holding a Revolving Commitment agrees to enter into a participation agreement at the request of the Swingline Lender in form and substance reasonably satisfactory to the Swingline Lender. In the event that any Lender holding a Revolving Commitment fails to make available to the Swingline Lender the amount of such Lender's participation as provided in this clause (b)(iv), the Swingline Lender shall be entitled to recover such amount on demand from such Lender, together with interest thereon, for three (3) Business Days at the rate customarily used by the Swingline Lender for the correction of errors among banks, and thereafter, at the Base Rate, as applicable.

(v) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document: (A) each Lender's obligation to make Revolving Loans for the purpose of repaying any Refunded Swingline Loans pursuant to the foregoing clause (b)(iii), and each Lender's obligation to purchase a participation in any unpaid Swingline Loans pursuant to the foregoing clause (b)(iv), shall, in each case, be absolute and unconditional and shall *not* be affected by any circumstance or contingency, including (I) any set-off, counterclaim, recoupment, defense or other right that such Lender might, or otherwise would, have against the Swingline Lender, any Credit Party, or any other Person for any reason whatsoever, (II) the occurrence or continuation of a Default or Event of Default, (III) any adverse change(s) in the business, results of operations, financial condition, assets, liabilities, or prospects of any of the Credit Parties and/or Subsidiaries, (IV) any breach of this Agreement or any other Credit Document by any party hereto or thereto, or (V) any other circumstance, happening or event whatsoever, whether or *not* similar to any of the foregoing, provided, that, such obligations of each Lender are subject to the condition that the Swingline Lender has *not* received prior notice from the Borrower or the Required Lenders that any of the conditions under Section 5.2 to the making of the applicable Refunded Swingline Loans (or other unpaid Swingline Loans) were *not* satisfied at the time such Refunded Swingline Loans (or other unpaid Swingline Loans) were made; and (B) the Swingline Lender shall *not* be obligated to make any Swingline Loans (I) if it has elected *not* to do so after the occurrence and during the continuation of a Default or Event of Default, (II) if it does *not*, in good faith, believe that all conditions under Section 5.2 to the making of such Swingline Loan have been satisfied or waived by the Required Lenders, or (III) at a time when a Defaulting Lender exists, unless the Swingline Lender has entered into arrangements satisfactory to it and the Borrower to eliminate the Swingline Lender's risk with respect to the Defaulting Lender's participation in such Swingline Loan, including by Cash Collateralizing such Defaulting Lender's Revolving Commitment Percentage of the outstanding Swingline Loans in a manner reasonably satisfactory to the Swingline Lender and the Administrative Agent.

(vi) In order to facilitate the borrowing of Swingline Loans, the Borrower and the Swingline Lender may mutually agree to, and are hereby authorized to, enter into an auto-borrow agreement in form and substance reasonably satisfactory to each of the Swingline Lender and the Administrative Agent (the “Auto-Borrow Agreement”), providing for the automatic advance by the Swingline Lender of Swingline Loans under the conditions set forth in the Auto-Borrow Agreement, subject to the conditions set forth in this Agreement (other than with respect to minimum advance amounts and notice provisions for Borrowings of Swingline Loans, which shall be as provided in the Auto-Borrow Agreement). At any time that an Auto-Borrow Agreement is in effect, advances under the Auto-Borrow Agreement shall be deemed to be Swingline Loans for all purposes of this Agreement and the other Credit Documents. For purposes of determining the Total Revolving Outstandings at any time during which an Auto-Borrow Agreement is in effect, the Outstanding Amount of all Swingline Loans shall be deemed to be the *sum of* the Outstanding Amount of Swingline Loans at such time *plus* the maximum amount remaining available to be borrowed under such Auto-Borrow Agreement at such time.

Section 2.3 Letters of Credit.

(a) Generally. During the Revolver Availability Period, subject to the terms and conditions set forth in this Agreement, the Issuing Bank agrees to issue Letters of Credit for the account of the Borrower or for the benefit of any Subsidiary of the Borrower in an aggregate amount *not to exceed* the LC Sublimit, provided, that: (i) each Letter of Credit shall be denominated in Dollars; (ii) the stated amount of each Letter of Credit shall *not be less than* Fifty Thousand Dollars (\$50,000) (or such lesser amount as is acceptable to the Issuing Bank in its sole discretion); (iii) after giving effect to such issuance, in no event shall (A) the Total Revolving Outstandings *exceed* the Aggregate Revolving Commitments, (B) the Revolving Credit Exposure of any Lender *exceed* such Lender’s Revolving Commitment, and/or (C) the Outstanding Amount of LC Obligations *exceed* the LC Sublimit; and (iv) in no event shall any Letter of Credit have an expiration date that is *later than* the *earlier* to occur of (A) seven (7) calendar days *prior* to the Revolving Commitment Termination Date, and (B) the date that is one (1) year from the date of issuance of such Letter of Credit. Subject to the foregoing (other than the foregoing clause (a)(iv)), the Issuing Bank may agree that a Letter of Credit will automatically be extended for one (1) or more successive periods *not to exceed* one (1) year each, unless the Issuing Bank elects *not* to extend for any such additional period; provided, that, (A) the Issuing Bank shall *not* extend any such Letter of Credit if it has received written notice that a Default or Event of Default has occurred and is continuing at the time the Issuing Bank must elect to allow such extension, and (B) in the event that any Lender is, at such time, a Defaulting Lender, unless the Issuing Bank has entered into arrangements satisfactory to the Issuing Bank (in its sole discretion) with the Borrower or such Defaulting Lender to eliminate the Issuing Bank’s Fronting Exposure with respect to such Lender (after giving effect to Section 2.16(a)(iv) and any Cash Collateral provided by the Defaulting Lender), including by Cash Collateralizing such Defaulting Lender’s Revolving Commitment Percentage of the Outstanding Amount of the LC Obligations in a manner reasonably satisfactory to Agents, the Issuing Bank shall *not* be obligated to issue or extend any Letter of Credit under this Agreement. The Issuing Bank may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(b) Notice of Issuance. Whenever the Borrower desires the issuance of a Letter of Credit, the Borrower shall deliver to the Administrative Agent an Issuance Notice by *no later than* 1:00 P.M. on a date that is *at least* three (3) Business Days (or such shorter period as may be agreed to by the Issuing Bank in any particular instance in its sole discretion) *prior* to the proposed date of such issuance. Upon satisfaction or waiver of each of the applicable conditions set forth in Section 5.2, the Issuing Bank shall issue the requested Letter of Credit only in accordance the Issuing Bank’s standard operating procedures (including the delivery by the Borrower of such executed documents and information pertaining to such requested

Letter of Credit, including any Issuer Documents, as the Issuing Bank or the Administrative Agent may require). Upon the issuance of any Letter of Credit or amendment or modification to a Letter of Credit, the Issuing Bank shall promptly notify the Administrative Agent and each Lender of such issuance, which notice shall be accompanied by a copy of such Letter of Credit (or amendment or modification to a Letter of Credit) and the amount of such Lender's respective participation in such Letter of Credit pursuant to clause (e) below.

(c) Responsibility of Issuing Bank With Respect to Requests for Drawings and Payments. In determining whether to honor any drawing under any Letter of Credit by the beneficiary thereof, the Issuing Bank shall be responsible only to examine the documents delivered under such Letter of Credit with reasonable care so as to ascertain whether they appear on their face to be in accordance with the terms and conditions of such Letter of Credit. As between the Borrower and the Issuing Bank, the Borrower assumes all risks of the acts and omissions of, and/or misuse of the Letters of Credit issued by the Issuing Bank by, the respective beneficiaries of such Letters of Credit. In furtherance, and *not* in limitation, of the foregoing, the Issuing Bank shall *not* be responsible for:

(i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for, and/or issuance of, any Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged;

(ii) the validity or sufficiency of any instrument transferring or assigning, or purporting to transfer or assign, any such Letter of Credit, or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;

(iii) failure of the beneficiary of any such Letter of Credit to comply fully with any conditions required in order to draw upon such Letter of Credit;

(iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or *not* they be in cipher;

(v) errors in interpretation of technical terms;

(vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof;

(vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or

(viii) any consequences arising from causes beyond the control of the Issuing Bank, including any Governmental Acts;

and further, none of the above shall affect or impair, or prevent the vesting of, the Issuing Bank's rights or powers under this Agreement. Without limiting the foregoing and in furtherance thereof, any action taken, or omitted to be taken, by the Issuing Bank under, or in connection with, the Letters of Credit or any documents and/or certificates delivered thereunder, if taken or omitted in good faith, shall *not* give rise to any liability on the part of the Issuing Bank to any Credit Party or Subsidiary. Notwithstanding anything to the contrary contained in this clause (c), the Borrower shall retain any and all rights that it may have against the Issuing Bank for any liability arising *solely* out of the bad faith, gross negligence or willful misconduct of the Issuing Bank or the material breach by the Issuing Bank of its obligations under this Agreement, in

each case of the foregoing, as determined by a court of competent jurisdiction in a final, non-appealable order.

(d) Reimbursement by Borrower of Amounts Drawn or Paid Under Letters of Credit. In the event that the Issuing Bank has determined to honor a drawing under a Letter of Credit, it shall immediately notify the Borrower and the Administrative Agent, and the Borrower shall reimburse the Issuing Bank on or before the Business Day immediately following the date on which such drawing is honored (the “Reimbursement Date”) in an amount in Dollars and in same day funds equal to the amount of such honored drawing, provided, that: (i) notwithstanding anything to the contrary contained in this Agreement, (A) unless the Borrower shall have notified the Administrative Agent and the Issuing Bank, prior to 11:00 A.M. on the date such drawing is honored, that the Borrower intends to reimburse the Issuing Bank for the amount of such honored drawing with funds other than the proceeds of Revolving Loans, the Borrower shall be deemed to have given a timely Funding Notice to the Administrative Agent requesting that the Lenders make Revolving Loans that are Base Rate Loans on the Reimbursement Date in an amount in Dollars equal to the amount of such honored drawing, and (B) subject to the satisfaction or waiver of each of the applicable conditions specified in Section 5.2, the Lenders shall, on the Reimbursement Date, make Revolving Loans that are Base Rate Loans in the amount of such honored drawing, the proceeds of which shall be applied directly by the Administrative Agent to reimburse the Issuing Bank for the amount of such honored drawing; and (ii) if, for any reason, proceeds of Revolving Loans are *not* received by the Issuing Bank on the Reimbursement Date in an amount equal to the amount of such honored drawing, the Borrower shall reimburse the Issuing Bank, on demand, in an amount in same day funds equal to the *excess* of the amount of such honored drawing *over* the aggregate amount of such Revolving Loans, if any, which are so received. Nothing in this clause (d) shall be deemed to relieve any Lender from its obligation to make Revolving Loans on the terms and conditions set forth in this Agreement, and the Borrower shall retain any and all rights it may have against any Lender resulting from the failure of such Lender to make such Revolving Loans under this clause (d).

(e) Lenders’ Purchase of Participations in Letters of Credit. Immediately upon the issuance of each Letter of Credit, each Lender having a Revolving Commitment shall be deemed to have purchased, and hereby agrees to irrevocably purchase, from the Issuing Bank a participation in such Letter of Credit and any drawings honored thereunder in an amount equal to such Lender’s Revolving Commitment Percentage (with respect to the Revolving Commitments) of the maximum amount that is, or at any time may become, available to be drawn thereunder; provided, that, any such participation purchased by a Lender shall be limited to an amount that would *not* cause the Revolving Credit Exposure of such Lender (after giving effect to such participation) to *exceed* such Lender’s Revolving Commitment. In the event that the Borrower shall fail, for any reason, to reimburse the Issuing Bank as provided in the foregoing clause (d), the Issuing Bank shall promptly notify each Lender of the unreimbursed amount of such honored drawing and of such Lender’s respective participation therein based on such Lender’s Revolving Commitment Percentage. Each Lender shall make available to the Issuing Bank an amount equal to its respective participation, in Dollars and in same day funds, at the office of the Issuing Bank specified in such notice, by *not later than* 12:00 P.M. (noon) on the first (1st) Business Day (under the laws of the jurisdiction in which such office of the Issuing Bank is located) after the date notified by the Issuing Bank. In the event that any Lender fails to make available to the Issuing Bank on such Business Day the amount of such Lender’s participation in such Letter of Credit as provided in this clause (e), the Issuing Bank shall be entitled to recover such amount on demand from such Lender, together with interest thereon, for three (3) Business Days at the rate customarily used by the Issuing Bank for the correction of errors among banks, and thereafter, at the Base Rate. Nothing in this clause (e) shall be deemed to prejudice the right of any Lender to recover from the Issuing Bank any amounts made available by such Lender to the Issuing Bank pursuant to this Section 2.3 in the event that it is determined that the payment with respect to a Letter of Credit in respect of which payment was made by such Lender constituted bad faith, gross negligence or willful misconduct on the part of the Issuing Bank or a material breach by the Issuing Bank of its obligations

under this Agreement, in each case of the foregoing, as determined by a court of competent jurisdiction in a final, non-appealable order. In the event that the Issuing Bank shall have been reimbursed by other Lenders pursuant to this clause (e) for all, or any portion, of any drawing honored by the Issuing Bank under a Letter of Credit, the Issuing Bank shall distribute to each Lender that has paid all amounts payable by it under this clause (e) with respect to such honored drawing such Lender's Revolving Commitment Percentage of all payments subsequently received by the Issuing Bank from the Borrower in reimbursement of such honored drawing when such payments are received. Any such distribution shall be made to a Lender at its primary address set forth below its name on Appendix B (or at such other address as such Lender may request in writing in accordance with this Agreement).

(f) Obligations Absolute. The obligation of the Borrower to reimburse the Issuing Bank for drawings honored under the Letters of Credit issued by it, and to repay any Revolving Loans made by the Lenders pursuant to the foregoing clause (d) and the obligations of the Lenders under the foregoing clause (e), shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including any of the following circumstances:

(i) any lack of validity or enforceability of any Letter of Credit;

(ii) the existence of any claim, set-off, defense (other than that such drawing has been repaid) or other right that the Borrower or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the Issuing Bank, a Lender or any other Person or, in the case of a Lender, against the Borrower, whether in connection herewith, the Related Transactions or any unrelated transaction (including any underlying transaction between any Credit Party or Subsidiary, on the one hand, and the beneficiary for which any Letter of Credit was procured, on the other hand);

(iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect, or any statement therein being untrue or inaccurate in any respect;

(iv) payment by the Issuing Bank under any Letter of Credit against presentation of a draft or other document that does *not* substantially comply with the terms of such Letter of Credit;

(v) any adverse change(s) in the business, results of operations, financial condition, assets, liabilities, or prospects of any of the Credit Parties and/or Subsidiaries;

(vi) any breach of this Agreement or any other Credit Document by any party hereto or thereto;

(vii) any other circumstance or happening whatsoever, whether or *not* similar to any of the foregoing; or

(viii) the fact that a Default or Event of Default shall have occurred and be continuing;

provided, that, in each case of the foregoing, payment by the Issuing Bank under the applicable Letter of Credit shall *not* have constituted bad faith, gross negligence or willful misconduct on part of the Issuing Bank, or a material breach by the Issuing Bank of its obligations under this Agreement, under the circumstances in question, in each case of the foregoing, as determined by a court of competent jurisdiction in a final, non-appealable order.

(g) Indemnification. Without duplication of any obligation of the Credit Parties under Section 11.2, in addition to amounts payable as provided herein, each of the Credit Parties hereby agrees, on a joint and several basis, to protect, indemnify, pay and save harmless the Issuing Bank from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including the reasonable and documented fees, out-of-pocket expenses, charges and disbursements of outside counsel to the Issuing Bank and the reasonable and documented allocated costs and out-of-pocket expenses of in-house counsel for the Issuing Bank) that the Issuing Bank may incur, or be subject to, as a consequence, direct or indirect, of: (i) the issuance of any Letter of Credit by the Issuing Bank or dishonor by the Issuing Bank of a demand for payment under any Letter of Credit issued by it, other than as a result of the bad faith, gross negligence or willful misconduct of the Issuing Bank or the material breach by the Issuing Bank of its obligations under this Agreement, in each case of the foregoing, as determined by a court of competent jurisdiction in a final, non-appealable order, or (ii) the failure of the Issuing Bank to honor a drawing under any such Letter of Credit as a result of any Governmental Act.

(h) Applicability of ISP. Unless otherwise expressly agreed by the Issuing Bank and the Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding under this Agreement is in support of any obligations of, or is for the account of, any Credit Party or Subsidiary other than the Borrower, the Borrower shall be obligated to reimburse the Issuing Bank hereunder for all LC Disbursements and to otherwise perform all obligations hereunder in respect of such Letter of Credit as if it had been issued for the account of the Borrower. The Borrower hereby acknowledges and agrees that the issuance of any Letters of Credit for the account of any other Credit Party or Subsidiary shall inure to the benefit of the Borrower, and further, that, the Borrower's business derives substantial benefits from the businesses of such other Credit Parties and Subsidiaries.

(j) Conflict with Issuer Documents. In the event of any conflict between the terms of this Agreement and the terms of any Issuer Document, the terms of this Agreement shall control.

Section 2.4 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All Loans shall be made, and all participations purchased, by the Lenders simultaneously and proportionately to their respective Pro Rata Shares of the applicable Commitments, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested under this Agreement or to purchase a participation required hereby, nor shall any Revolving Commitment or Term Loan Commitment, or the portion of the aggregate outstanding principal amount of the Revolving Loans or Term Loans, of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested under this Agreement or to purchase a participation required hereby.

(b) Availability of Funds.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender *prior* to the proposed Credit Date for any Borrowing (or, in the case of any Borrowing of Base Rate Loans, *prior* to 12:00 P.M. (noon) on the date of such Borrowing) that such Lender will *not* make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.1(c) or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with, and at the time required by, Section 2.1(c), and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has *not* in fact made

its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent, forthwith on demand, such corresponding amount in immediately available funds with interest thereon, for each day from, and including, the date on which such amount is made available to the Borrower to, but *excluding*, the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the *greater of* the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (B) in the case of a payment to be made by the Borrower, at the interest rate specified for each Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, then the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim that the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower *prior* to the date on which any payment is due to the Administrative Agent, for the account of the Lenders or the Issuing Bank, under this Agreement that the Borrower will *not* make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance with this Agreement and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has *not* in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Issuing Bank, in immediately available funds with interest thereon, for each day from, and including, the date such amount is distributed to it to, but *excluding*, the date of payment to the Administrative Agent, at the *greater of* the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Notices given by the Administrative Agent under this clause (b) shall be conclusive and binding absent manifest error.

Section 2.5 Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of each Credit Party to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrower, absent manifest error; provided, that, (i) the failure to make any such recordation, or any error in such recordation, shall *not* affect any Lender's Commitment or the Borrower's obligations in respect of any applicable Loans, and (ii) in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern in the absence of demonstrable error therein.

(b) Notes. The Borrower shall execute and deliver to (i) each Lender on the Closing Date, (ii) each Person who is a permitted assignee of any Lender after the Closing Date pursuant to Section 11.5, and (iii) each Person who becomes a Lender after the Closing Date in accordance with Section 2.1(d) or pursuant to an amendment to this Agreement, in each case of the foregoing clauses (b)(i) through (b)(iii), to the extent requested by such Person, a Note evidencing such Person's portion of the Revolving Loans, Swingline Loans and/or Term Loans, as applicable.

Section 2.6 Scheduled Principal Payments.

(a) Revolving Loans; Swingline Loans. The outstanding principal amount of: (i) all Revolving Loans shall be due and payable (together with all accrued and unpaid interest thereon), in full, on the Revolving Commitment Termination Date; and (ii) all Swingline Loans shall be due and payable (together with all accrued and unpaid interest thereon), in full, on the *earlier* to occur of (A) the date of demand therefor by the Swingline Lender, and (B) the Revolving Commitment Termination Date.

(b) Term Loan A. The Borrower unconditionally promises to pay to the Administrative Agent, for the account of each Lender, the then unpaid principal amount of the Term Loan A of such Lender in installments payable on the dates set forth in the table immediately below, with each such installment being in the aggregate principal amount (as such installment may be adjusted as a result of prepayments made pursuant to Section 2.11) for all Lenders set forth opposite such date in the table immediately below (and on such other date(s), and in such other amount(s), as may be required from time to time pursuant to this Agreement):

<u>Installment Date</u>	<u>Aggregate Principal Amount (\$)</u>
The last Business Day of each Fiscal Quarter, commencing with the first (1 st) full Fiscal Quarter ending after the Closing Date	\$1,000,000.00

provided, that, to the extent *not* previously paid, the aggregate unpaid principal balance of the Term Loan A, together with any unpaid interest and fees, shall be due and payable on the Maturity Date for the Term Loan A.

(c) Delayed Draw Term Loans. The Borrower unconditionally promises to pay to the Administrative Agent, for the account of each Lender, the then unpaid principal amount of each Delayed Draw Term Loan made by such Lender during the DDTL Availability Period in installments payable on the dates, with respect to such Delayed Draw Term Loan, set forth in the table immediately below, with each such installment being in the aggregate principal amount (as such installment may be adjusted as a result of prepayments made pursuant to Section 2.11) for all Lenders set forth opposite such date in the table immediately below (and on such other date(s), and in such other amount(s), as may be required from time to time pursuant to this Agreement):

<u>Installment Date</u>	<u>Aggregate Principal Amount (\$)</u>
The last Business Day of each Fiscal Quarter from, and <i>including</i> , the first (1 st) full Fiscal Quarter ending after the date on which the applicable Delayed Draw Term Loan is made during the DDTL Availability Period to, and <i>including</i> , the last Fiscal Quarter ending <i>prior</i> to the Maturity Date for the Delayed Draw Term Loans.	The DDTL Amortization Payment Amount with respect to such Delayed Draw Term Loan

provided, that, to the extent *not* previously paid, the aggregate unpaid principal balance of each Delayed Draw Term Loan shall be due and payable on the Maturity Date.

(d) Incremental Term Loans. The outstanding principal amount of each Incremental Term Loan shall be repayable as provided in the applicable Incremental Facility Agreement establishing such Incremental Term Loan. Amounts repaid on any Incremental Term Loan may *not* be reborrowed.

Section 2.7 Interest on Loans.

(a) Except as otherwise set forth in this Agreement, each Loan shall bear interest on the unpaid principal amount thereof from, and including, the date on which such Loan is made through, and including, the date of repayment in full (whether by acceleration or otherwise) thereof, as follows:

(i) in the case of any Revolving Loans or Term Loans (other than any Incremental Term Loans), if such Loan is outstanding as:

(A) a Base Rate Loan, at the Base Rate *plus* the Applicable Margin; or

(B) a SOFR Loan, at Term SOFR for the applicable Interest Period *plus* the Applicable Margin; and

(ii) in the case of any Swingline Loans, at the Base Rate *plus* the Applicable Margin applicable to Base Rate Loans (or, with respect to any Swingline Loan advanced pursuant to an Auto-Borrow Agreement, at such other rate as separately agreed in writing between the Borrower and the Swingline Lender); and

(iii) in the case of any Incremental Term Loans, at the percentages per annum specified in the Incremental Facility Agreement establishing such Incremental Term Loan.

(b) The Class and Type for any requested Borrowing of Loans or any requested continuation or conversion of outstanding Loans, and the applicable Interest Period in respect of any requested Borrowing of, or continuation of or conversion to, SOFR Loans, in each case of the foregoing, shall be selected by the Borrower and notified to the Administrative Agent and the Lenders pursuant to the applicable Funding Notice or Conversion / Continuation Notice, as the case may be, delivered in connection therewith in accordance with this Agreement; provided, that, (i) no Borrowing may be converted into, or continued as, a SOFR Borrowing if a Default or an Event of Default then exists or would result therefrom, unless the Administrative Agent and each of the Lenders shall have otherwise consented in writing, (ii) subject to the foregoing clause (b)(i), if, at expiration of any Interest Period in respect of any SOFR Loan, the Borrower shall have failed to deliver a Conversion / Continuation Notice, then the Borrower shall be deemed to have elected to continue such Loan as a SOFR Loan with an Interest Period of one (1) month, (iii) there shall be *no more than* eight (8) Interest Periods in effect at any time with respect to all outstanding SOFR Loans, taken together, (iv) if any Funding Notice or any Conversion / Continuation Notice requests a SOFR Borrowing or a conversion to, or continuation of, outstanding SOFR Loans (as applicable) but does *not* specify an Interest Period in respect of such SOFR Loans, then the Borrower shall be deemed to have selected an Interest Period of one (1) month, and (v) in the event that the Borrower fails to specify the Type of a requested Borrowing, conversion or continuation in an applicable Funding Notice or Conversion / Continuation Notice, then (A) any such requested Borrowing shall be a Base Rate Borrowing, (B) any outstanding Base Rate Loans relating thereto shall continue to remain outstanding as Base Rate Loans, and (C) any outstanding SOFR Loans relating thereto shall be automatically continued as SOFR Loans with an Interest Period of one (1) month. As soon as practicable, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate

that shall apply to each of the SOFR Loans for which an interest rate is then being determined (and for the applicable Interest Period) and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrower and each Lender.

(c) Interest payable pursuant to this Section 2.7 shall be computed on the basis of, (i) for interest at the Base Rate (including, for the avoidance of doubt, the Base Rate determined by reference to clause (c) of the definition of “*Base Rate*” in Section 1.1), year of three-hundred sixty-five (365) or three-hundred sixty-six (366) calendar days, as the case may be, and (ii) for all other computations of fees and interest, a year of three-hundred sixty (360) calendar days, in each case of the foregoing clauses (c)(i) and (c)(ii), for the actual number of calendar days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first (1st) day of an Interest Period applicable to such Loan, or, with respect to a Base Rate Loan being converted from a SOFR Loan, the date of conversion of such outstanding SOFR Loan to a Base Rate Loan, as the case may be, shall be *included*, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan, or, with respect to a Base Rate Loan being converted to a SOFR Loan, the date of conversion of such outstanding Base Rate Loan to a SOFR Loan, as the case may be, shall be *excluded*; provided, that, notwithstanding anything to the contrary in the foregoing, if any Loan is repaid on the same day on which it is made, then one (1) day’s interest shall be paid on that Loan.

(d) If, as a result of any restatement of, or other adjustment to, the financial statements of the Credit Parties and Subsidiaries or for any other reason, the Borrower or the Lenders determine that (i) the Consolidated Total Leverage Ratio, as calculated by the Borrower as of any applicable date, was inaccurate, and (ii) a proper calculation of the Consolidated Total Leverage Ratio would have resulted in *higher* pricing for such period, then the Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent, for the account of the Lenders, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Credit Party or Subsidiary under the Bankruptcy Code or other Debtor Relief Law, automatically and without further action by the Administrative Agent or any Lender), an amount equal to the *excess* of the amount of interest and fees that should have been paid for such period *over* the amount of interest and fees actually paid for such period. This clause (d) shall *not* limit the rights of the Administrative Agent, the Collateral Agent, the Issuing Bank or any Lender, as the case may be, under any other provision of this Agreement or any other Credit Document. The Borrower’s obligations under this clause (d) shall survive the Payment in Full of the Obligations.

(e) Except as otherwise expressly set forth in this Agreement, interest on each Loan shall accrue on a daily basis and shall be payable in arrears on and to: (i) each Interest Payment Date applicable to such Loan; (ii) upon any prepayment of such Loan (other than a voluntary prepayment of a Revolving Loan, which interest shall be payable in accordance with the foregoing clause (e)(i)), to the extent accrued on the amount being prepaid; and (iii) on the Revolving Commitment Termination Date or the Maturity Date (as applicable).

(f) The Borrower agrees to pay to the Issuing Bank, with respect to drawings honored under any Letter of Credit issued by the Issuing Bank, interest on the amount paid by the Issuing Bank in respect of each such honored drawing from, and including, the date such drawing is honored to, but *excluding*, the date such amount is reimbursed by, or on behalf of, the Borrower, at a rate equal to: (i) for the period from, and including, the date such drawing is honored to, but *excluding*, the applicable Reimbursement Date, the rate of interest otherwise payable under this Agreement with respect to Revolving Loans that are Base Rate Loans; and (ii) thereafter, a rate that is the *lesser* of (A) two percent (2.00%) per annum in *excess* of the rate of interest otherwise payable under this Agreement with respect to Revolving Loans that are Base Rate Loans, and (B) the Highest Lawful Rate.

(g) Interest payable pursuant to the foregoing clause (f) shall be computed on the basis of a year of three-hundred sixty-five (365) or three-hundred sixty-six (366) calendar days, as the case may be, for the actual number of days elapsed in the period during which it accrues, and shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full. Promptly upon receipt by the Issuing Bank of any payment of interest pursuant to the foregoing clause (f), the Issuing Bank shall distribute to each Lender, out of the interest received by the Issuing Bank in respect of the period from the date such drawing is honored to, but *excluding*, the date on which the Issuing Bank is reimbursed for the amount of such drawing (including any such reimbursement out of the proceeds of any Revolving Loans), the amount that such Lender would have been entitled to receive in respect of the Letter of Credit Fee that would have been payable in respect of such Letter of Credit for such period if no drawing had been honored under such Letter of Credit. In the event that the Issuing Bank shall have been reimbursed by the Lenders for all, or any portion, of such honored drawing, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under Section 2.3(e) with respect to such honored drawing such Lender's Revolving Commitment Percentage of any interest received by the Issuing Bank in respect of that portion of such honored drawing so reimbursed by the Lenders for the period from, and including, the date on which the Issuing Bank was so reimbursed by the Lenders to, but *excluding*, the date on which such portion of such honored drawing is reimbursed by the Borrower.

(h) In connection with the use and/or administration of SOFR, the SOFR Reference Rate (for any applicable tenor) and/or any SOFR-Based Rate, the Administrative Agent shall have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary in this Agreement or in any other Credit Document, any amendment(s) implementing any such Conforming Changes shall become effective without any further action(s) and/or consent(s) of any other party to this Agreement or any other Credit Document or of any other Person. The Administrative Agent shall promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes implemented in connection with the use and/or administration of SOFR, the SOFR Reference Rate (for any applicable tenor) and/or any SOFR-Based Rate.

Section 2.8 Conversion / Continuation.

(a) So long as no Default or Event of Default shall have occurred and be continuing or would result therefrom (unless the Administrative Agent and each of the Lenders shall have otherwise consented in writing), the Borrower shall have the option:

(i) to convert, at any time, all, or any part, of any outstanding Loan, in a minimum amount of One-Hundred Thousand Dollars (\$100,000) or, if greater, an integral multiple of Fifty Thousand Dollars (\$50,000) in excess thereof, from one (1) Type of Loan to another Type of Loan; provided, that, a SOFR Loan may *only* be converted on the expiration of the then-current Interest Period applicable to such SOFR Loan, unless the Borrower shall pay all amounts due under Section 3.1(c) in connection with any such conversion; or

(ii) upon the expiration of any then-current Interest Period applicable to any SOFR Loan, to continue all, or any portion, of such Loan as a SOFR Loan;

in each case of the foregoing, subject to any restrictions on conversions and/or continuations of outstanding Loans set forth in Section 2.7(b).

(b) The Borrower shall deliver a Conversion / Continuation Notice to the Administrative Agent by *no later than 1:00 P.M. at least three (3) Business Days* in advance of the proposed Conversion / Continuation Date. Except as otherwise expressly provided in this Agreement, a Conversion / Continuation Notice for a conversion of outstanding Loans to, or a continuation of outstanding Loans as, SOFR Loans

(or any telephonic notice in lieu thereof) shall be irrevocable on and after the related Periodic Term SOFR Determination Date and the Borrower shall be bound to effect a conversion or continuation in accordance therewith.

Section 2.9 Default Rate of Interest.

(a) Upon the occurrence and during the continuance of (i) a Specified Event of Default, automatically, and (ii) any Event of Default other than a Specified Event of Default, at the election of the Administrative Agent or Required Lenders, in any such case of the foregoing clauses (a)(i) and (a)(ii), the Borrower shall pay interest on the aggregate amount of all outstanding Obligations under this Agreement and the other Credit Documents, at a fluctuating interest rate per annum at all times equal to the Default Rate, to the fullest extent permitted by Applicable Laws.

(b) Interest accrued at the Default Rate shall be due and payable upon demand.

(c) With respect to any outstanding SOFR Loan at the time an imposition of the Default Rate in accordance with the foregoing clause (a) becomes effective, upon the expiration of the applicable Interest Period then in effect for such SOFR Loan, such SOFR Loan shall thereupon automatically be converted to a Base Rate Loan and shall thereafter bear interest at the Default Rate of interest then in effect for Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.9 is *not* a permitted alternative to timely payment, and shall *not* constitute a waiver of any Default or Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, the Collateral Agent or any of the Lenders.

Section 2.10 Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent, for the account of each Lender in accordance with its Revolving Commitment Percentage, a commitment fee (the “Revolver Commitment Fee”) equal to the Applicable Margin of the actual daily amount by which the Aggregate Revolving Commitment Amount *exceeds* the Total Revolving Outstandings, subject to adjustment(s) as provided in Section 2.16. The Revolver Commitment Fee shall accrue at all times during the Revolver Availability Period (including at any time when one (1) or more of the conditions set forth in Section 5.2 is *not* satisfied) and shall be calculated, and shall be due and payable, quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first (1st) such date to occur after the Closing Date, and on the Revolving Commitment Termination Date; provided, that, (i) no Revolver Commitment Fee shall accrue on any Revolving Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting Lender, and (ii) any Revolver Commitment Fee accrued with respect to the Revolving Commitment of a Defaulting Lender during the period *prior* to the time such Lender became a Defaulting Lender that is unpaid shall *not* be payable by the Borrower so long as such Lender shall be a Defaulting Lender. In the event that there is any change in the Applicable Margin during any quarter, the actual daily amount of the Revolver Commitment Fee shall be computed and *multiplied by* the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect. For purposes of calculation of the Revolver Commitment Fee: (A) issued and outstanding Letters of Credit shall count toward, and shall be considered utilization of, the Aggregate Revolving Commitments; and (B) Swingline Loans shall *not* count toward, or be considered utilization of, the Aggregate Revolving Commitments.

(b) Letter of Credit Fees.

(i) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent, for the account of each Lender in accordance with its Revolving Commitment Percentage, a Letter of

Credit fee in respect of each Letter of Credit issued and outstanding from time to time in an amount equal to the *product of* (A) the Applicable Margin, *multiplied by* (B) the daily maximum amount available to be drawn under such Letter of Credit (collectively, the “Letter of Credit Fees”). For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.4(b). The Letter of Credit Fees shall be computed on a quarterly basis in arrears and shall be due and payable on the last Business Day of each March, June, September and December, commencing with the first (1st) such date to occur after the date of issuance of such Letter of Credit, on the expiration date thereof, and thereafter on demand; provided, that, (I) no Letter of Credit Fees shall accrue in favor of any Defaulting Lender so long as such Lender shall be a Defaulting Lender, and (II) any Letter of Credit Fees accrued in favor of a Defaulting Lender during the period *prior* to the time such Lender became a Defaulting Lender that are unpaid shall *not* be payable by the Borrower so long as such Lender shall be a Defaulting Lender. In the event that there is any change in the Applicable Margin during any quarter, the daily maximum amount available to be drawn under each Letter of Credit shall be computed and *multiplied by* the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect. Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, upon the occurrence and during the continuance of (1) a Specified Event of Default, automatically, and (2) any Event of Default other than a Specified Event of Default, at the election of the Required Lenders, in any such case of the foregoing clauses (b)(i)(1) and (b)(i)(2), all Letter of Credit Fees shall accrue at the Default Rate, to the fullest extent permitted by Applicable Laws.

(ii) Fronting Fee; Documentation and Processing Fees. The Borrower shall pay directly to the Issuing Bank, for its own account and *not* for sharing, a fronting fee with respect to each Letter of Credit at a rate per annum of one-eighth of one percent (0.125%), computed on the daily amount available to be drawn under such Letter of Credit on a quarterly basis. Such fronting fee(s) shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December in respect of the most recently-ended quarterly period (or portion thereof), commencing with the first (1st) such date to occur after the date of issuance of such Letter of Credit, on its expiration date, and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.4(b). In addition, the Borrower shall pay, directly to the Issuing Bank, for its own account and *not* for sharing, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the Issuing Bank relating to any Letters of Credit issued by it as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are non-refundable.

(c) DDTL Ticking Fee. The Borrower shall pay to the Administrative Agent, for the account of each Lender (that is not a Defaulting Lender) in accordance with its DDTL Commitment Percentage, a ticking fee (the “DDTL Ticking Fee”) in an amount equal to the *product of* (A) the Applicable Margin *multiplied by* (B) the actual daily amount of the Aggregate DDTL Commitment, subject to adjustment(s) as provided in Section 2.16. The DDTL Ticking Fee shall accrue at all times during the DDTL Availability Period (including, without limitation, at any time when one or more of the conditions set forth in Section 5.2 and/or Section 5.3 is *not* satisfied) and shall be calculated, and shall be due and payable, quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first (1st) such date to occur after the Closing Date, and on the DDTL Commitment Termination Date; provided, that, (i) no DDTL Ticking Fee shall accrue on any DDTL Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting Lender, and (ii) any DDTL Ticking Fee accrued with respect to the DDTL Commitment of a Defaulting Lender during the period *prior* to the time such Lender became a Defaulting Lender that is unpaid shall *not* be payable by the Borrower so long as such Lender shall be a Defaulting Lender. In the event that there is any change in the Applicable Margin during any quarter, the actual daily

amount of the DDTL Ticking Fee shall be computed and *multiplied* by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect.

(d) Other Fees. The Borrower shall pay, (i) on the Closing Date to Regions, RCM, the Administrative Agent, the Collateral Agent and/or any of their respective Affiliates (as applicable), all fees in the Original Fee Letter (including, for the avoidance of doubt, any upfront fees payable to Regions, RCM, the Administrative Agent and/or the Collateral Agent for the account of any Lender) that are due and payable on the Closing Date, (ii) on the Second Amendment Effective Date to Regions, RCM, the Administrative Agent, the Collateral Agent and/or any of their respective Affiliates (as applicable), all fees in the Second Amendment Effective Date Fee Letter (including, for the avoidance of doubt, any upfront fees and/or consent fees payable to Regions, RCM, the Administrative Agent and/or the Collateral Agent for the account of any Lender) that are due and payable on the Second Amendment Effective Date, and (iii) on the Third Amendment Effective Date to Regions, RCM, the Administrative Agent, the Collateral Agent and/or any of their respective Affiliates (as applicable), all fees in the Third Amendment Effective Date Fee Letter (including, for the avoidance of doubt, any upfront fees payable to Regions, RCM, the Administrative Agent and/or the Collateral Agent for the account of any Lender) that are due and payable on the Third Amendment Effective Date. Such fees shall be fully earned when paid and shall *not* be refundable for any reason whatsoever.

Section 2.11 Prepayments / Commitment Reductions.

(a) Voluntary Prepayments.

(i) Any time and from time to time, the Loans may be repaid, in whole or in part without premium or penalty (subject to Section 3.1(c)), as follows:

(A) with respect to any Base Rate Loans, the Borrower may prepay such Loans on any Business Day, in whole or in part, in an aggregate minimum amount of Five-Hundred Thousand Dollars (\$500,000) and, if greater, in an integral multiple of One-Hundred Thousand Dollars (\$100,000) in excess thereof;

(B) with respect to any SOFR Loans, the Borrower may prepay such Loans on any Business Day, in whole or in part (together with any amounts due pursuant to Section 3.1(c)), in an aggregate minimum amount of Five-Hundred Thousand Dollars (\$500,000) and, if greater, in an integral multiple of One-Hundred Thousand Dollars (\$100,000) in excess thereof; and

(C) with respect to any Swingline Loans, the Borrower may prepay such Loans on any Business Day, in whole or in part, in any reasonable amount;

(ii) All prepayments of outstanding Loans, in whole or in part, in accordance with the foregoing clause (a) shall be made:

(A) upon written notice on the date of such prepayment, in the case of prepayments of Base Rate Loans or Swingline Loans; and

(B) upon *not less than* three (3) Business Days' prior written notice, in the case of prepayments of SOFR Loans;

given to the Administrative Agent or the Swingline Lender (as the case may be) by *no later than* 11:00 A.M. on the date so required (provided, that, any such notice may first be given by such time

by telephone, and then, promptly confirmed in writing by the Borrower), whereupon the Administrative Agent shall promptly transmit such notice to each applicable Lender. Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section 2.12(a).

(b) Commitment Reductions.

(i) The Borrower may, from time to time upon *not less than* three (3) Business Days' prior written notice (provided, that, any such notice may first be given by telephone, and then, promptly confirmed in writing by the Borrower) (which notice shall be promptly transmitted to each applicable Lender by the Administrative Agent), at any time and from time to time, terminate in whole, or permanently reduce in part, any specified Class of Commitments then in effect (in any such case, ratably among the Lenders holding the applicable Commitment); provided, that, (A) any such partial reduction of the aggregate Commitments of any specified Class shall be in an aggregate minimum amount of Five-Hundred Thousand Dollars (\$500,000) and, if greater, in an integral multiple of One-Hundred Thousand Dollars (\$100,000) in excess thereof, (B) the Borrower shall *not* terminate or reduce the Aggregate Revolving Commitments if, immediately *after* giving effect thereto and to any substantially concurrent prepayments, in whole or in part, of outstanding Loans, the aggregate Total Revolving Outstandings *exceed* the Aggregate Revolving Commitments, and (C) if, immediately *after* giving effect to any reduction of the Aggregate Revolving Commitments, the LC Sublimit and/or the Swingline Sublimit would *exceed* the Aggregate Revolving Commitment Amount, then the LC Sublimit and/or the Swingline Sublimit (as applicable) shall be automatically and irrevocably reduced by the amount of such excess.

(ii) The notice delivered by the Borrower to the Administrative Agent in respect of any such termination or reduction of the aggregate Commitments of any specified Class pursuant to this clause (b) shall, in any event, set forth the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and any such termination or reduction delivered in accordance with this clause (b) shall become effective on the date specified in such notice and shall reduce the Commitment of such specified Class of each Lender proportionately.

(iii) The Term Loan A Commitments shall terminate on the Closing Date upon the making of the Term Loan A on the Closing Date pursuant to Section 2.1(b)(i). The DDTL Commitments shall: (A) be automatically reduced, on a Dollar-for-Dollar basis, by the original principal amount of each Delayed Draw Term Loan funded during the DDTL Availability Period at the time such advance is made; and (B) terminate automatically on the DDTL Commitment Termination Date.

(c) Mandatory Prepayments.

(i) Revolving Commitments. If, at any time, (A) the Total Revolving Outstandings shall *exceed* the Aggregate Revolving Commitment Amount, (B) the Outstanding Amount of all LC Obligations shall *exceed* the LC Sublimit, or (C) the Outstanding Amount of all Swingline Loans shall *exceed* the Swingline Sublimit, then, in each case of the foregoing clauses (~~c~~)(~~i~~)(A) through (~~c~~)(~~i~~)(C), the Borrower shall immediately prepay the Revolving Obligations in accordance with Section 2.12 in an amount equal to one-hundred percent (100.0%) of such excess; provided, that, except with respect to the foregoing clause (c)(i)(B), LC Obligations shall *not* be required to be Cash Collateralized under this Agreement until the Revolving Loans and Swingline Loans shall have been Paid in Full.

(ii) Asset Sales; Involuntary Dispositions. Within two (2) Business Days of the receipt by any Credit Party or any Subsidiary of the Net Cash Proceeds of any Asset Sale or Involuntary Disposition, the Borrower shall prepay the Obligations in accordance with Section 2.12 in an amount equal to one-hundred percent (100.0%) of such Net Cash Proceeds; provided, that, so long as no Event of Default shall have occurred and be continuing, such Net Cash Proceeds shall *not* be required to be so applied in prepayment of the Obligations (i) until the aggregate amount of the Net Cash Proceeds from (A) such Asset Sale or Involuntary Disposition (or series of related Asset Sales or Involuntary Dispositions), taken individually, is in *excess* of Two-Hundred Thousand Dollars (\$200,000) or (B) all Asset Sales and/or Involuntary Dispositions during the term of this Agreement, taken together, are in *excess* of Five-Hundred Thousand Dollars (\$500,000), and (ii) to the extent that such Net Cash Proceeds are actually reinvested in tangible Property used or useful in the business of the Credit Parties (but *excluding* any “current assets” in accordance with GAAP) within one-hundred eighty (180) calendar days *after* the date of receipt of such Net Cash Proceeds, provided, that, any funds that are committed to be reinvested pursuant to a legally binding commitment entered into by the Borrower or any of its Subsidiaries during the initial one-hundred eighty (180) days after the date of receipt of such Net Cash Proceeds but the reinvestment has not yet occurred by the end of such period, the Borrower and its Subsidiaries shall have an additional one-hundred eighty (180) day period to consummate such reinvestment; provided, further, that if such Net Cash Proceeds shall *not* have been so timely reinvested, then such prepayment shall be due immediately upon the expiration of such applicable period. Notwithstanding anything to the contrary in the foregoing of this clause (c)(ii), no prepayments will be required to be made on the Obligations with respect to the receipt of Net Cash Proceeds from (x) the sale by any Regulated Entity of any Property owned by such Regulated Entity or (y) Asset Sales pursuant to Section 8.9(g) to the extent the Acquisition or Permitted Investment in which the Intellectual Property was acquired was (I) not financed with Loans under this Agreement and (I) consummated after the Closing Date.

(iii) Debt Transactions. Within one (1) Business Day of receipt by any Credit Party or any Subsidiary of any Net Cash Proceeds of any Debt Transaction, the Borrower shall prepay the Obligations in accordance with Section 2.12 in an amount equal to one hundred percent (100.0%) of such Net Cash Proceeds.

Section 2.12 Application of Prepayments. Within each Class of Loans, prepayments of Loans of that Class will be applied, (A) *first*, to Base Rate Loans, and (B) *then*, to SOFR Loans on a *pro rata* basis. In addition:

(a) Voluntary Prepayments. Voluntary prepayments of Loans made in accordance with Section 2.11(a) shall be applied as specified in writing by the Borrower; provided, that, in the case of prepayments of the Term Loans: (i) the prepayment shall be applied on a *pro rata basis* among the Term Loans then outstanding; and (ii) further, the prepayments shall be applied to the remaining principal installments thereof (including the final principal installment thereof due on the applicable Maturity Date) on a *pro rata* basis in direct forward order of maturity.

(b) Mandatory Prepayments. Mandatory prepayments of Loans made in accordance with Section 2.11(c) shall be applied as follows:

(i) mandatory prepayments pursuant to Section 2.11(c)(i) shall be applied to the respective Revolving Obligations, as appropriate, but without a permanent reduction thereof; and

(ii) mandatory prepayments pursuant to Section 2.11(c) other than pursuant to Section 2.11(c)(i) shall, in each case, be applied as follows: (A) *first*, ratably to the Term Loans then

outstanding, and, in respect of each such Term Loan, to the remaining principal installments thereof (including the final principal installment thereof due on the applicable Maturity Date) on a *pro rata* basis, until the Term Loans have been Paid in Full; (B) then, ratably to the outstanding principal amounts of Swingline Loans (if any), until the Swingline Loans have been Paid in Full (without a permanent reduction of the Swingline Sublimit); (C) then, ratably to the outstanding principal amounts of Revolving Loans (other than Swingline Loans) (if any), until such Revolving Loans have been Paid in Full (without a permanent reduction of the Aggregate Revolving Commitments); and (D) then, to Cash Collateralize any issued and outstanding Letters of Credit (without a permanent reduction of the LC Sublimit).

(c) Prepayments on the Obligations (whether pursuant to Section 2.11(a), Section 2.11(c) or otherwise) shall be paid by the Administrative Agent to the Lenders ratably in accordance with their respective interests therein (and, for the avoidance of doubt, in accordance with their respective Revolving Commitment Percentage or Term Loan Commitment Percentage, as applicable), except for Defaulting Lenders, whose share will be applied as provided in Section 2.16(a)(ii).

Section 2.13 Payments Generally.

(a) All payments by the Borrower of principal, interest, fees and other Obligations under this Agreement or any other Credit Document shall be made in Dollars in immediately available funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition. The Administrative Agent shall, and the Borrower hereby authorizes the Administrative Agent to, debit any deposit account of the Borrower, or any of its Subsidiaries, held with Regions or any of its Affiliates in order to cause timely payment to be made to the Administrative Agent of all principal, interest, fees and other Obligations due under this Agreement or any other Credit Document (subject to sufficient funds being available in its accounts for that purpose).

(b) In the event that the Administrative Agent is unable to debit a deposit account of the Borrower or any Subsidiary held with Regions or any of its Affiliates in order to cause timely payment to be made to the Administrative Agent of all principal, interest, fees and other Obligations due under this Agreement or any other Credit Document (including because insufficient funds are available in its accounts for that purpose), payments under this Agreement or any other Credit Document shall be delivered to the Administrative Agent, for the account of the Lenders, by *not later than* 2:00 P.M. on the date when due at the Principal Office of the Administrative Agent or via wire transfer of immediately available funds to an account designated by the Administrative Agent (or at such other location as may be designated in writing by the Administrative Agent from time to time); for purposes of computing interest and fees, funds received by the Administrative Agent after that time on such due date shall be deemed to have been paid by the Borrower on the next Business Day.

(c) All payments in respect of the principal amount of any Loan (other than voluntary repayments of Revolving Loans made in accordance with Section 2.11(a)) shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan in accordance with the terms of this Agreement) shall be applied to the payment of interest then due and payable before application to principal.

(d) The Administrative Agent shall promptly distribute to each Lender, at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest in respect of Loans due to such Lender under this Agreement, together with all fees and other amounts due to such Lender under this Agreement with respect thereto, to the extent received by the Administrative Agent.

(e) Notwithstanding anything to the contrary in the foregoing, if any Conversion / Continuation Notice is withdrawn as to any Affected Lender, or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any SOFR Loans, then, in any such case, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(f) Subject to the provisos set forth in the definition of “*Interest Period*” in Section 1.1, whenever any payment to be made under this Agreement shall be stated to be due on a day that is *not* a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall be *included* in the computation of any payment(s) of interest, and of the Revolver Commitment Fee and the DDTL Ticking Fee, under this Agreement, but such payment shall be deemed to have been made on the date therefor for all other purposes of this Agreement and the other Credit Documents.

(g) The Administrative Agent may, but shall *not* be obligated to, deem any payment by, or on behalf of, the Borrower under this Agreement or any other Credit Document that is *not* made in same day funds *prior* to 2:00 P.M. on the date when due in accordance with the terms of this Agreement or such other Credit Document (as applicable) to be a non-conforming payment. Any such payment shall *not* be deemed to have been received by the Administrative Agent until the *later* to occur of: (i) the time such funds become available funds; and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to the Borrower and each applicable Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 9.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event for *less than* the period from, and including, the date of such payment to, and including, the next succeeding applicable Business Day) at the Default Rate (unless otherwise as provided by the Required Lenders) from, and including, the date on which such amount was due and payable in accordance with the terms of this Agreement or another Credit Document through, and including, the date on which such amount is paid in full.

Section 2.14 Sharing of Payments By Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Loans or any other Obligations under this Agreement or any other Credit Document resulting in such Lender receiving payment of a proportion of the aggregate amount of such Loans and accrued interest thereon, or other such Obligations, that is *greater than* its Pro Rata Share thereof, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in such Loans and/or other obligations of the other Lenders, or make such other adjustment(s) as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with their respective Pro Rata Shares of the principal of, or interest on, such Loans and/or other Obligations under this Agreement and the other Credit Documents, provided, that:

(i) if any such participations are purchased and all, or any portion, of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 2.14 shall *not* be construed to apply to: (A) any payment made by the Borrower pursuant to, and in accordance with the express terms of, this Agreement (including the application of funds arising from the existence of a Defaulting Lender); (B) any amounts applied by the Swingline Lender to outstanding Swingline Loans; (C) any amounts applied to LC Obligations by the Issuing Bank or Swingline Loans by the Swingline Lender, as appropriate, from Cash Collateral provided under Section 2.15 or Section 2.16; or (D) any payment obtained by a Lender as consideration for the assignment of, or sale of, a participation in any of its Loans or participations in LC Obligations, Swingline Loans and/or any other Obligations under

this Agreement or any other Credit Document to any assignee or participant, other than to any Credit Party or any Subsidiary or their Affiliates (as to which the provisions of this Section 2.14 shall apply).

Each of the Credit Parties consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Section 2.15 Cash Collateral.

(a) Generally. At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent or the Issuing Bank (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in an amount sufficient to cover the applicable Fronting Exposure (after giving effect to Section 2.16(a)(iv) and any Cash Collateral provided by the Defaulting Lender).

(b) Grant of Security Interest. All Cash Collateral (other than credit support *not* constituting funds subject to deposit) shall be maintained in blocked, interest-bearing Deposit Accounts at the Administrative Agent. The Borrower, and, to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Bank, and agrees to maintain, a perfected, first-priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of LC Obligations, to be applied pursuant to clause (c) below. If, at any time, the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Bank as provided in this Agreement, or that the total amount of such Cash Collateral is *less than* the applicable Fronting Exposure, then the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.15 or Section 2.16 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of LC Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such Property as may otherwise be provided for in this Agreement or any other Credit Document.

(d) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.15 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and the Issuing Bank that there exists *excess* Cash Collateral; provided, that, (A) Cash Collateral furnished by, or on behalf of, a Credit Party shall *not* be released during the continuance of a Default or Event of Default (and, following application as provided in this Section 2.15, may be otherwise applied in accordance with Section 9.3), but shall be released upon the cure, termination or waiver of such Default or Event of Default in accordance with the terms of this Agreement, and (B) the Person providing Cash Collateral and the Issuing Bank or Swingline Lender, as applicable, may agree that Cash Collateral shall *not* be released but instead held to support future anticipated Fronting Exposure or other obligations.

Section 2.16 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 11.4(c).

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts (other than fees that any Defaulting Lender is *not* entitled to receive pursuant to clause (a)(iii) below) received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 11.3), shall be applied at such time(s) as may be determined by the Administrative Agent as follows:

(A) first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent under this Agreement or any other Credit Document;

(B) second, to the payment, on a *pro rata* basis, of any amounts owing by that Defaulting Lender to the Issuing Bank or the Swingline Lender under this Agreement or any other Credit Document;

(C) third, to Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.15;

(D) fourth, as the Borrower may request (so long as no Default or Event of Default then exists or would result therefrom), to the funding of any Loan(s) in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;

(E) fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to: (I) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; and (II) Cash Collateralize the Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement in accordance with Section 2.15;

(F) sixth, to the payment of any amounts owing to the Lenders, the Issuing Bank and/or the Swingline Lender as a result of any final, non-appealable judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank and/or the Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement or any other Credit Document;

(G) seventh, so long as no Default or Event of Default then exists or would result therefrom, to the payment of any amounts owing to the Borrower as a result of any final, non-appealable judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement or any other Credit Document; and

(H) eight, to that Defaulting Lender or as otherwise directed in a final, non-appealable judgment by a court of competent jurisdiction;

provided, that, if (I) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which that Defaulting Lender has *not* fully funded its appropriate share, and (II) such Loans or LC Disbursements were made at a time when the applicable conditions set forth in Section 5.2 were satisfied or waived, then such payment shall be applied *solely* to the pay the Loans of, and LC Disbursements owed to, all Non-Defaulting Lenders, on a *pro rata* basis, *prior* to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender, until such time as all Loans, and all funded and unfunded participations in LC Obligations and Swingline Loans, are held by the Lenders *pro rata* in accordance with their Revolving Commitments without giving effect to the below clause (a)(iv). Any payments, prepayments and/or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender, or to post Cash Collateral pursuant to this clause (a)(ii), shall be deemed paid to (and the underlying obligations satisfied to the extent of such payment) and redirected by that Defaulting Lender, and each Lender irrevocably consents thereto.

(iii) Certain Fees.

(A) Such Defaulting Lender shall *not* be entitled to receive any Revolver Commitment Fee, any DDTL Ticking Fee, any fees with respect to any Letters of Credit (except as expressly provided in clause (B) below), or any other fees under this Agreement or any other Credit Document in respect of any period during which that Lender is a Defaulting Lender (and the Borrower shall *not* be required to pay any such fee(s) that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Revolving Commitment Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.15.

(C) With respect to any fee(s) *not* required to be paid to any Defaulting Lender pursuant to the foregoing clauses (a)(iii)(A) or (a)(iii)(B), the Borrower shall: (I) pay to each Non-Defaulting Lender that portion of any such fee(s) otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in LC Obligations or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (a)(iv) below; (II) pay to the Issuing Bank and the Swingline Lender, as applicable, the amount of any such fee(s) otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's or the Swingline Lender's Fronting Exposure to such Defaulting Lender; and (III) *not* be required to pay the remaining amount of any such fee(s).

(iv) Reallocation of Participations to Reduce Fronting Exposure. All, or any part, of such Defaulting Lender's participation in LC Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentages (calculated without regard to such Defaulting Lender's Revolving Commitment), but *solely* to the extent that: (A) the conditions set forth in Section 5.2 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time); and (B) such reallocation does *not* cause the Revolving Credit Exposure of any Lender, at such time, to *exceed* such Non-Defaulting Lender's Revolving Commitment. No reallocation under this Section shall constitute a waiver or release of any claim of any party to this

Agreement or any other Credit Document against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in the foregoing clause (a)(iv) cannot, or can only partially, be effected, then the Borrower shall, without prejudice to any right or remedy available to it under this Agreement, any other Credit Document or any Applicable Law: (A) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure; and (B) second, Cash Collateralize the Issuing Bank's Fronting Exposure in accordance with the procedures set forth in Section 2.15.

(vi) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swingline Lender and the Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, then the Administrative Agent will so notify the parties to this Agreement, whereupon, as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders, or take such other actions as the Administrative Agent may determine to be necessary, to cause the Loans, and funded and unfunded participations in Letters of Credit and Swingline Loans, to be held *pro rata* by the Lenders in accordance with their respective Pro Rata Shares (without giving effect to the foregoing clause (a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided, that, (A) no adjustments will be made retroactively with respect to any fees accrued, or payments made, by, or on behalf of, the Borrower while that Lender was a Defaulting Lender, and (B) except to the extent otherwise expressly agreed by the affected parties, no change hereunder from such Defaulting Lender to such Lender will constitute a waiver or release of any claim of any party to this Agreement arising from such Lender's having been a Defaulting Lender.

(b) New Swingline Loans / Letters of Credit. So long as any Lender is a Defaulting Lender: (i) the Swingline Lender shall *not* be required to fund Swingline Loans, unless it is satisfied that it shall have no Fronting Exposure after giving effect to such Swingline Loan; and (ii) the Issuing Bank shall *not* be required to issue, extend, renew or increase any Letter of Credit, unless it is satisfied that it shall have no Fronting Exposure after giving effect thereto.

Section 2.17 Removal or Replacement of Lenders. If (a) any Lender requests compensation under Section 3.2, (b) any Credit Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.3, (c) any Lender gives notice of an inability to fund SOFR Loans under Section 3.1(b), (d) any Lender is a Defaulting Lender, or (e) any Lender is a Non-Consenting Lender (including by way of a failure to respond in writing to a proposed amendment, consent or waiver by the date and time specified by the Administrative Agent) with respect to a proposed amendment, consent, change, waiver, discharge or termination under this Agreement or with respect to any Credit Document, then, in any such case of the foregoing clauses (a) through (e), the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate without recourse (in accordance with, and subject to, the restrictions contained in, and consents required by, Section 11.5), all of its interests, rights (other than its rights under Section 3.2, Section 3.3 and Section 11.2) and obligations under this Agreement and the other Credit Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided, that:

(i) the Borrower (or another Person) shall have paid to the Administrative Agent the assignment fee specified in Section 11.5(b)(iv) (unless waived by the Administrative Agent in writing);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, as applicable, accrued interest thereon, accrued fees and all other amounts payable to it under this Agreement and the other Credit Documents (including any amounts under Section 3.1(c)) from the assignee (to the extent of such outstanding principal, accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.2 or payments required to be made pursuant to Section 3.3, such assignment is reasonably expected to result in a reduction in such compensation or payments thereafter;

(iv) such assignment does *not* conflict with Applicable Laws; and

(v) in the case of any such assignment resulting from a Non-Consenting Lender's failure to consent to a proposed amendment, consent, change, waiver, discharge or termination, the successor replacement Lender shall have consented to the proposed amendment, consent, change, waiver, discharge or termination.

Each Lender agrees that, in the event that it, or its interests in the Loans and/or other Obligations under this Agreement and the other Credit Documents, shall become subject to the replacement and removal provisions of this Section 2.17, it will cooperate with the Borrower and the Administrative Agent to give effect to the provisions of this Section 2.17, including execution and delivery of an Assignment and Assumption in connection therewith, but the replacement and removal provisions of this Section 2.17 shall be effective regardless of whether an Assignment and Assumption shall have been given.

A Lender shall *not* be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

YIELD PROTECTION

Section 3.1 Making or Maintaining SOFR Loans; Benchmark Replacements.

(a) Inability to Determine Rates. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, in the event that the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties to this Agreement), on or before any Periodic Term SOFR Determination Date with respect to any SOFR Loans, that reasonable and adequate means do *not* exist for ascertaining the interest rate applicable to such SOFR Loans on the basis provided for in the definition of "*Term SOFR*" (and any related defined terms used therein) in Section 1.1, then the Administrative Agent shall give notice (either by telefacsimile or by telephone confirmed in writing) to the Borrower and each Lender of such determination, whereupon and thereafter, (i) no Loans may or shall be made as, or continued as or converted into, SOFR Loans until such time as the Administrative Agent shall have notified the Borrower and the Lenders in writing that the event(s) and/or circumstance(s) giving rise to such initial determination no longer exist, (ii) any Funding Notice(s) and/or any Conversion / Continuation Notice(s) given by the Borrower with respect to any Loan(s) in respect of which such determination was made shall be deemed to have been rescinded by the Borrower, and (iii) all such Loan(s) described in the foregoing clause (a)(ii) shall be automatically made or continued as, or converted into, as applicable, Base Rate Loans on the last day of the then-current Interest Period applicable thereto (without reference to clause (c) of the definition of "*Base Rate*" in Section 1.1), unless the Borrower shall have prepaid such Loan(s) in accordance with this Agreement; provided, that, if the event(s) and/or

circumstance(s) giving rise to such initial determination shall have occurred but only with respect to certain (but *not* all) of the tenors of the then applicable term rate Benchmark (including, for the avoidance of doubt, the SOFR Reference Rate for any applicable tenor), then (A) the Administrative Agent may modify the definition of “*Interest Period*” in Section 1.1 (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such illegal or impracticable tenor, and (B) if a tenor that was removed pursuant to the foregoing clause (a)(A) is subsequently displayed on a screen or information service for a Benchmark, then the Administrative Agent may modify the definition of “*Interest Period*” in Section 1.1 (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(b) Illegality or Impracticability of the Benchmark. Subject to clause (f) below, in the event that, on any date, any Lender shall have determined (which determination (A) shall be final and conclusive and binding upon all parties to this Agreement, but (B) shall be made only after written notice to, and consultation with, the Borrower and the Administrative Agent) that a Benchmark Illegality / Impracticability Event has occurred with respect to such Lender, then such Lender shall be an “*Affected Lender*” and such Lender shall, on that date, give notice (either by telefacsimile or by telephone confirmed in writing) to the Borrower and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). Thereafter: (i) the obligation of such Affected Lender to make Loans as, or to continue Loans as or to convert Loans to, SOFR Loans shall be suspended, until such notice shall have been withdrawn by such Affected Lender in writing to the Administrative Agent and the Borrower; (ii) to the extent that such determination by such Affected Lender relates to a SOFR Loan, or to a continuation thereof or a conversion of outstanding Loans thereto, then being requested by the Borrower pursuant to a Funding Notice or Conversion / Continuation Notice (as applicable), then the Affected Lender shall make such Loan as (or convert such Loan to, as applicable) a Base Rate Loan, determined without reference to clause (c) of the definition of “*Base Rate*” in Section 1.1; (iii) such Affected Lender’s obligation to maintain its outstanding SOFR Loans (the “*Affected Loans*”) shall be terminated at the *earlier* to occur of (A) the expiration of the Interest Period then in effect with respect to such Affected Loans, or (B) when required by Applicable Law; and (iv) such Affected Loans shall automatically convert into Base Rate Loans, determined without reference to clause (c) of the definition of “*Base Rate*” in Section 1.1, on the date of such termination described in the foregoing clause (b)(iii). Notwithstanding anything to the contrary in the foregoing of this clause (b), to the extent that a determination by an Affected Lender as described above relates to a SOFR Loan (or a continuation thereof or a conversion of outstanding Loans thereto) then being requested by the Borrower pursuant to a Funding Notice or Conversion / Continuation Notice (as applicable), then the Borrower shall have the option, subject to the provisions of the foregoing clause (a), to rescind such Funding Notice or Conversion / Continuation Notice (as applicable) as to all Lenders by giving notice (either by telefacsimile or telephone confirmed in writing) to the Administrative Agent of such rescission on the date on which such Affected Lender gives notice of its determination as described in the foregoing of this clause (b) (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender). Except as otherwise provided in the immediately preceding sentence, nothing in this clause (b) shall affect the obligation of any Lender, other than an Affected Lender, to make or maintain Loans as, or to continue outstanding Loans as or convert outstanding Loans into, SOFR Loans in accordance with the terms of this Agreement. Notwithstanding anything to the contrary in the foregoing, if a Benchmark Illegality / Impracticability Event shall have occurred but only with respect to certain (but *not* all) of the tenors of the then applicable term rate Benchmark (including, for the avoidance of doubt, the SOFR Reference Rate for any applicable tenor), then: (I) the Administrative Agent may modify the definition of “*Interest Period*” in Section 1.1 (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such illegal or impracticable tenor; and (II) if a tenor that was removed pursuant to the foregoing clause (b)(I) is *not*, or is no longer, subject to a Benchmark Illegality / Impracticability Event, then the Administrative Agent may modify the definition of “*Interest Period*” in Section 1.1 (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. The Borrower shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable out-of-pocket losses, expenses and liabilities (including any interest paid, or calculated to be due and payable, by such Lender to lenders of funds borrowed by it to make or carry its SOFR Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-deployment of such funds, but *excluding* loss of anticipated profits) that such Lender sustains if: (i) for any reason (other than a default by such Lender), a borrowing of any SOFR Loans does *not* occur on a date specified therefor in a Funding Notice (or a telephonic request for borrowing), or a conversion to, or continuation of, any SOFR Loans does *not* occur on a date specified therefor in a Conversion / Continuation Notice (or a telephonic request for conversion or continuation); (ii) any prepayment or other principal payment of, or any conversion of, any of its SOFR Loans occurs on any day other than the last day of an Interest Period applicable to that Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise), including as a result of an assignment in connection with the replacement of a Lender pursuant to Section 2.17; or (iii) any prepayment of any of its SOFR Loans is *not* made on any date specified in a notice of prepayment given by the Borrower.

(d) Booking of SOFR Loans. Any Lender may make, carry or transfer SOFR Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Certificates for Reimbursement. A certificate of a Lender (i) setting forth, in reasonable detail, the amount(s) necessary (and the calculation thereof) to compensate such Lender, as specified in the foregoing clause (c), and the circumstances giving rise thereto, and (ii) certifying that such requested reimbursement is consistent with amounts requested by such Lender from other similarly-situated borrowers under comparable credit facilities, shall be delivered to the Borrower and shall be conclusive absent manifest error. In the absence of any such manifest error, the Borrower shall pay to the applicable Lender or the Issuing Bank, as the case may be, the amount(s) shown as due on any such certificate promptly and, in any event, within ten (10) Business Days after receipt thereof. The Borrower shall not be required to compensate a Lender pursuant to this clause (e) for any such amount(s) incurred more than six (6) months prior to the date on which such Lender shall have delivered to the Borrower the certificate referenced in this clause (e).

(f) Benchmark Replacement.

(i) Generally. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error), or the Required Lenders (individually or jointly) notify the Administrative Agent (with, in the case of the Required Lenders, a copy delivered to the Borrower) that the Required Lenders (as applicable) have determined, that a Benchmark Illegality / Impracticability Event has occurred, then, on a date and time determined by the Administrative Agent (any such date, a "Benchmark Replacement Date"), which date shall be at the end of an Interest Period or on the relevant Interest Payment Date, as applicable, for interest calculated, the then current Benchmark shall be replaced under this Agreement and the other Credit Documents with the Benchmark Replacement.

(ii) Amendment. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, (A) if the Administrative Agent determines that any alternative Benchmark (other than the SOFR Reference Rate for any applicable tenor) set forth in the definition of "Benchmark Replacement" in Section 1.1 is available on, or prior to, the applicable Benchmark Replacement Date, or (B) a Benchmark Illegality / Impracticability Event has occurred with respect to a Benchmark Replacement (other than the SOFR Reference Rate for any applicable tenor) then in effect, then, in each case of the foregoing clauses (f)(ii)(A) and (f)(ii)(B), the Administrative

Agent and the Borrower may amend this Agreement *solely* for the purpose of replacing the SOFR Reference Rate (for any applicable tenor), or any then current Benchmark Replacement, in accordance with this Section 3.1 at the end of any applicable Interest Period, relevant Interest Payment Date or payment period for interest calculated, as applicable, with another alternate benchmark rate, in any such case, giving due consideration to any evolving, or then existing, convention(s) for similar Dollar-denominated syndicated credit facilities for such alternative benchmark(s), and, in each case, including any mathematical or other adjustments to such benchmark(s) (giving due consideration to any evolving, or then existing, convention(s) for similar Dollar-denominated syndicated credit facilities for such benchmark(s)), which adjustment(s), or method(s) for calculating such adjustment(s), shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated. For the avoidance of doubt, any such proposed rate and adjustment(s) shall constitute a Benchmark Replacement. Any such amendment shall become effective at 5:00 P.M. on the date that is five (5) Business Days *after* the date on which the Administrative Agent shall have posted a copy of such proposed amendment to all Lenders and the Borrower, without any further action(s) and/or consent(s) of any Credit Party, any other party to this Agreement or any other Credit Document and/or any other Person, so long as the Administrative Agent has *not* received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(iii) Notices. The Administrative Agent shall notify (in one (1) or more notices) the Borrower and each Lender of the implementation of any Benchmark Replacement.

(iv) Administration of Benchmark Replacement. Any Benchmark Replacement shall be applied in a manner consistent with market practice; provided, that, to the extent that such market practice is *not* administratively feasible for the Administrative Agent, then such Benchmark Replacement shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

(v) Floor. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, if, at any time, any Benchmark Replacement, as determined in accordance with this Section 3.1 and the related definitions in Section 1.1, shall be *less than* the Floor, then such Benchmark Replacement shall be deemed to equal the Floor for all purposes of this Agreement and the other Credit Documents.

(vi) Conforming Changes. In connection with the use, administration, adoption and/or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time, and, notwithstanding anything to the contrary in this Agreement or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action(s) and/or consent(s) of any Credit Party, any other party to this Agreement or any other Credit Document and/or any other Person; provided, that, with respect to any such amendment effected in reliance on this clause (f)(vi), the Administrative Agent shall post a copy of such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

(vii) Standards for Decisions and Determinations. Any determination, decision, or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this clause (f), including any determination with respect to a tenor, rate or adjustment, or of the occurrence or non-occurrence of an event, circumstance or date, and any decision to take, or refrain from taking, any action or any selection, will be conclusive and binding

absent manifest error, and may be made in its or their, as applicable, sole discretion, and, in any event, without consent from any Credit Party, any other party to this Agreement or any other Credit Document or any other Person, except, in each case, as expressly required pursuant to this clause (f).

Section 3.2 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge and/or similar requirement against any Property of, deposits with or for the account of, or credit extended or participated in by, any Lender or the Issuing Bank;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of “*Excluded Taxes*” in Section 1.1, and (C) Connection Income Taxes) on any of its Loans (or any principal thereof or interest with respect thereto), Letters of Credit, Commitments and/or other obligations under this Agreement or any other Credit Document, or any of its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender, the Issuing Bank, or the secured overnight financing or any other applicable interbank lending market any other condition, cost or expense (other than Taxes) affecting this Agreement or any other Credit Document, any of the Loans made by such Lender, or any Letters of Credit (or any participations therein);

and the result of any of the foregoing shall be to *increase* the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan, or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, the Issuing Bank, or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in, or to issue, any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, the Issuing Bank or other Recipient under this Agreement or any other Credit Document (whether of principal, interest, fees or any other amount), then, upon request of such Lender, the Issuing Bank or other Recipient, the Borrower will pay to such Lender, the Issuing Bank or other Recipient, as the case may be, such additional amount(s) as will compensate such Lender, the Issuing Bank or other Recipient, as the case may be, for such additional costs and/or expenses incurred or reduction suffered.

(b) Capital and Liquidity Requirements. If any Lender, the Issuing Bank, or the Swingline Lender (for purposes of this clause (b), referred to collectively as “*the Lenders*” or a “*Lender*”) determines that any Change in Law affecting such Lender, any Applicable Lending Office of such Lender, or such Lender’s Parent Company, if any, regarding any capital or liquidity ratios or requirements has, or would have, the effect of reducing the rate of return on such Lender’s capital, or on the capital of such Lender’s Parent Company, if any, as a consequence of this Agreement and/or the other Credit Documents, the Commitments of such Lender, or the Loans made by, or participations in Letters of Credit and/or Swingline Loans held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level *below* that which such Lender or such Lender’s Parent Company (as applicable) could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s Parent Company with respect to capital adequacy), then, from time to time, the Borrower will pay to such Lender, as the case may be, such additional amount(s) as will compensate such Lender or such Lender’s Parent Company, as the case may be, for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the Issuing Bank or other Recipient (i) setting forth, in reasonable detail, the amount(s) necessary (and the calculation thereof) to compensate such Lender or the Issuing Bank or other Recipient or its Parent Company, as the case may be, as specified in the foregoing clauses (a) or (b), and the circumstances giving rise thereto, and (ii) certifying that such requested compensation is consistent with the compensation requested by such Lender, the Issuing Bank or other Recipient from other similarly-situated borrowers under comparable credit facilities, shall be delivered to the Borrower and shall be conclusive absent manifest error. In the absence of any such manifest error, the Borrower shall pay the applicable Lender or the Issuing Bank, as the case may be, the amount(s) shown as due on any such certificate promptly and, in any event, within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section 3.2 shall *not* constitute a waiver of such Lender's or the Issuing Bank's respective right to demand such compensation, provided, that, the Borrower shall *not* be required to compensate a Lender or the Issuing Bank pursuant to this Section 3.2 for any increased costs incurred, and/or reductions suffered, *more than* six (6) calendar months *prior* to the date on which such Lender or the Issuing Bank, as the case may be, delivers to the Borrower the certificate referenced in the foregoing clause (c) and notifies the Borrower of such Lender's or the Issuing Bank's (as applicable) intention to claim compensation therefor (provided, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six (6) calendar month period referred to in the foregoing of this clause (d) shall be *extended* to include the period of retroactive effect thereof).

Section 3.3 Taxes.

(a) Certain Terms. For purposes of this Section 3.3: (i) the term "*Lender*" shall include the Issuing Bank; and (ii) the term "*Applicable Law*" shall include FATCA.

(b) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. Any and all payments by, or on account of, any obligation of any Credit Party under this Agreement or any other Credit Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.3), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by Credit Parties. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Tax Indemnification.

(i) Each of the Credit Parties shall, jointly and severally with respect to each other Credit Party, indemnify each Recipient, and shall make payment in respect thereof within ten (10) calendar days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on, or attributable to, amounts payable under this Section 3.3) payable or paid by such Recipient, or required to be withheld or deducted from a payment to

such Recipient, and any reasonable expenses arising therefrom or with respect thereto, whether or *not* such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate in reasonable detail as to the amount(s) of any such payment or liability and the calculation thereof delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent, on its own behalf or on behalf of a Lender, shall be conclusive and binding absent manifest error.

(ii) Each Lender shall severally indemnify the Administrative Agent, within ten (10) calendar days after demand therefor, for (A) any Indemnified Taxes attributable to such Lender (but *solely* to the extent that any Credit Party has *not* already indemnified the Administrative Agent for such Indemnified Taxes, and, in any event, without limiting the obligation of the Credit Parties to do so), (B) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.5(d)(iv) relating to the maintenance of a Participant Register, and (C) any Excluded Taxes attributable to such Lender, in each case of the foregoing of this clause (d)(ii), that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or *not* such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount(s) of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive and binding absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document, or otherwise payable by the Administrative Agent to such Lender, from any other source against any amount(s) due to the Administrative Agent under this clause (d)(ii).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 3.3, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of a return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or *not* such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the immediately preceding two (2) sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (f)(ii)(A), (f)(ii)(B) and (f)(ii)(D) below) shall *not* be required if, in the Lender's reasonable judgment, such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense, or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party: (1) with respect to payments of interest under any Credit Document, executed originals of IRS Form W-8BEN-E (or W-8BEN as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty; and (2) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN-E (or W-8BEN as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code: (1) a certificate substantially in the form of Exhibit 3.3-A to the effect that such Foreign Lender is *not* a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code; and (2) executed originals of IRS Form W-8BEN-E (or W-8BEN as applicable); or

(IV) to the extent a Foreign Lender is *not* the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN as applicable), a certificate substantially in the form of Exhibit 3.3-B or Exhibit 3.3-C, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that, if the Foreign Lender is a partnership and one (1) or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a certificate substantially in the form of Exhibit 3.3-D on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary

documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Applicable Law (and at such time or times reasonably requested by the Borrower or the Administrative Agent) such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. *Solely* for purposes of this clause (f)(ii)(D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. Unless required by Applicable Law, at no time shall the Administrative Agent have any obligation to file for, or otherwise pursue, on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any indemnified party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.3 (including by the payment of additional amounts pursuant to this Section 3.3), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.3 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of the indemnified party, shall repay to such indemnified party the amount paid over pursuant to this clause (g) (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (g), in no event shall the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (g) the payment of which would place the indemnified party in a *less* favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification, and giving rise to such refund, had *not* been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (g) shall *not* be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 3.3 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

Section 3.4 Mitigation Obligations; Designation of a Different Lending Office. If any Lender requests compensation under Section 3.2, or requires the Borrower to pay any Indemnified Taxes or

additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.3, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different Applicable Lending Office for funding or booking its Loans under this Agreement or to assign its respective rights and/or obligations under this Agreement and the other Credit Documents to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment would: (a) eliminate or reduce amounts payable pursuant to Section 3.2 or Section 3.3, as the case may be, in the future; and (b) *not* (i) subject such Lender to any unreimbursed cost or expense, or (ii) otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable and documented costs and out-of-pocket expenses incurred by any Lender in connection with any such designation or assignment.

ARTICLE IV

GUARANTY

Section 4.1 The Guaranty. Each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees to the Administrative Agent, each Lender, each Qualifying Swap Provider, each Qualifying Treasury Management Bank, each Indemnitee, and each other Benefitted Party as hereinafter provided, as primary obligor and *not* as surety, the prompt payment of the Obligations in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory Cash Collateralization, or otherwise) (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)). The Guarantors hereby further agree that, if any of the Obligations are *not* Paid in Full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory Cash Collateralization, or otherwise), the Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and further, that, in the case of any extension of time for payment and/or renewal of any of the Obligations, the same shall be promptly Paid in Full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory Cash Collateralization, or otherwise) in accordance with the terms of such extension and/or renewal.

Notwithstanding any provision to the contrary contained in this Agreement or any other Credit Document, in any Secured Swap Agreement, in any Secured Treasury Management Agreement, and/or in any other document(s) and/or agreement(s) evidencing or relating to any of the Obligations: (a) the obligations of each Guarantor under this Agreement and the other Credit Documents shall *not exceed* an aggregate amount equal to the largest amount that would *not* render such obligations subject to avoidance under applicable Debtor Relief Laws or any comparable provisions of any state Applicable Laws; and (b) the Obligations of each Guarantor shall *exclude* any Excluded Swap Obligations with respect to such Guarantor.

Section 4.2 Obligations Unconditional. The obligations of the Guarantors under Section 4.1 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Credit Documents, any Secured Swap Agreements, any Secured Treasury Management Agreements, and/or any other document(s) and/or agreement(s) evidencing or relating to any of the Obligations, or any substitution, release, impairment or exchange of any other Guarantee of, or security for, any of the Obligations, and, to the fullest extent permitted by Applicable Law, irrespective of any law or regulation or other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.2 that the obligations of the Guarantors under this Guaranty shall be absolute and unconditional under any and all circumstances. Each Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against any other Credit Party for amounts paid under this Article IV until such time as all of the Obligations shall have been Paid in Full. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by Applicable Law, the occurrence of any one (1) or more of the

following shall *not* alter or impair the liability of any Guarantor under its Guaranty, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Guarantor, the time for any performance of, or compliance with, any of the Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of any of the Credit Documents, any Secured Swap Agreements, any Secured Treasury Management Agreements, and/or any other document(s) and/or agreement(s) evidencing or relating to any of the Obligations shall be done or omitted;

(c) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented and/or amended in any respect, or any right under any of the Credit Documents, any Secured Swap Agreements, any Secured Treasury Management Agreements, and/or any other document(s) and/or agreement(s) evidencing or relating to any of the Obligations shall be waived, or any other Guarantee of any of the Obligations, or any security therefor, shall be released, impaired or exchanged, in whole or in part, or otherwise dealt with;

(d) any Lien granted to, or in favor of, the Collateral Agent, or any other Benefitted Part(y)(ies), as security for any of the Obligations, shall fail to attach or be perfected (as applicable); or

(e) any of the Obligations shall be determined to be void or voidable (including for the benefit of any creditor of any Credit Party), or shall be subordinated to the claims of any Person (including any creditor of any Credit Party).

With respect to its obligations under its Guaranty or otherwise under this Agreement or any other Credit Document, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, any requirement (whether under any Applicable Laws, any Contractual Obligation or otherwise) that the Administrative Agent, the Collateral Agent, any Lender and/or any other Benefitted Party exhaust any specified right, power or remedy of such Person under this Agreement, any other Credit Document, any Secured Swap Agreement, any Secured Treasury Management Agreement, and/or any other document(s) and/or agreement(s) evidencing or relating to any of the Obligations and/or under any other Guarantee of, or security for, any or all of the Obligations, and any requirement (whether under any Applicable Laws, any Contractual Obligation or otherwise) that any such Person proceed against (or initiate proceedings against) any other specified Person in respect of any such right, power or remedy.

Section 4.3 Reinstatement. The obligations of each Guarantor under this Article IV shall be automatically reinstated if, and to the extent that, for any reason, any payment by, or on behalf of, any Person in respect of the Obligations is rescinded or must be otherwise restored by any Benefitted Party, whether as a result of application of any Debtor Relief Law, any proceedings in bankruptcy or reorganization or otherwise, and each Guarantor agrees that it will indemnify each of the Administrative Agent, the Collateral Agent, each Arranger, each Lender, and each other Benefitted Party on demand for all reasonable and documented costs and out-of-pocket expenses (including the reasonable and documented fees, charges and disbursements of counsel) incurred by any of the Administrative Agent, the Collateral Agent, each Arranger, each Lender, and the other Benefitted Parties in connection with such rescission or restoration, including any such reasonable and documented costs and out-of-pocket expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

Section 4.4 Certain Additional Waivers. Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 4.2 and through the exercise of rights of contribution pursuant to Section 4.6.

Section 4.5 Remedies. The Guarantors agree that, to the fullest extent permitted by Applicable Law, as between the Guarantors, on the one hand, and the Administrative Agent, the Collateral Agent, the Lenders and the other Benefitted Parties, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 9.2 (and shall be deemed to have become automatically due and payable in the circumstances specified in Section 9.2) for purposes of Section 4.1 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person, and further, that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Guarantors for purposes of Section 4.1. The Guarantors acknowledge and agree that their respective obligations under their Guaranty are secured in accordance with the terms of the Collateral Documents, and further, that, the Administrative Agent, the Collateral Agent, the Lenders and the other Benefitted Parties may exercise their remedies thereunder in accordance with the terms thereof.

Section 4.6 Rights of Contribution. The Guarantors agree among themselves that, in connection with payments made under this Agreement, each Guarantor shall have contribution rights against the other Guarantors as permitted under Applicable Law. Such contribution rights shall be subordinate and subject in right of payment to the obligations of such Guarantors under the Credit Documents, and no Guarantor shall exercise such rights of contribution until all of the Obligations shall have been Paid in Full.

Section 4.7 Guarantee of Payment; Continuing Guarantee. The Guaranty of each Guarantor provided under this Article IV is a guarantee of payment and *not* of collection, is a continuing guarantee, and shall apply to the Obligations whenever arising.

Section 4.8 Keepwell. Each Qualified ECP Guarantor hereby, jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each Specified Credit Party to honor all of such Specified Credit Party's obligations under its Guaranty, this Agreement and the other Credit Documents in respect of Swap Obligations (provided, that, each Qualified ECP Guarantor shall only be liable under this Section 4.8 for the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Article IV, or otherwise under this Agreement or any other Credit Document, voidable under any applicable Debtor Relief Laws, and *not* for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 4.8 shall remain in full force and effect until all of the Obligations shall have been Paid in Full, or, with respect to any Guarantor, if earlier, until such Guarantor is released from its Obligations in accordance with Section 10.12. Each Qualified ECP Guarantor intends that this Section 4.8 constitute, and this Section 4.8 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each Specified Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Any Agent and/or the Required Lenders shall be entitled, but *not* obligated, to request and receive, *prior* to the making of any Credit Extension, additional information reasonably satisfactory to such Agent or the Required Lenders (as applicable) confirming the satisfaction of any of the foregoing if, in the reasonable good faith judgment of such Agent or the Required Lenders (as applicable), such request is warranted under the circumstances.

Section 5.5 Effect of Amendment and Restatement; No Novation. The parties hereto agree that, upon this Agreement becoming effective pursuant to Section 5.1, the following shall be deemed to occur or exist automatically, without further action by any party hereto or otherwise: (a) the Existing Credit Agreement shall be deemed to be amended and restated in its entirety pursuant to this Agreement; provided that the execution and delivery of this Agreement shall not constitute (or be construed to constitute) a substitution or novation of any of the Obligations under the Existing Credit Agreement; (b) (i) all terms and conditions of the Existing Credit Agreement and any other “Credit Document” as defined therein, as amended and restated by this Agreement and the other Credit Documents being executed and delivered on the Closing Date, shall be and remain in full force and effect, as so amended and restated, and shall constitute the legal, valid, binding and enforceable obligations of the Credit Parties to the Lenders and the Administrative Agent; and (ii) all indemnification obligations of the Credit Parties under the Existing Credit Agreement and any other “Credit Document” as defined therein shall survive the execution and delivery of this Agreement and shall continue in full force and effect for the benefit of the Lenders, the Administrative Agent, and any other Person indemnified under the Existing Credit Agreement or such other Credit Document at any time prior to the Closing Date. This Agreement shall not in any way release or impair the rights, duties, Obligations or Liens created pursuant to the Existing Credit Agreement or any other “Credit Document” as defined therein or affect the relative priorities of such Liens, in each case to the extent in force and effect thereunder as of the Closing Date, except as modified hereby or by documents, instruments and agreements executed and delivered in connection herewith, and all of such rights, duties, Obligations and Liens are assumed, ratified and affirmed by the Borrower. The execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of the Existing Lender or the Administrative Agent under the Existing Credit Agreement, nor constitute a waiver of any covenant, agreement or obligation under the Existing Credit Agreement, except to the extent that any such covenant, agreement or obligation is no longer set forth herein or is modified hereby. For the avoidance of doubt, the

Credit Parties shall execute and deliver the Reaffirmation Agreement to further reaffirm all Obligations outstanding under the Existing Credit Agreement.

At any time after the execution and delivery thereof: (i) any provision of this Agreement or any other Credit Document ceases to be in full force and effect (other than by reason of (A) a release or termination of any security interest, Lien, Guaranty or other obligation of any Credit Party by the Agents in accordance with the terms of Section 10.12, or (B) the Payment in Full of the Obligations) or shall be declared null and void, or any Lien granted, or purported to be granted, under any Collateral Document shall fail to, cease to, or otherwise be asserted by any Credit Party or any Subsidiary *not* to, be a valid and fully-perfected (as applicable) Lien on any Collateral, with the priority required by the applicable Collateral Documents; or (ii) any Credit Party or any Subsidiary shall contest in writing, in any manner, the validity and/or enforceability of any Credit Document, or otherwise denies in writing that it (to the extent a party, or purported to be a party, thereto) has any or further liability and/or obligations in respect thereof, or purports to revoke, terminate and/or rescind any Credit Document (other than in connection with a release or termination of any security interest, Lien, Guaranty or other obligation of any Credit Party by the Agents in accordance with the terms of Section 10.12); or

(m) Risk Retention. On June 1st of each calendar year, the net pre-tax catastrophe retention of each Regulated Entity (other than the Reinsurance Captives), whose surpluses are available for payment of claims on policies issued by the Credit Parties and Subsidiaries, *exceeds* twenty-five percent (25.0%) of the immediately preceding March 31st statutory surplus of such Regulated Entity in the event of a 1/100 Probable Maximum Loss followed by a subsequent event equivalent to a 1/50 Probable Maximum Loss, as measured by a catastrophe model that has been approved by the appropriate Insurance Regulatory Authority; or

(n) Reinsurer Concentration. The aggregate amount of risk retention for catastrophe reinsurance provided for payment of claims on policies purchased from the Credit Parties or Subsidiaries provided by any individual (or affiliated) reinsurer, on an annual contract year basis, *exceeds* fifteen percent (15.0%) of the aggregate of all such risk retention provided by all reinsurers (including the Florida Hurricane Catastrophe Fund); provided, that, (i) for purposes of determining whether an Event of Default exists under this clause (n), reinsurance provided by Non-Qualifying Reinsurers shall be *excluded* from the calculation of the aggregate amount of risk retention to the extent that it *exceeds* fifteen percent (15.0%) of the aggregate amount of such risk retention maintained by, or for the benefit of, the Regulated Entities whose surpluses are available for payment of claims on policies issued by the Credit Parties and Subsidiaries, (ii) no Event of Default shall arise under this clause (n) to the extent *solely* arising from the merger, after the effective date but *prior* to the renewal of the applicable reinsurance agreements, of any reinsurer into another reinsurer, so long as no party to any such merger is an Affiliate of any Credit Party or any Subsidiary, and (iii) this clause (n) shall not apply to (x) reinsurance contracts that are cash collateralized in full and the supporting documentation for which has been approved by Administrative Agent or (y) coverage provided by the Florida Hurricane Catastrophe Fund (other than for purposes of calculating the aggregate risk retention threshold as provided above); or

(o) Dissolution. Any order, judgment or decree shall be entered against any Credit Party or any Subsidiary decreeing the dissolution or split up of such Credit Party or Subsidiary, and such order, judgement or decree shall remain undischarged or unstayed for a period in *excess* of thirty (30) calendar days; or

(p) Subordinated Debt. For so long as any subordinated Indebtedness (including, without limitation, any Permitted Unsecured Seller Debt) is outstanding, (i) any of the subordination, standstill, payover and insolvency related provisions contained in the applicable intercreditor or subordination agreement (collectively, the “Subordination Provisions”, which shall include, for the avoidance of doubt, the subordination terms governing any Permitted Unsecured Seller Debt) shall, in whole or in part, terminate, cease to be effective, or shall cease to be legally valid, binding and enforceable against any holder of such subordinated Indebtedness; or (ii) any Credit Party or any Subsidiary shall, directly or indirectly,

disavow or contest, in any manner, (A) the effectiveness, validity or enforceability of any of the Subordination Provisions, (B) that the Subordination Provisions exist for the benefit of the Lender, or (C) that all payments of principal of, or premium and interest on, the subordinated Indebtedness, or realized from the liquidation of any Property of any Credit Party, shall be subject to any of the Subordination Provisions.

Section 9.2 Remedies. Upon (A) the occurrence of any Automatic Acceleration Event of Default, automatically, and (B) the occurrence and during the continuance of any other Event of Default, at the request of (or with the consent of) the Required Lenders, upon notice to the Borrower by the Administrative Agent: (a) the Revolving Commitments (if any) of each Lender, and the obligation of the Issuing Bank to issue any Letters of Credit, shall immediately terminate; (b) each of the following shall immediately become due and payable, in each case, without presentment, demand, protest or other requirements of any kind, all of which are hereby expressly waived by each of the Credit Parties, (i) the unpaid principal amount of, and accrued interest on, the Loans, (ii) an amount equal to the maximum amount that may, at any time, be drawn under all Letters of Credit then outstanding (regardless of whether any beneficiary under any such Letter of Credit shall have presented, or shall be entitled at such time to present, the drafts or other document(s), certificate(s) and/or instrument(s) required to draw under such Letters of Credit), and (iii) all other Obligations, provided, that, the foregoing shall *not* affect, in any way, the obligations of the Lenders under Section 2.2(b)(iii) or Section 2.3(e); (c) the Administrative Agent may cause the Collateral Agent to enforce any and all Liens and security interests created pursuant to Collateral Documents and each Agent may exercise such other rights and remedies that may be available to it under this Agreement, the other Credit Documents or under Applicable Law (including the rights of a secured party under the UCC), all of which shall be cumulative with the rights and remedies elsewhere described in this Agreement and in the other Credit Documents; and (d) the Administrative Agent shall direct the Borrower to pay (and the Borrower hereby agrees, upon receipt of such notice, or upon the occurrence of any Automatic Acceleration Event of Default, to pay) to the Administrative Agent such additional amounts of cash, to be held as security for the Borrower's reimbursement Obligations in respect of Letters of Credit then outstanding under arrangements acceptable to the Administrative Agent, equal to the Outstanding Amount of the LC Obligations at such time. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, any Event of Default occurring under this Agreement or any other Credit Document shall continue to exist (and shall be deemed to be continuing) until such time as such Event of Default has been waived in writing in accordance with the terms of Section 11.4.

Section 9.3 Application of Funds and Proceeds. After the exercise of remedies provided for in Section 9.2 (or immediately after an Automatic Acceleration Event of Default), any amounts received by the Administrative Agent, the Collateral Agent, the Lenders or any other Benefitted Parties on account of the Obligations (whether as proceeds of Collateral or otherwise) shall be applied by the Administrative Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and Letter of Credit Fees, but including, for the avoidance of doubt, (i) all reasonable and documented fees, out-of-pocket expenses, charges and disbursements of any law firm or other outside counsel to the Administrative Agent and/or the Collateral Agent, and (ii) all amounts payable to the Administrative Agent and/or the Collateral Agent under Section 3.1, Section 3.2 and/or Section 3.3) payable to the Administrative Agent and/or the Collateral Agent, in each case, in its capacity as such;

(b) second, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and Letter of Credit Fees, but including, for the avoidance of doubt, (i) all reasonable and documented fees, out-of-pocket expenses, charges and disbursements of any law firm or other outside counsel to any such Person(s), and (ii) all amounts payable

to any such Person(s) under Section 3.1, Section 3.2 and/or Section 3.3) payable to any of the Lenders, any Indemnitees and any other Benefitted Parties (other than the Administrative Agent and the Collateral Agent), ratably among such Persons in proportion to the respective amounts described in this clause (b) payable to them;

(c) third, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit Fees and interest on the Loans, LC Disbursements and other Obligations, ratably among the Persons to whom such amount(s) are owed under this Agreement and the other Credit Documents in proportion to the respective amounts described in this clause (c) so payable to them;

(d) fourth, to (i) payment of that portion of the Obligations constituting unpaid principal of the Loans and LC Disbursements, (ii) payment of breakage, termination and/or other amounts owing in respect of any Secured Swap Agreement, *solely* to the extent that such Secured Swap Agreement, and the Swap Obligations thereunder, are permitted under this Agreement and the other Credit Documents, (iii) payments of amounts due under any Secured Treasury Management Agreement, and (iv) the Administrative Agent, for the account of the Issuing Bank, to Cash Collateralize that portion of the LC Obligations comprised of the aggregate undrawn amount of Letters of Credit, in each case of the foregoing clauses (d)(i) through (d)(iv), ratably among the Persons to whom such amount(s) are owed in proportion to the respective amounts described in this clause (d) payable to them;

(e) fifth, to payment of any other Obligations; and

(f) lastly, to the extent that any such amount(s) and/or proceed(s) remain after the Obligations have been Paid in Full, to the Borrower, or as otherwise required by Applicable Laws or provided by a court of competent jurisdiction.

Subject to Section 2.3, proceeds and other amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to the foregoing clause (d)(iv) shall be applied to satisfy drawings under such Letters of Credit as they occur. If any proceeds or other amounts remain on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining proceeds or other amounts shall be applied to the other Obligations, if any, in the order set forth above. Excluded Swap Obligations with respect to any Credit Party shall *not* be paid with any amounts received from such Credit Party or any proceeds of sales or other dispositions of such Credit Party's Property, but appropriate adjustments shall be made with respect to payments from other Credit Parties to preserve the allocation to Obligations otherwise set forth in the foregoing of this Section 9.3.

Each Qualifying Swap Provider or Qualifying Treasury Management Bank that is party to a Secured Swap Agreement or Secured Treasury Management Agreement (as applicable) but is *not* a party to this Agreement shall, by its delivery of a Secured Party Designation Notice to the Administrative Agent, be deemed to have acknowledged and accepted the appointment of the Agents pursuant to the terms of Article X, for itself and its Affiliates, as if a "*Lender*" party to this Agreement.

ARTICLE X

AGENCY

Section 10.1 Appointment and Authority.

(a) Each of the Lenders and the Issuing Bank hereby irrevocably appoints, designates and authorizes Regions to act, on its behalf, as the Administrative Agent and the Collateral Agent under this Agreement and the other Credit Documents, and hereby irrevocably authorizes the Administrative Agent

and the Collateral Agent to take such action(s) on its behalf, and to exercise such power(s) and perform such duties, as are delegated to the Administrative Agent or the Collateral Agent, as the case may be, by the terms of this Agreement and the other Credit Documents, together with all such action(s) and power(s) as are reasonably incidental thereto.

(b) The provisions of this Article X are *solely* for the benefit of the Agents (and their respective sub-agents, attorneys-in-fact and Related Parties), and none of the Lenders, the Credit Parties or Subsidiaries (or any of their respective sub-agents, attorneys-in-fact and Related Parties) shall have any rights as a third-party beneficiary of any of such provisions. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or any other Credit Document, neither the Administrative Agent nor the Collateral Agent shall have any duties or responsibilities hereunder or thereunder or in connection herewith or therewith, except for those duties and responsibilities expressly set forth herein or therein, nor shall the Administrative Agent or the Collateral Agent have, or be deemed to have, any fiduciary relationship with any Lender, assignee or participant at any time; and further, no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document, or shall otherwise exist, against the Administrative Agent or the Collateral Agent.

(c) The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities: (i) provided to the Administrative Agent under the Credit Documents with respect to any act(s) taken, or omission(s) to act, by the Collateral Agent in connection with any Collateral or any of the Collateral Documents, as fully as if the term “*Administrative Agent*” as used in such Credit Documents included the Collateral Agent with respect to such act(s) or omission(s); and (ii) as additionally provided in this Agreement or any other Credit Documents with respect to the Collateral Agent.

(d) The Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it, and the Issuer Documents associated therewith, until such time, and except for so long, as the Administrative Agent may agree, at the request of the Required Lenders in accordance with this Agreement, to act for the Issuing Bank with respect thereto, and the Issuing Bank shall have all of the benefits and immunities: (i) provided to the Administrative Agent under the Credit Documents with respect to any act(s) taken, or omission(s) to act, by the Issuing Bank in connection with Letters of Credit issued, or proposed to be issued, by it and the LC Application and other Issuer Documents relating to such Letters of Credit, as fully as if the term “*Administrative Agent*” as used in such Credit Documents included the Issuing Bank with respect to such act(s) or omission(s); and (ii) as additionally provided in this Agreement or any other Credit Document with respect to the Issuing Bank.

(e) Without limiting the generality of the foregoing, it is understood and agreed that the use of the term “agent” (or any other similar term) in this Agreement or any other Credit Document with reference to the Administrative Agent and/or the Collateral Agent is *not* intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used in this Agreement and the other Credit Documents *solely* and narrowly as a matter of market custom, and is intended to create or reflect *only* an administrative relationship between independent contracting parties.

Section 10.2 Exculpatory Provisions. Neither the Administrative Agent nor the Collateral Agent shall have any duties or other obligations under this Agreement or any other Credit Document, or otherwise in connection herewith or therewith, except for those duties and obligations that are expressly set forth in this Agreement and the other Credit Documents, and further, all of the respective duties and obligations of the Administrative Agent and the Collateral Agent under this Agreement and the other Credit Documents, or otherwise in connection herewith or therewith, shall be *solely* administrative in nature. Without limiting

the generality of the foregoing, none of the Administrative Agent, the Collateral Agent, nor any of their respective Affiliates or Related Parties shall, at any time:

(a) be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing;

(b) have any duty or obligation to take any discretionary action(s), or to exercise any discretionary power(s), except for those discretionary rights and powers that are expressly contemplated by this Agreement or another Credit Document, in each case, that the Administrative Agent or the Collateral Agent, as the case may be, is expressly required to exercise hereunder or thereunder, as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in this Agreement or such other Credit Document), to the extent applicable; provided, that, neither the Administrative Agent nor the Collateral Agent shall be required to take any action(s), or to omit to take any action(s), that, in its opinion or in the opinion of its designated counsel, may expose the Administrative Agent or the Collateral Agent to any liability, or that is in conflict (in the determination of the Administrative Agent or the Collateral Agent) with any provision of any Credit Document or any Applicable Law, including, for the avoidance of doubt, any action(s) or omission(s) that may be in violation of the automatic stay under any applicable Debtor Relief Law, or that may effect a forfeiture, modification or termination of any Property of a Defaulting Lender in violation of any applicable Debtor Relief Law;

(c) have any duty or responsibility to disclose, and none of the Administrative Agent, the Collateral Agent, nor any of their respective Affiliates or Related Parties shall be liable for any failure to disclose, to any Lender or the Issuing Bank any credit or other information concerning the business, prospects, operations, Property, and financial and/or other condition or creditworthiness of any of the Credit Parties or any of their respective Subsidiaries or Affiliates, in each case of the foregoing, that is communicated to, obtained by, or in the possession of any of the Administrative Agent, the Collateral Agent, any Arranger, or any of their respective Affiliates or Related Parties in any capacity, except for notices, reports and/or other documents that are expressly required to be furnished to the Lenders by the Administrative Agent or the Collateral Agent (as the case may be) pursuant to the express terms of this Agreement or another Credit Document;

(d) be liable for any action(s) taken, or any omission(s) to act, by the Administrative Agent or the Collateral Agent, or by any of their respective sub-agents, attorneys-in-fact or Related Parties, under, or in connection with, this Agreement or any other Credit Document, or otherwise in connection with any of the Related Transactions or under, or in connection with, any other Related Transaction Document: (i) with the consent, or at the request, of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent or the Collateral Agent, as the case may be, shall determine in good faith to be necessary, under the circumstances as provided in Section 11.4 and Section 9.2 to the extent applicable); or (ii) in the absence of its own bad faith, gross negligence or willful misconduct or the material breach by it of its respective obligations under this Agreement, in each case of the foregoing of this clause (d)(ii), as determined by a court of competent jurisdiction by final, non-appealable judgment;

(e) be responsible for the negligence, gross negligence or misconduct of any sub-agents and/or attorneys-in-fact selected by it, except to the extent that a court of competent jurisdiction has determined, in a final, non-appealable judgment, that the Administrative Agent acted in bad faith or with gross negligence or willful misconduct, or otherwise breached its obligations under this Agreement in a material respect, in the selection of any such sub-agent(s) and/or attorney(s)-in-fact;

(f) be deemed (for purposes of this Agreement or any other Credit Document, or otherwise in connection herewith or therewith) to have knowledge of any Default or Event of Default, unless and until

written notice thereof (which notice shall include an express reference to such event being a “*Default*” or “*Event of Default*” hereunder) is given to the Administrative Agent by the Borrower, any Lender or the Issuing Bank; and/or

(g) have any duty or responsibility for, or otherwise have any duty or obligation to any Lender, any Participant, or any other Person to ascertain or conduct any inquiry into: (i) any statement, warranty or representation made in, or in connection with, this Agreement or any other Credit Document, or otherwise regarding the existence, value or collectability of any or all of the Collateral or the existence, priority and/or perfection of the Collateral Agent’s Lien therein; (ii) the contents of any certificate, instrument, report or other document delivered hereunder or thereunder, or in connection herewith or therewith; (iii) the performance or observance of any of the covenants, agreements and/or other terms or conditions set forth in this Agreement or any other Credit Document, or the occurrence of any Default or any Event of Default; (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document, or any other agreement, certificate, instrument or document delivered in connection herewith or therewith; or (v) the satisfaction or waiver of any condition set forth in Article V or elsewhere in this Agreement or any other Credit Document or Related Transaction Document, other than to confirm receipt of those certain items expressly required to be delivered to the Administrative Agent or the Collateral Agent, as the case may be, on or prior to the Closing Date pursuant to Section 5.1.

The Administrative Agent and/or the Collateral Agent may consult with legal counsel (who may be their designated counsel or may be counsel to the Credit Parties), independent accountants, and/or other experts reasonably selected by any of them with respect to any of their respective duties and/or obligations, or any other matter, under this Agreement or any other Credit Document, and none of the Administrative Agent, the Collateral Agent, nor any of their respective Affiliates or Related Parties shall be liable in any way for any action(s) taken, or omission(s) to act, by any of them in accordance with the advice of any such counsel, accountants or experts. Furthermore, notwithstanding anything to the contrary in the foregoing or elsewhere in this Agreement or any other Credit Document, neither any Agent, nor any of their respective Affiliates or Related Parties, shall be responsible for or have any liability with respect to, or have any duty to ascertain, inquire into, monitor or enforce, compliance with any provisions of this Agreement relating to Disqualified Institutions. Without limitation of the foregoing, no Agent shall: (A) have any obligation to ascertain, monitor or inquire as to whether any Lender, Participant or assignee (or any prospective Lender, Participant or assignee) is a Disqualified Institution; or (B) have any liability whatsoever with respect to, or arising out of, any assignment(s) of and/or participation(s) in Loan(s) and/or Commitment(s), or any related disclosure of any confidential information, to any Disqualified Institution.

Section 10.3 Delegation of Duties.

(a) Each of the Administrative Agent and the Collateral Agent may perform any or all of their respective duties and obligations, and/or exercise any or all of their respective rights and powers, under this Agreement or any other Credit Document by or through any one (1) or more sub-agents or attorneys-in-fact appointed by the Administrative Agent or the Collateral Agent (as applicable). Each of the Administrative Agent, the Collateral Agent and any such sub-agent or attorney-in-fact may perform any and all of their respective duties and obligations, and/or exercise any or all of their respective rights and/or powers, in each case, by or through any of their respective Affiliates or Related Parties.

(b) The exculpatory provisions set forth in Section 10.2 shall apply to any and all action(s) taken, or omission(s) to act, by any such sub-agent or attorney-in-fact appointed in accordance with the foregoing clause (a), and by any of the respective Affiliates and Related Parties of the Administrative Agent and/or the Collateral Agent, under this Agreement or any other Credit Document or otherwise in connection with the syndication of the credit facilities described in this Agreement.

Section 10.4 Reliance by Agents.

(a) Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall *not* incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, or other writing (including any electronic message, Internet or intranet website posting or other distribution) reasonably believed by any of them to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent may also rely upon any statement made to any of them, or to any of their respective Affiliates or Related Parties, orally or by telephone, and reasonably believed by any of them to have been made by the proper Person, and further, none of the Administrative Agent, the Collateral Agent, nor any of their respective Affiliates or Related Parties shall incur any liability for relying thereon.

(b) In determining compliance with any condition under this Agreement to, or any provision under this Agreement otherwise relating to, the making of any Loan, or the issuance, extension, renewal or increase of any Letter of Credit, that, by its terms, must be fulfilled to the satisfaction of any of the Lenders or the Issuing Bank, each of the Administrative Agent and the Collateral Agent may presume that such condition or provision is satisfactory to such Lender(s) or the Issuing Bank, unless the Administrative Agent shall have received written notice to the contrary from such Lender(s) or the Issuing Bank prior to the making of such Loan or the issuance, extension, renewal or increase of such Letter of Credit, as the case may be.

Section 10.5 Non-Reliance on Administrative Agent, the Arrangers and Other Lenders.

(a) Each Lender and the Issuing Bank expressly acknowledges that none of the Administrative Agent, the Collateral Agent nor any Arranger has made any representation or warranty to it, and that no act by the Administrative Agent, the Collateral Agent or any Arranger hereafter taken, including any consent to, and acceptance of, any assignment or review of the affairs of any Credit Party (or any Subsidiary or Affiliate thereof) shall be deemed to constitute any representation or warranty by the Administrative Agent, the Collateral Agent or any Arranger to any other Lender as to any matter, including as to whether the Administrative Agent, the Collateral Agent or any Arranger has disclosed material information in their (or their Affiliates' or Related Parties') possession. Each Lender and the Issuing Bank hereby represents and warrants to each of the Administrative Agent, the Collateral Agent and each Arranger that it has, independently and without reliance upon any of the Administrative Agent, the Collateral Agent, any Arranger, any other Lender, or any of the respective Affiliates or Related Parties of any of the foregoing, and, based on such documents and information as it has deemed appropriate, has made its own independent credit analysis of, appraisal of, and investigation into, the business, prospects, operations, Property, financial and/or other condition and creditworthiness of the Credit Parties and their Subsidiaries, and all applicable bank and/or other regulatory Applicable Laws relating to the Related Transactions, and has made its own informed decision to enter into this Agreement and to extend credit to the Borrower under this Agreement in accordance with the terms hereof. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon any of the Administrative Agent, the Collateral Agent, any Arranger, any other Lender, or any of the respective Affiliates or Related Parties of any of the foregoing, and, based on such documents and information as it shall from time to time deem appropriate, continue to make its own independent credit analysis, appraisals and decisions in taking, or *not* taking, any action(s) under, or based upon, this Agreement, any other Credit Document, or any related agreement or any other document, certificate, agreement and/or instrument furnished hereunder or thereunder, and will make such investigations as it deems necessary or advisable in order to inform itself as to the business, prospects, operations, Property, financial and/or other condition and creditworthiness of the Credit Parties and their Subsidiaries.

(b) Each Lender hereby represents and warrants that: (i) (A) the Credit Documents set forth the terms of a commercial lending facility, and (B) such Lender is engaged in the making, acquiring or holding of commercial loans in the ordinary course, and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other credit facilities as set forth in this Agreement, as may be applicable to such Lender, and *not*, in any event, for the purpose of purchasing, acquiring or holding any other type of financial instrument or any security; and (ii) such Lender is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other credit facilities as set forth in this Agreement, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans, and/or to provide such other credit facilities, as the case may be, is experienced in making, acquiring or holding such commercial loans and/or providing such other credit facilities. Each Lender agrees *not* to assert a claim in contravention of any of the foregoing of this clause (b).

Section 10.6 Agents in Individual Capacity; Required Lender Instruction.

(a) Individual Capacity. The Person(s) serving as the Administrative Agent and/or the Collateral Agent shall have the same rights and powers under this Agreement and any other Credit Document in its or their capacity as a Lender as any other Lender, and such Person(s) may exercise, or refrain from exercising, the same as though it were *not* the Administrative Agent or the Collateral Agent, as the case may be; and further, the terms “*Lenders*”, “*Required Lenders*”, or any similar terms shall, unless the context clearly otherwise indicates, include the Person(s) serving as the Administrative Agent and/or the Collateral Agent in its or their individual capacity. Such Person(s), and/or any of its or their respective Affiliates, may accept deposits from, lend money to, own securities of, act as the financial advisor (or in any other advisory capacity) for, and generally engage in any kind of banking, trust, financial, advisory, underwriting and/or other business with, any Credit Party or any Subsidiary, or any of their respective Affiliates, as if such Person(s) were *not* the Administrative Agent or the Collateral Agent, as the case may be, and without any duty to account therefor to any of the Lenders or to otherwise provide notice to, or obtain the consent of, any of the Lenders with respect thereto.

(b) Required Lender Instruction. If any Agent shall request instructions from the Required Lenders in accordance with this Agreement or any other Credit Document with respect to any action(s) to be taken, or not taken, by it in connection with this Agreement or any other Credit Document, then such Agent shall be entitled to refrain from taking (or resolving to not take, as the case may be) such action(s) unless and until it shall have received instructions from such Lenders in respect thereof, and further, no Agent shall incur any liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of any Agent acting, or refraining from acting, under this Agreement or any other Credit Document in accordance with the instructions of the Required Lenders where required by the terms of this Agreement or any other Credit Document.

Section 10.7 Successor Agents.

(a) Each of the Administrative Agent and the Collateral Agent may, at any time, give notice of its resignation to the Lenders, the Issuing Bank and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower and, unless a Default or an Event of Default has occurred and is continuing, with the consent of the Borrower (such consent *not* to be unreasonably withheld, conditioned or delayed), to appoint a successor in such capacity, which shall be either (i) a Lender or an Affiliate of a Lender or (ii) if no Lender or such Affiliate of a Lender is willing to accept such appointment, then, a commercial bank that is organized under the laws of the United States or any state or district thereof, or an Affiliate of such a bank. If, within thirty (30) calendar days after the date on which the retiring Administrative Agent and/or Collateral Agent gives notice of its

resignation in accordance with this clause (a) (or such earlier date as shall be agreed to by the Required Lenders and, to the extent required under this clause (a), the Borrower, the “Resignation Effective Date”), no such successor shall have been appointed in accordance with this clause (a) or any such appointment shall *not* have been accepted by the successor Administrative Agent and/or Collateral Agent, then, in any such case of the foregoing, the retiring Administrative Agent and/or Collateral Agent may (but, in any event, shall *not* be obligated to), on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent and/or Collateral Agent, as the case may be, otherwise meeting the qualifications set forth in the foregoing of this clause (a); provided, that, in no event shall any such successor Administrative Agent and/or Collateral Agent be a Defaulting Lender. Notwithstanding anything to the contrary in the foregoing, and notwithstanding whether or *not* a successor has been appointed in accordance with this clause (a), any such resignation in accordance with this clause (a) shall become effective in accordance with such notice described in the foregoing of this clause (a) on the Resignation Effective Date.

(b) If any of the Person(s) serving as the Administrative Agent and/or the Collateral Agent is, at any time, a Defaulting Lender pursuant to clause (d) of the definition of “Defaulting Lender” in Section 1.1, then the Required Lenders may at such time, to the extent permitted by Applicable Law, in consultation with the Borrower and, unless a Default or an Event of Default has occurred and is continuing, with the consent of the Borrower (such consent *not* to be unreasonably withheld, conditioned or delayed), by notice in writing to the Borrower and such Person, remove such Person as the Administrative Agent and/or the Collateral Agent, as the case may be, and appoint a successor Administrative Agent and/or Collateral Agent in such capacity or capacities. If, within thirty (30) calendar days after the date on which the Required Lenders and, to the extent required under this clause (b), the Borrower give notice of the removal of the Administrative Agent and/or the Collateral Agent in accordance with this clause (b) (or such earlier date as shall be agreed to by the Required Lenders and, to the extent required under this clause (b), the Borrower, the “Removal Effective Date”), no such successor shall have been appointed in accordance with this clause (b) or any such appointment shall *not* have been accepted by the successor Administrative Agent and/or Collateral Agent, then, in any such case of the foregoing, such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date, as the case may be: (i) the retiring or removed Administrative Agent and/or Collateral Agent shall be discharged from all of its respective duties and obligations under this Agreement and the other Credit Documents, provided, that, in the case of any Collateral held by the Collateral Agent, the retiring or removed Collateral Agent shall continue to hold such Collateral until such time as a successor Collateral Agent is appointed; and (ii) except for any indemnity payments owed to the retiring or removed Administrative Agent and/or Collateral Agent, all payments, communications and determinations provided to be made by, to, or through the Administrative Agent and/or the Collateral Agent shall instead be made by or to each Lender and the Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent and/or Collateral Agent as provided for above in this Section 10.7. Upon the acceptance of a successor’s appointment as the Administrative Agent and/or the Collateral Agent, such successor shall succeed to, and become vested with all of the rights, powers, privileges and duties of, the retiring or removed Administrative Agent and/or Collateral Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent and/or Collateral Agent as of the Resignation Effective Date or the Removal Effective Date, as the case may be), and the retiring or removed Administrative Agent and/or Collateral Agent shall be discharged from all of its respective duties and obligations under this Agreement and/or any other Credit Document (if *not* already discharged therefrom as provided above in this Section 10.7). The fees payable by the Borrower to a successor Administrative Agent and/or Collateral Agent shall be the same as those payable to its predecessor, unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent’s and/or Collateral Agent’s resignation or removal under this Agreement, the provisions of this Article X and of Section 11.2 shall continue in effect for the benefit of such retiring or removed Administrative Agent and/or Collateral Agent, and each of their

respective Affiliates, Related Parties, sub-agents and attorneys-in-fact, in respect of any action(s) taken, or omission(s) to act, by any of them: (A) while the retiring or removed Administrative Agent and/or Collateral Agent was acting as Administrative Agent and/or Collateral Agent, as the case may be; and (B) after such resignation or removal, for as long as any of them continues to act in any capacity under this Agreement or any other Credit Document, including in respect of any action(s) taken, or omission(s) to act, in connection with transferring their agency under this Agreement or any other Credit Document to any successor Administrative Agent and/or Collateral Agent.

(d) In addition to the foregoing, if a Lender becomes, and during the applicable period it remains, a Defaulting Lender, and, if any Default has arisen from a failure of the Borrower to comply with the agreements set forth in Section 2.15, then, the Issuing Bank and the Swingline Lender may, upon prior written notice to the Borrower, the Administrative Agent and the Collateral Agent, resign as Issuing Bank or Swingline Lender, as the case may be, effective at the close of business on a date specified in such notice (which date may *not* be *less than* five (5) Business Days after the date of such notice).

(e) Any resignation by, or removal of, Regions as the Administrative Agent pursuant to this Section 10.7 shall also constitute its resignation or removal, as the case may be, as the Issuing Bank and the Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent: (i) such successor shall succeed to, and become vested with all of the rights, powers, privileges and duties of, the retiring Issuing Bank and Swingline Lender; and (ii) the retiring Issuing Bank and Swingline Lender shall each be discharged from all of their respective duties and obligations under this Agreement and the other Credit Documents; and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding as of the time of such succession, or make other arrangement(s) satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

Section 10.8 Withholding Taxes. To the extent required by any Applicable Law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding Taxes. If the IRS, or any other applicable Governmental Authority, asserts a claim that the Administrative Agent did *not* properly withhold tax from amounts paid to, or for the account of, any Lender (because the appropriate form was *not* delivered, or was *not* properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has *not* already been reimbursed by the Credit Parties, and without limiting the obligation of the Credit Parties to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs, and any out-of-pocket expenses.

Section 10.9 No Other Duties. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, none of the Arrangers, nor any of the Documentation Agents, Co-Documentation Agents, Syndication Agents or Co-Syndication Agents listed on the cover page to this Agreement (to the extent that any such Person(s) and/or title(s) are so listed), shall have any powers, duties or responsibilities under this Agreement or any other Credit Document, except in their respective capacity or capacities as the Administrative Agent, the Collateral Agent, the Swingline Lender, a Lender or the Issuing Bank, as applicable.

Section 10.10 Agents May File Proofs of Claim.

(a) In case of the pendency of any proceeding under any applicable Debtor Relief Law or any other receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment,

composition or other judicial proceeding relative to any Credit Party or Subsidiary, each of the Administrative Agent and the Collateral Agent (irrespective of whether the principal of any Loan or any Revolving Credit Exposure shall then be due and payable, as herein expressed or by declaration or otherwise, and irrespective of whether the Administrative Agent or the Collateral Agent shall have made any demand on any Credit Party or any Subsidiary) shall be entitled and empowered (but, in any event, *not* obligated), by intervention in any such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans or Revolving Credit Exposure, and all other Obligations that are owing and unpaid, and to file such other document(s) as may be necessary or advisable (in the determination of the Administrative Agent and/or the Collateral Agent, as the case may be) in order to have the claims of each of the Lenders, the Issuing Bank, the Administrative Agent, the Collateral Agent, and any other Benefitted Parties (including any claim for the reasonable and documented compensation, out-of-pocket expenses, disbursements and/or advances of the Lenders, the Issuing Bank, the Administrative Agent, the Collateral Agent, any other Benefitted Parties, and/or any of the respective agents, sub-agents, attorneys-in-fact and/or counsel of any of the foregoing, together with all other amounts due to any of the Lenders, the Issuing Bank, the Administrative Agent, the Collateral Agent, and/or any other Benefitted Parties under Section 2.10 and Section 11.2) allowed in such proceeding; and

(ii) to collect and receive any monies or other Property payable or deliverable on any such claims, and to distribute the same.

(b) Each Lender and the Issuing bank hereby irrevocably authorize any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such proceeding referred to in the foregoing clause (a) to make such payments to the Administrative Agent, and, in the event that the Administrative Agent shall consent in writing to the making of such payments directly to any or all of the Lenders and/or the Issuing Bank, to pay to the Administrative Agent any amount(s) due in respect of the reasonable and documented compensation, out-of-pocket expenses, disbursements and/or advances of the Administrative Agent, the Collateral Agent, and/or any of the respective agents, sub-agents, attorneys-in-fact and/or counsel of any of the foregoing, together with all other amounts due to any of the Administrative Agent or the Collateral Agent under Section 2.10 and Section 11.2.

(c) The holders of the Obligations hereby irrevocably authorize Administrative Agent, acting at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of all or some of the Obligations pursuant to a deed in lieu of foreclosure, strict foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including Sections 363, 1123 or 1129 thereof, or any similar Applicable Law in any other jurisdictions to which a Credit Party is subject, or (b) at any sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent of, or at the direction of) Administrative Agent (whether by judicial action or otherwise) in accordance with any Applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the holders thereof shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle(s) used to consummate such purchase). In connection with any such credit bid (i) Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle(s) (provided that any actions by Administrative Agent with respect to such acquisition vehicle(s),

including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and (ii) to the extent that any Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (whether as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Debt that is credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the holders of the Obligations pro rata and the Equity Interests or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled without the need for any Lender or any acquisition vehicle to take any further action.

(d) Nothing contained in this Agreement or any other Credit Document shall be deemed to authorize either the Administrative Agent or the Collateral Agent to: (i) authorize or consent to, or accept or adopt, on behalf of any of the Lenders or the Issuing Bank, any plan of reorganization, arrangement, adjustment and/or composition affecting any or all of the Obligations and/or the rights of any of the Lenders or the Issuing Bank in connection therewith; or (ii) vote in respect of the claim of any of the Lenders or the Issuing Bank in any such proceeding referred to in the foregoing clause (c)(i).

Section 10.11 Authorization to Execute Other Credit Documents. Each Lender hereby authorizes the Administrative Agent and the Collateral Agent to execute, on behalf of all of the Lenders, all Credit Documents (including all of the Collateral Documents and any applicable subordination and/or intercreditor agreements) other than this Agreement.

Section 10.12 Collateral and Guaranty Matters. The Lenders, on behalf of themselves and their Affiliates, the Issuing Bank and each other Benefitted Party hereby irrevocably authorize each of the Administrative Agent and the Collateral Agent, at their option and in their discretion, to:

(a) release any Lien on any Property granted to, or held by, the Collateral Agent under any Credit Document: (i) upon the Payment in Full of all of the Obligations owing under this Agreement and the other Credit Documents (it being expressly acknowledged and agreed that (A) neither the consent of any Qualifying Swap Provider nor the consent of any Qualifying Treasury Management Bank, in respect of any Secured Swap Obligations and/or any Secured Treasury Management Obligations (as applicable) owing to them, shall be required in connection with any release of Liens by the Administrative Agent and/or the Collateral Agent in accordance with this clause (a), and (B) the Payment in Full of all Obligations other than the Obligations owing under this Agreement and the other Credit Documents (including the Payment in Full of all Secured Swap Obligations and all Secured Treasury Management Obligations) shall *not* be required in connection with any release of Liens by the Administrative Agent and/or the Collateral Agent in accordance with this clause (a)); (ii) that is sold (or otherwise disposed of), or to be sold (or otherwise disposed of), as part of, or in connection with, any Asset Sale permitted under this Agreement and the other Credit Documents, or otherwise consented to in accordance with the terms of this Agreement and the other Credit Documents; or (iii) if approved, authorized or ratified in writing in accordance with Section 11.4; and

(b) release any Credit Party from its respective Guaranty and/or any other obligations under the Credit Documents to which it is a party (or in respect of which it is otherwise bound): (i) upon the Payment in Full of all of the Obligations owing under this Agreement and the other Credit Documents (it being expressly acknowledged and agreed that (A) neither the consent of any Qualifying Swap Provider nor the consent of any Qualifying Treasury Management Bank, in respect of the Secured Swap Obligations and/or Secured Treasury Management Obligations (as applicable) owing to them, shall be required in connection with any releases of any Credit Parties by the Administrative Agent and/or the Collateral Agent in accordance with this clause (b), and (B) the Payment in Full of all Obligations other than the Obligations owing under this Agreement and the other Credit Documents (including the Payment in Full of all Secured

Swap Obligations and all Secured Treasury Management Obligations) shall *not* be required in connection with any releases of any Credit Parties by the Administrative Agent and/or the Collateral Agent in accordance with this clause (b); or (ii) if any such Person (other than the Borrower) that is a Guarantor ceases to be a Subsidiary that is *not* an Excluded Subsidiary as a result of a transaction (or series of related transactions) permitted under this Agreement and the other Credit Documents.

Upon request by the Administrative Agent and/or the Collateral Agent at any time, the Required Lenders will confirm, in writing, the Administrative Agent's and/or the Collateral Agent's authority to release its interest in particular types or items of Property, or to release any Credit Party from its Guaranty (in the case of any Guarantor) and other obligations under the Credit Documents to which it is a party (or in respect of which it is otherwise bound) pursuant to this Section 10.12. In each case as specified in this Section 10.12, each of the Administrative Agent and the Collateral Agent are authorized, at the Borrower's sole expense, to execute and deliver to the applicable Credit Party such document(s) and/or instrument(s) as such Credit Party may reasonably request in order to evidence the release of such item(s) of Collateral from the Liens granted under the applicable Collateral Documents, or to release such Credit Party from its Guaranty (in the case of any Guarantor) and other obligations under the Credit Documents to which it is a party (or in respect of which it is otherwise bound), in each case of the foregoing, in accordance with the terms of the Credit Documents and this Section 10.12.

Section 10.13 Right to Realize on Collateral and Enforce Guarantee. Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, each of the Credit Parties, the Administrative Agent, the Collateral Agent, the Issuing Bank, each Lender, and each other Benefitted Party hereby agrees that: (i) no Benefitted Party shall have any right, individually, to realize upon any of the Collateral, or to enforce any obligations under this Agreement or any other Credit Document, it being understood and agreed that all powers, rights and remedies under this Agreement and the other Credit Documents may be exercised *solely* by the Administrative Agent and/or the Collateral Agent, as the case may be, on behalf of the Benefitted Parties in accordance with the express terms hereof or thereof; and (ii) in the event of a foreclosure by the Collateral Agent on any or all of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Collateral Agent, as agent for, and representative of, the Benefitted Parties (but *not* any Lender(s) in its or their respective individual capacities, unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all, or any portion, of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at any such sale or other disposition.

Section 10.14 Secured Swap Obligations and Secured Treasury Management Obligations. No Secured Swap Agreement or Secured Treasury Management Agreement will create (or be deemed to create) in favor of any Qualifying Swap Provider or any Qualifying Treasury Management Bank, respectively, that is a party thereto any rights in connection with the management or release of any Collateral or any obligations of any Credit Party under any of the Credit Documents, except as expressly provided in this Agreement or another Credit Document. By accepting the benefits of the Collateral, each Qualifying Swap Provider and each Qualifying Treasury Management Bank shall be deemed to have appointed the Collateral Agent as its agent in accordance with this Article X and to have agreed to be bound by the Credit Documents as a holder of the Obligations, subject to the limitations set forth in this Section 10.14. Furthermore, it is understood and agreed that each Qualifying Swap Provider and each Qualifying Treasury Management Bank, in their capacity as such, shall *not* have any right to notice of any action, or to consent to, direct or otherwise object to, any action(s) taken, or omission(s) to act, under this Agreement or any other Credit Document or otherwise in respect of any or all of the Collateral (including the release or impairment of any Collateral, or to any notice of, or consent to, any amendment, restatement, amendment and restatement, supplement, replacement, waiver, and/or other written modification of any of the provisions of this

Agreement or any other Credit Document), other than in its capacity as a Lender (to the extent applicable), and, in any such case of the foregoing, only to the extent expressly provided in this Agreement and the other Credit Documents.

Section 10.15 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, the Issuing Bank, any other holder(s) of the Obligations or any other Person(s) who has received funds on behalf of a Lender, the Issuing Bank, or any other holder(s) of the Obligations (any such Person, a “Payment Recipient”) that the Administrative Agent has determined in its sole discretion (whether or *not* after its receipt of any notice delivered pursuant to clause (b) below) that any funds received by such Payment Recipient from the Administrative Agent, or any of its Affiliates, were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or *not* known to such Lender, Issuing Bank, other holder(s) of the Obligations or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall, at all times, remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Payment Recipient shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in *no event later than* two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from, and including, the date on which such Erroneous Payment (or portion thereof) was received by such Payment Recipient to, and including, the date such amount is repaid to the Administrative Agent in same day funds at the *greater of* the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice delivered from the Administrative Agent to any Payment Recipient pursuant to this clause (a) shall be conclusive and binding, absent manifest error.

(b) Without limiting anything in the immediately foregoing clause (a), each Lender, the Issuing Bank, each other holder(s) of the Obligations party hereto, and each other Person party hereto who has received funds on behalf of a Lender, the Issuing Bank, or any other holder(s) of the Obligations hereby further agrees that, if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (I) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (II) that was *not* preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (III) that such Lender, Issuing Bank, other holder of the Obligations, or other such recipient(s) otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), in each case of the foregoing:

(i) (A) in any such case of the immediately preceding clauses (b)(I) or (b)(II), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary), or (B) in any such case of the immediately preceding clause (b)(III), an error has been made, in each case of the foregoing clauses (b)(i)(A) and (b)(i)(B), with respect to such payment, prepayment or repayment; and

(ii) promptly (and, in any event, within one (1) Business Day of its obtaining knowledge of such error) notify the Administrative Agent of its receipt of such payment,

prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this clause (b).

(c) Each Lender, the Issuing Bank and each other holder of the Obligations party hereto hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, the Issuing Bank or such other holder of the Obligations under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender, the Issuing Bank and/or such other holder(s) of the Obligations from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is *not* recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with foregoing clause (a), from any Lender, the Issuing Bank, any other holder(s) of the Obligations, or any other Payment Recipient(s) that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on the respective behalf of any of the foregoing) (such unrecovered amount, an “*Erroneous Payment Return Deficiency*”), upon the Administrative Agent’s notice to such Lender, the Issuing Bank, such other holder(s) of the Obligations or such other Payment Recipient(s), as the case may be, at any time: (i) such Lender, the Issuing Bank, such other holder(s) of the Obligations or such other Payment Recipient(s), as the case may be, shall be deemed to have assigned (to the extent it has any such Loans) its Loans (but *not* its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the “*Erroneous Payment Impacted Class*”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of such Loans (but *not* Commitments) of the Erroneous Payment Impacted Class, the “*Erroneous Payment Deficiency Assignment*”) at par *plus* any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and such Lender, the Issuing Bank, such other holder(s) of the Obligations or such other Payment Recipient(s), as the case may be, is hereby (together with the Borrower) deemed to have executed and delivered an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to Debtdomain, Intralinks, Syndtrak, or a substantially similar electronic transmission system as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and further, such Lender, the Issuing Bank, such other holder(s) of the Obligations or such other Payment Recipient(s), as the case may be, shall deliver any Notes evidencing any such Loans to the Administrative Agent; (ii) the Administrative Agent, as the assignee Lender, shall be deemed to acquire the Erroneous Payment Deficiency Assignment; (iii) upon such deemed acquisition, the Administrative Agent, as the assignee Lender, shall become a Lender, the Issuing Bank or such other type of holder of the Obligations, as the case may be, hereunder with respect to such Erroneous Payment Deficiency Assignment, and further, the assigning Lender, the Issuing Bank, or such other holder(s) of the Obligations shall cease to be a Lender, the Issuing Bank, or such other holder(s) of the Obligations, as the case may be, hereunder with respect to such Erroneous Payment Deficiency Assignment, but *excluding*, for the avoidance of doubt, such Person’s obligations under the indemnification provisions of this Agreement and its applicable Commitments, which shall survive as to such assigning Lender, Issuing Bank or other holder(s) of the Obligations; and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and, upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender, Issuing Bank, other holder(s) of the Obligations or other such Payment Recipient(s), as the case may be, shall be *reduced* by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender, the Issuing Bank, such other holder(s) of the Obligations or such other Payment Recipient(s), as the case may be (and/or against any recipient that receives funds on the respective behalf of any of the foregoing). For the avoidance of doubt, no Erroneous Payment

Deficiency Assignment will reduce the Commitments of any Lender or the Issuing Bank, and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all of the rights and interests of the applicable Lender, Issuing Bank, or other holder(s) of the Obligations under the Credit Documents with respect to each Erroneous Payment Return Deficiency (the “*Erroneous Payment Subrogation Rights*”) (provided that the Credit Parties’ Obligations under the Credit Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to Administrative Agent under an Erroneous Payment Deficiency Assignment).

(e) The parties hereto agree that an Erroneous Payment shall *not* pay, prepay, repay, discharge, or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party, except, in each case, to the extent that such Erroneous Payment is, and *solely* with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Credit Party for application against the Obligations.

(f) To the extent permitted by Applicable Law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and each party hereto, to the extent constituting a Payment Recipient, hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including waiver of any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 10.15 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, any Lender, the Issuing Bank, or any other holder(s) of the Obligations, the termination of any or all of the Commitments, and/or the repayment, satisfaction or discharge of any or all of the Obligations (or any portion thereof) under any Credit Document.

ARTICLE XI

MISCELLANEOUS

Section 11.1 Notices.

(a) Notices Generally. All notices and other communications provided for herein or in any other Credit Document shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier or electronic mail, as follows:

(ii) if to any other Lender, to the address, telecopier number or electronic mail address in its Administrative Questionnaire on file with Administrative Agent.

All such notices and other communications sent to any party to this Agreement or any other Credit Document, in accordance with the terms hereof and/or thereof (as applicable), shall be deemed to be effective as delivered and made upon the *earlier* to occur of (i) actual receipt by the relevant party hereto

Notwithstanding anything to the contrary in the foregoing of this Section 11.1, in no event shall a voice mail message be, or be deemed to be, effective as a notice, communication and/or confirmation under this Agreement or any other Credit Document.

(b) Electronic Communications. Notices and other communications to Administrative Agent, the Lenders and the Issuing Bank hereunder or under any other Credit Document may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures adopted or approved by Administrative Agent from time to time; provided that the foregoing shall not apply to notices to any Lender or the Issuing Bank if such Lender or the Issuing Bank, as applicable, has notified Administrative Agent and Borrower that it is incapable of receiving such notices and other communications by electronic communication. Administrative Agent may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures adopted or approved by it; provided that adoption or approval of such procedures may be limited to particular notices or communications. Unless Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor, provided that, with respect to clauses (i) and (ii) above, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, Etc. Any party hereto may change its address, telecopier number or e-mail address for notices and other communications hereunder and under any other Credit Documents by written notice to the other parties hereto in the manner prescribed in subsection (a) above.

(d) Platform.

(i) Each Credit Party agrees that the Administrative Agent, the Collateral Agent and/or each Arranger may, but shall *not* be obligated to, make the Communications available to the Issuing Bank and the other Lenders by posting the Communications on a Platform.

(ii) THE PLATFORMS USED BY THE AGENTS ARE PROVIDED "AS IS" AND "AS AVAILABLE". NEITHER THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY ARRANGER NOR ANY OF THEIR RESPECTIVE RELATED PARTIES REPRESENT OR WARRANT AS TO THE ACCURACY OR COMPLETENESS OF ANY OF THE BORROWER MATERIALS OR THE ADEQUACY OF ANY PLATFORM, AND THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ARRANGERS AND EACH OF THEIR RESPECTIVE RELATED PARTIES EXPRESSLY DISCLAIM LIABILITY FOR ERRORS AND/OR OMISSIONS IN THE COMMUNICATIONS AND FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT

OF THIRD-PARTY RIGHTS, OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, THE ARRANGERS, OR ANY OF THEIR RESPECTIVE RELATED PARTIES IN CONNECTION WITH THE BORROWER MATERIALS, THE COMMUNICATIONS OR ANY PLATFORM. In no event shall the Administrative Agent, the Collateral Agent, any Arranger, or any of their respective Related Parties have any liability to any Credit Party or any Subsidiary, any Lender, the Issuing Bank, or any other Person(s) for losses, claims, damages, liabilities and/or expenses of any kind, including direct or indirect, special, incidental and/or consequential damages, losses or expenses, whether or not based on strict liability (whether in tort, contract or otherwise) arising out of any Credit Party's, the Administrative Agent's, the Collateral Agent's or any Arranger's transmission of any Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities, and/or expenses are determined by a court of competent jurisdiction, by a final and non-appealable judgment, to have directly and proximately resulted from the bad faith, gross negligence or willful misconduct of the Administrative Agent, the Collateral Agent, any Arranger or such Related Party or from the material breach by the Administrative Agent or the Collateral Agent of its respective obligations under this Agreement; provided, that, in no event shall the Administrative Agent, the Collateral Agent, any Arranger, or any of their respective Related Parties have any liability to any Credit Party or any Subsidiary, any Lender, the Issuing Bank, or any other Person(s) for indirect, special, incidental, consequential, and/or punitive damages (as opposed to direct or actual damages) arising out of any Credit Party's, the Administrative Agent's, the Collateral Agent's or any Arranger's transmission of Communications (whether through a Platform or otherwise).

Section 11.2 Expenses; Indemnification; Damage Waiver.

(a) Expenses. The Credit Parties, on a joint and several basis, shall pay: (i) all reasonable and documented costs and out-of-pocket expenses of the Administrative Agent, the Collateral Agent, the Arrangers and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of external one primary external counsel (and, if necessary, a single external local counsel in each relevant material jurisdiction) for the Administrative Agent, the Collateral Agent, the Arrangers and their respective Affiliates, in connection with the arrangement and/or syndication of the credit facilities described in this Agreement, the preparation and administration of the Credit Documents and any amendments, restatements, amendments and restatements, supplements, extensions, increases, renewals and/or other modifications or waivers hereof or thereof (whether or not the transactions contemplated in this Agreement or any other Credit Document shall be consummated); (ii) all reasonable and documented costs and out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal and/or extension of any Letter of Credit, or any demand for payment thereunder; and (iii) all reasonable and documented costs and out-of-pocket expenses of the Administrative Agent, the Collateral Agent, the Arrangers, the Issuing Bank and any Lender, including the reasonable and documented out-of-pocket fees, charges and disbursements of one primary external counsel (and, if necessary, a single external local counsel in each relevant material jurisdiction and in the event of any actual or perceived conflict of interest, where the Indemnitee (as defined below) affected by such conflict informs the Borrower of such conflict, one (1) additional counsel for the Administrative Agent, the Collateral Agent, the Arrangers, the Issuing Bank and any Lender, in each case, subject to such conflict) for the Administrative Agent, the Collateral Agent, the Arrangers, the Issuing Bank and any Lender, in connection with the enforcement and/or protection of their respective rights in connection with this Agreement and the other Credit Documents, including any of their respective rights under this Section 11.2, or in connection with any Loans made or any Letters of Credit issued under this Agreement, including all such costs and expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification. The Credit Parties, on a joint and several basis, shall indemnify each of the Agents (and any sub-agent(s) thereof), the Arrangers, each Lender and the Issuing Bank, each Affiliate of each of the foregoing Persons, and each Related Party of each of the foregoing Persons (each such Person and Related Party, individually, an “Indemnatee”, and taken together, the “Indemnitees”), against, and hold each Indemnatee harmless from, any and all losses, claims (whether valid or not), damages (jointly and severally), liabilities, penalties, actions, judgments, suits, costs, expenses and/or disbursements of any kind or nature (collectively, “Losses”), including the reasonable and documented fees, charges and disbursements of external counsel for any Indemnatee, whether incurred by any Indemnatee or asserted against any Indemnatee by the Borrower, any other Credit Party or any other Person, in each case of the foregoing, arising out of or in connection with, or incurred or asserted (as the case may be) as a result of, (i) the execution and/or delivery of this Agreement, any other Credit Document, any other Related Transaction Documents, or any other agreement(s) and/or instrument(s) contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, or the consummation of any or all of the Related Transactions, (ii) any Loan or Letter of Credit, or any actual or proposed use of proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do *not* strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on or from any Property owned or operated by any Credit Party or Subsidiary, or any actual or alleged Environmental Liability related in any way to any Credit Party or Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third-party or by any Credit Party, and regardless of whether any Indemnatee is a party thereto; provided, that, the indemnity provided pursuant to this clause (b) shall *not*, as to any Indemnatee, be available to the extent that such Losses (A) are determined by a court of competent jurisdiction in a final, non-appealable judgment to have directly and proximately resulted from (I) the gross negligence, bad faith or willful misconduct of such Indemnatee (including any Related Party of such Indemnatee), or (II) the material breach by such Indemnatee of its obligations under this Agreement and the other Credit Documents, or (B) directly and proximately result from claim(s) *not* involving any act(s) or omission(s) of any Credit Party or any Subsidiary that are brought by one (1) or more Indemnitees against one (1) or more other Indemnitees (other than any such claims brought against the Arrangers, the Administrative Agent, the Collateral Agent and/or the Issuing Bank in their respective capacities as such). Notwithstanding anything to the contrary in the foregoing, this clause (b) shall *not* apply with respect to Taxes, other than any Taxes that represent Losses arising from any non-Tax claim.

(c) Taxes and Related Payments. The Credit Parties shall pay, and shall hold the Administrative Agent, the Collateral Agent, the Issuing Bank and each of the Lenders harmless from and against, any and all present and future stamp, documentary and other similar Taxes with respect to this Agreement and the other Credit Documents, any Collateral described herein or therein, and/or any payments due hereunder or thereunder, and shall save the Administrative Agent, the Collateral Agent, the Issuing Bank and each Lender harmless from and against any and all liabilities with respect to, or resulting from, any delay or omission to pay such Taxes.

(d) Lender Backstop. To the extent that the Credit Parties, for any reason, fail to pay any amount required to be paid by it pursuant to the foregoing clauses (a) through (c) to the Administrative Agent (or any sub-agent thereof), the Collateral Agent (or any sub-agent thereof), the Issuing Bank, the Swingline Lender, or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent), the Issuing Bank, the Swingline Lender or such Related Party, as the case may be, such Lender’s Pro Rata Share (in each case, determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided, that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by, or asserted against, the Administrative Agent (or any such sub-agent thereof), the Collateral Agent (or any such sub-agent thereof),

the Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent), the Issuing Bank or the Swingline Lender in connection with such capacity. The obligations of the Lenders under this clause (d) are subject to the provisions of this Agreement that provide that their obligations are several in nature, and *not* joint and several.

(e) Waiver of Consequential Damages, Etc. To the fullest extent permitted by Applicable Law, no Credit Party nor any Subsidiary shall assert, and each Credit Party hereby expressly waives (and shall cause their Subsidiaries to waive), any claim(s) against any Indemnitee, on any theory of liability (whether contract, tort or otherwise), for special, indirect, consequential or punitive damages (as opposed to actual or direct damages) arising out of, in connection with, or as a result of (the execution or consummation of, or any performance under, as applicable), this Agreement, any other Credit Document, any other Related Transaction Document, any other document(s), agreement(s) and/or instrument(s) contemplated hereby or thereby, any of the Related Transactions, or any Loan or Letter of Credit or any actual or proposed use of proceeds thereof. Nothing in this clause (e) shall relieve any Credit Party of any obligation that it may have to indemnify any Indemnitee against any special, indirect, consequential and/or punitive damages (as opposed to actual or direct damages) asserted against such Indemnitee by a third-party.

(f) Timing of Payments. All amounts due under this Section 11.2 shall be payable promptly and, in any event, within ten (10) Business Days after written demand therefor (including delivery of copies of applicable invoices (which may be in summary form), if any).

(g) Survival. The provisions of this Section 11.2 shall survive the resignation and/or replacement of the Administrative Agent, the Collateral Agent, the Issuing Bank, the Swingline Lender and/or any Lender and/or the Payment in Full of any or all of the Obligations.

Section 11.3 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender, the Issuing Bank, or any such Affiliate to, or for the credit or the account of, any Credit Party against any and all of the obligations of the Credit Parties now or hereafter existing under this Agreement or any other Credit Document to such Lender, the Issuing Bank or their respective Affiliates, irrespective of whether or *not* such Lender, the Issuing Bank or such Affiliate shall have made any demand under this Agreement or any other Credit Document, and although such obligations of the Credit Parties may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender or the Issuing Bank that is different from the branch or office holding such deposit or obligated on such indebtedness, as the case may be; provided, that, in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16, and, pending such payment, shall be segregated by such Defaulting Lender from its other Property and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank, and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing, in reasonable detail, the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the Issuing Bank, and each of their respective Affiliates under this Section 11.3 are in *addition* to the other rights and remedies (including other rights of setoff) that such Lender, the Issuing Bank, or their respective Affiliates may have. Each of the Lenders and the Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided, that, the failure to give such notice shall *not* affect the validity of such setoff and application.

Section 11.4 Waiver; Amendments.

(a) Waiver. No waiver of any provision of this Agreement or of any other Credit Document, nor any consent to any departure by any Credit Party therefrom, shall, in any event, be effective, unless the same shall be permitted by clause (b) below, and then, such waiver or consent shall be effective only in the specific instance, and for the specific purpose, for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance of a Letter of Credit shall *not* be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Collateral Agent, any Lender or the Issuing Bank may have had actual or constructive notice, or actual or imputed knowledge, of any such Default or Event of Default at such time.

(b) Required Consents. Except as otherwise expressly provided in this Agreement and subject to clause (c) below, no amendment or waiver of any provision of this Agreement or of any other Credit Document (other than any Auto-Borrow Agreement), nor any consent to any departure by any Credit Party therefrom, shall, in any event, be effective, unless the same shall be in writing and signed by Holdings, the Borrower and the Required Lenders, or Holdings, the Borrower and the Administrative Agent with the consent of the Required Lenders, and then, such amendment, waiver or consent shall be effective *only* in the specific instance, and for the specific purpose, for which given; provided, that, no such amendment, waiver or consent shall be effective without (subject to clause (c) below):

(i) the written consent of each Lender (other than any Defaulting Lender) that would be directly affected thereby, if such amendment, waiver or consent would, or would have the effect of:

(A) extending the Revolving Commitment Termination Date or the DDTL Commitment Termination Date;

(B) waiving, reducing or postponing any scheduled repayment (but *not* any voluntary or mandatory prepayment) under this Agreement or any other Credit Document;

(C) changing the provisions of Section 2.12, Section 2.14, Section 2.16(a)(ii) and/or Section 9.3, as applicable, in each case of the foregoing, in any manner that would alter the *pro rata* sharing of payments and/or the order of application required thereby;

(D) extending the stated expiration date of any Letter of Credit beyond the Revolving Commitment Termination Date;

(E) reducing the principal of, or the rate of interest on, any Loan or any fee(s) and/or premium(s) payable under this Agreement or any other Credit Document; provided, that, only the consent of the Borrower and the Required Lenders shall be necessary to amend (I) the definition of “*Default Rate*” in Section 1.1, or to waive any obligation of the Credit Parties to pay interest at the Default Rate, (II) any financial covenant set forth in Section 8.8 (and/or any terms defined in Section 1.1 that are used therein), even if the economic effect of such amendment would be to *reduce* the rate of interest on any Loan or the amount of any fee(s) payable under this Agreement or any other Credit Document;

(F) extending the time for payment of any such interest or fees;

(G) reducing any reimbursement obligation in respect of any Letter of Credit;

(H) changing any of the provisions of this Section 11.4, the definition of “Required Lenders”, or any other provision of this Agreement or any other Credit Document specifying the number or percentage of Lenders (whether based on the Outstanding Amount of Loans and/or LC Obligations of such Lender(s), the amount of any Commitments of such Lender(s), or otherwise) that are required to: (I) waive, amend and/or modify any rights under this Agreement or any other Credit Document; or (II) make any determination(s), and/or grant any consent or waiver, under this Agreement or any other Credit Document;

(I) (I) releasing all, or substantially all, of the Guarantors, or (II) limiting the liability of such Guarantors under Article IV or under any other guaranty agreement Guaranteeing the Obligations;

(J) releasing all, or substantially all, of the Collateral securing any of the Obligations;

(K) subordinating, in whole or in part, (I) any of the Liens in favor of the Collateral Agent securing any or all of the Obligations to any Liens securing any Indebtedness, or (II) any of the Obligations in contractual right of payment to any Indebtedness, in each case of the foregoing clauses (I) and (II), other than as expressly permitted or contemplated by this Agreement and the other Credit Documents as each are in effect on the Closing Date; or

(L) consenting to: (I) the release of the Borrower from its obligations under this Agreement or any other Credit Document to which it is a party; or (II) the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document (except pursuant to a transaction permitted under this Agreement and the other Credit Documents);

(M) increasing any Commitment of such Lender over the amount thereof then in effect; provided, that, no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall constitute an increase in any Commitment of any Lender;

(ii) the written consent of the Swingline Lender, if such amendment, waiver or consent would amend, modify, terminate or waive any provision of this Agreement or any other Credit Document relating to the Swingline Sublimit or the Swingline Loans;

(iii) the written consent of the Issuing Bank, if such amendment, waiver or consent would amend, modify, terminate or waive any obligation of Lenders relating to the purchase of participations in Letters of Credit as provided in Section 2.3(e); or

(iv) the written consent of the Administrative Agent or Collateral Agent, as applicable, if such amendment, waiver or consent would amend, modify, terminate or waive any provision of this Article XI or any other provision of this Agreement or any other Credit Document as the same applies to the rights and/or obligations of the Administrative Agent and/or the Collateral Agent;

provided, further, that, no such amendment, waiver or consent shall, in any event, amend, modify or otherwise affect the respective rights, duties or obligations of the Administrative Agent, the Collateral Agent, the Swingline Lender or the Issuing Bank, in any such case of the foregoing, without the prior written consent of such Person.

(c) Notwithstanding anything to the contrary in the foregoing of this Section 11.4 or elsewhere in this Agreement or any other Credit Document:

(i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent under this Agreement or any other Credit Document, except that the Commitments of such Lender may *not* be increased or extended, and amounts payable to such Lender under this Agreement or any other Credit Document (including in respect of Loans and/or LC Obligations) may *not* be permanently reduced, in each case of the foregoing of this clause (c)(i), without the written consent of such Lender (other than reductions in fees and interest in which such reduction does *not* disproportionately affect such Lender);

(ii) this Agreement may be amended (A) pursuant to an Incremental Facility Agreement effected in accordance with Section 2.1(d)(ii), (B) to effect Conforming Changes in accordance with Section 2.7(h), and (C) in connection with the implementation of a Benchmark Replacement and/or any related Conforming Changes, all as provided in Section 3.1(f);

(iii) this Agreement and any other Credit Document may be amended, restated or amended and restated, without the consent of any Lender (but with the written consent of the Borrower, the Administrative Agent and the Collateral Agent), if, upon giving effect to such amendment, restatement or amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended, restated or amended and restated, as the case may be), the Commitments of such Lender shall have terminated (but such Lender shall continue to be entitled to the benefits of Section 3.1(c), Section 3.2, Section 3.3 and Section 11.2), such Lender shall have no other commitment or other obligation under this Agreement or any other Credit Document, and such Lender shall have been Paid in Full all principal, interest and other amounts constituting Obligations owing to it, or accrued for its account, under this Agreement and the other Credit Documents;

(iv) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code supersede the unanimous consent provisions set forth in this Agreement;

(v) Disqualified Institutions shall be treated in accordance with Section 11.5;

(vi) any Auto-Borrow Agreement may be amended, or any rights and/or privileges thereunder waived, in a writing executed only by the parties thereto;

(vii) the consent of any Credit Party shall *not* be required for any amendment, modification or waiver to or of the provisions of Article X (other than the provisions of Section 10.7 or Section 10.12), so long as such amendment, modification or waiver does *not* adversely affect the rights of the Credit Parties;

(viii) the Credit Parties and the Agents, without the consent of any Lender, may enter into any amendment, modification or waiver to or of any Credit Document, or enter into any new document(s), agreement(s) and/or instrument(s), in any such case of the foregoing, to effect the granting, perfection, protection, expansion and/or enhancement of any security interest in any Collateral, or any additional Property to become Collateral, for the benefit of the Benefitted Parties, or as required by local law in order to give effect to, or protect any security interest for the benefit of the Benefitted Parties, in any Property, or so that the security interests therein comply with Applicable Law; and

(ix) if, following the Closing Date, the Agents and the Borrower shall have jointly identified an inconsistency, defect, mistake, obvious error, ambiguity, or omission or oversight of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then, the Agents and the Credit Parties shall be permitted to amend such provision, and such amendment shall become effective without any further action or consent of any other party to any Credit Documents, so long as such amendment does *not* adversely affect the rights of any Lender, the Issuing Bank, or any other Benefitted Party in any material respect.

Section 11.5 Successors and Assigns.

(a) Restriction. The provisions of this Agreement and the other Credit Documents shall be binding upon, and inure to the benefit of, the parties hereto and thereto (as applicable) and their respective successors and permitted assigns; provided, that, (i) no Credit Party may assign, or otherwise transfer, any of its respective rights and/or obligations under this Agreement or any other Credit Document without the prior written consent of each Agent and each Lender, and (ii) no Lender may assign, or otherwise transfer, any of its respective rights and/or obligations under this Agreement or any other Credit Document, except (A) to an assignee in accordance with the provisions of clause (b) below, (B) by way of participation in accordance with the provisions of clause (d) below, or (C) by way of pledge or assignment of a security interest subject to the restrictions set forth in clause (e) below (and any other attempted assignment or transfer by any such party shall be null and void). Nothing in this Agreement or any other Credit Document, expressed or implied, shall be construed to confer upon any Person (other than the parties to this Agreement and the other Credit Documents, their respective successors and permitted assigns, Participants *solely* to the extent provided in clause (d) below, and, to the extent expressly contemplated by this Agreement, the Related Parties of each Agent and each Lender) any legal or equitable right, remedy or claim under, or by reason of, this Agreement or any other Credit Document.

(b) Assignments by Lenders. Any Lender may, at any time, assign to one (1) or more assignees all, or a portion, of its rights and/or obligations under this Agreement and the other Credit Documents (including all, or a portion, of its Commitments, Loans, and other Revolving Credit Exposure at the time owing to it); provided, that, any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments, Loans and other Revolving Credit Exposure at the time owing to it (in each case, with respect to any credit facility) or contemporaneous assignments to Approved Funds that equal *at least* the amounts specified in clause (b)(i)(B) below in the aggregate), or, in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case *not* described in the foregoing clause (b)(i)(A), the aggregate amount of the Commitment (which, for this purpose, includes Loans and Revolving Credit Exposure outstanding thereunder) or, if the applicable Commitment is *not* then in effect, the principal outstanding balance of the Loans and Revolving Credit Exposure of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is executed and delivered to the Administrative Agent, or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall *not* be *less than* Two Million Dollars (\$2,000,000) (or, if less, the entire amount of the assigning Lender's Revolving Commitment and/or portion of the assigned Revolving Loans), in the case of any assignment in respect of any Revolving Commitments and/or Revolving Loans, or Five Million Dollars (\$5,000,000)

(or, if *less*, the entire amount of the assigning Lender's Term Loan Commitment of the applicable Class and/or portion of assigned Term Loans), in the case of any assignment in respect of any Term Loan Commitments and/or Term Loans, unless Administrative Agent and, so long as no Event of Default shall have occurred and is continuing, the Borrower otherwise consents (each such consent *not* to be unreasonably withheld, conditioned or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to Loans, other Revolving Credit Exposure or the Commitments assigned; provided, that, this clause (b)(ii) shall *not* prohibit any Lender from assigning all, or any portion, of its rights and/or obligations among separate Classes of Commitments, and/or separate Classes of Loans, on a non-*pro rata* basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by the foregoing clause (b)(i)(B), and, in addition, the written consent of:

(A) the Borrower (such consent *not* to be unreasonably withheld, conditioned or delayed) shall be required (subject to the last sentence of this clause (b)), unless (I) an Event of Default has occurred and is continuing at the time of such assignment, or (II) such assignment of a Term Loan is to a Lender, an Affiliate of a Lender, or an Approved Fund of such Lender; provided, that, (1) the Borrower shall be deemed to have consented to any such assignment, unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, and (2) notwithstanding anything to the contrary in the foregoing, so long as no Event of Default has occurred and is continuing, the Borrower's prior written consent (in its sole discretion) shall be required with respect to any assignments to a Disqualified Institution;

(B) the Administrative Agent (such consent *not* to be unreasonably withheld, conditioned or delayed) shall be required for: (I) any assignment to any Person that is *not* a Lender, an Affiliate of a Lender, or an Approved Fund of a Lender; and (II) any assignment by a Defaulting Lender;

(C) the Issuing Bank (such consent *not* to be unreasonably withheld, conditioned or delayed) shall be required for any assignment: (I) in respect of the Revolving Commitments; or (II) that increases the obligation of the assignee to participate in exposure under one (1) or more Letters of Credit (whether or not then outstanding); and

(D) the Swingline Lender (such consent *not* to be unreasonably withheld, conditioned or delayed) shall be required for any assignment: (I) in respect of the Revolving Commitments; or (II) that increases the obligation of the assignee to participate in exposure under one (1) or more Swingline Loans.

(iv) Assignment and Assumption. The parties to each assignment (including, in any event, the assignor and assignee) shall: (A) execute and deliver to the Administrative Agent (I) a duly executed Assignment and Assumption, (II) an Administrative Questionnaire, unless the assignee is already a Lender, and (III) the documents required under Section 3.3(f)(ii), as applicable; and (B) pay to the Administrative Agent a processing and recordation fee in an amount of Three Thousand Five Hundred Dollars (\$3,500) (unless waived, in whole or in part, by the Administrative Agent in its sole discretion).

(v) No Assignment to Certain Persons. No such assignment shall be made, in any event, to: (A) any Credit Party, any Subsidiary or Affiliate of any Credit Party; (B) any Defaulting Lender or any Subsidiary of a Defaulting Lender; (C) a natural person (or to a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of, a natural person); or (D) any other Person who, upon becoming a Lender, would constitute any of the foregoing Persons described in the foregoing of this clause (b)(v).

(vi) Certain Additional Payments. In connection with any assignment of rights and/or obligations of any Defaulting Lender under this Agreement or any other Credit Document, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Credit Parties and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but *not* funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to: (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Collateral Agent, the Issuing Bank, the Swingline Lender, and each other Lender under this Agreement (and interest accrued thereon); and (B) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Revolving Commitment Percentage. Notwithstanding anything to the contrary in the foregoing, in the event that any assignment of rights and/or obligations of any Defaulting Lender under this Agreement or any other Credit Document shall become effective under Applicable Law without compliance with the provisions of this clause (b)(vi), then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement and the other Credit Documents until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) below, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, shall have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement and the other Credit Documents (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement and the other Credit Documents, such Lender shall cease to be a party hereto (and thereto, as applicable)), but shall continue to be entitled to the benefits of Section 3.1(c), Section 3.2, Section 3.3 and Section 11.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that, except to the extent expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party under this Agreement or any other Credit Document arising from such Lender's having been a Defaulting Lender. The Borrower shall execute and deliver on request, at its own expense, Notes to the assignee evidencing the interests taken by way of assignment under this Agreement or any other Credit Document. Any assignment or transfer by a Lender of rights and/or obligations under this Agreement or any other Credit Document that does *not* comply with this clause (b) shall be treated, for purposes of this Agreement and the other Credit Documents, as a sale by such Lender of a participation in such rights and/or obligations in accordance with clause (d) below.

(c) Register. The Administrative Agent, acting *solely* for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one (1) of its offices in the United States, a copy of each Assignment and Assumption delivered to it, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and Revolving Credit Exposure owing to, each Lender pursuant to the terms of this Agreement from time to time (the "Register").

The entries in the Register shall be conclusive and binding absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms of this Agreement as a Lender for all purposes of this Agreement and the other Credit Documents. Information contained in the Register with respect to any Lender shall be available for inspection by such Lender at any reasonable time, and from time to time upon reasonable prior notice; information contained in the Register shall also be available for inspection by the Borrower at any reasonable time, and from time to time upon reasonable prior notice. In establishing and maintaining the Register, the Administrative Agent shall serve as the Borrower's agent *solely* for tax purposes, and *solely* with respect to the actions described in this Section 11.5, and the Credit Parties hereby agree that, to the extent that Regions serves in such capacity, Regions and its Related Parties shall constitute "*Indemnitees*".

(d) Participations.

(i) Generally. Any Lender may, at any time, without the consent of, or notice to, any Credit Party, any Agent, the Swingline Lender or the Issuing Bank, sell participations to any Person (other than any Person identified in clause (b)(v) above or, as long as no Event of Default has occurred and is continuing at the time of such sale, any Disqualified Institution) (each, a "*Participant*") in all, or a portion, of such Lender's respective rights and/or obligations under this Agreement (including all, or a portion, of its Commitment(s) and/or the Loan(s) owing to it), provided, that: (i) such Lender's respective obligations under this Agreement shall remain unchanged; (ii) such Lender shall remain *solely* responsible to the other parties to this Agreement for the performance of such obligations; and (iii) the Borrower, the Agents, the Issuing Bank, the Swingline Lender, and the other Lenders shall continue to deal *solely* and directly with such Lender in connection with such Lender's respective rights and obligations under this Agreement and the other Credit Documents.

(ii) Content. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Credit Documents to which it is a party (subject, in any event, to Section 10.13) and to approve any amendment, restatement, amendment and restatement, supplement, increase, extension, refinancing, renewal, replacement, and/or other modification to, and/or waiver of, any provision of this Agreement and/or any other Credit Document; provided, that, such agreement or instrument may provide that such Lender will *not*, without the consent of the Participant, agree to any amendment, restatement, amendment and restatement, supplement, increase, extension, refinancing, renewal, replacement, and/or other modification or waiver described in Section 11.4(b)(i) that, in any such case, directly affects such Participant.

(iii) Benefits and Obligations. The Borrower agrees that each Participant shall be entitled to the benefits of Article III (subject to the requirements and limitations therein, including the requirements under Section 3.3(f) (it being understood that the documentation required under Section 3.3(f) shall be obtained by the participating Lender from each of its Participants)) to the same extent as if it were a "*Lender*" and had acquired its interest by assignment pursuant to the foregoing clause (b); provided, that, such Participant (A) agrees to be subject to the provisions of Section 2.17 and Section 3.4, as if it were a Lender, and (B) shall *not* be entitled to receive any greater payment under Section 3.2 or Section 3.3, with respect to any participation, than the applicable participating Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation, in which case such Participant shall deliver the certificate required of a Lender pursuant to Section 3.2(c) to the Lender and such participating Lender shall confirm receipt of such certificate for the Borrower and provide all relevant details relating thereto to the Borrower (other than the identity

of the Participant). Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.17 with respect to any Participant.

(iv) Participant Register. To the extent permitted by Applicable Law, each Participant shall also be entitled to the benefits of Section 11.3 as though it were a "Lender"; provided, that, such Participant agrees to be subject to Section 2.14 as though it were a "Lender". Each Lender that sells a participation shall, acting *solely* for this purpose as a non-fiduciary agent of the Borrower, maintain a register at one (1) of its offices in the United States on which it enters the name(s) and address(es) of each Participant, and the principal amount(s) (and stated interest) of each Participant's interest in the Commitments, Loans and/or Revolving Credit Exposure under the Credit Documents (the "Participant Register"); provided, that, no Lender shall have any obligation to disclose all, or any portion, of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans and/or Revolving Credit Exposure under any Credit Document) to any Person, except to the extent that such disclosure is necessary to establish that such Commitment, Loan and/or Revolving Credit Exposure is in registered form under Section 5f.103–1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive and binding absent manifest error, and the Credit Parties and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation interest for all purposes of this Agreement and the other Credit Documents, notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(e) Pledge or Assignment of Security Interest. Any Lender may, at any time, pledge or assign a security interest in all, or any portion, of its rights under this Agreement or any other Credit Document to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 11.5 shall *not* apply to any such pledge or assignment of a security agreement; provided, that, no such pledge or assignment shall release such Lender from any of its obligations under this Agreement or any other Credit Document, or substitute any such pledgee or assignee for such Lender as a party hereto or thereto.

(f) Disqualified Institutions.

(i) No assignment shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the applicable Lender entered into an Assignment and Assumption or other binding agreement to sell and/or assign all, or a portion, of its respective right(s) and/or obligation(s) under this Agreement to such Person (unless the Borrower shall have otherwise consented to such sale and/or assignment, or Borrower's consent was not required at the time of such sale and/or assignment, in accordance with this Section 11.5, in which case, such Person shall *not* be considered to be a "Disqualified Institution" for purposes of such sale and/or assignment). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution *after* the applicable Trade Date (including as a result of the delivery of a written notice by the Borrower in accordance with, and/or the expiration of an applicable notice period referred to in, the definition of "Disqualified Institution" in Section 1.1), such assignee shall *not* retroactively be considered to be a "Disqualified Institution" for any purposes of this Agreement or any other Credit Document. Any assignment in violation of this clause (f)(i) shall be void and of no effect.

(ii) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to: (A) post the written list of Disqualified Institutions identified by the Borrower to the Administrative Agent in accordance with the definition of

“*Disqualified Institutions*” in Section 1.1 (such written list, as provided by the Borrower to the Administrative Agent prior to the Closing Date and as supplemented and/or revised thereafter in accordance with the definition of “*Disqualified Institution*” in Section 1.1, the “*DQ List*”), on the Platform; and/or (B) provide a copy of the DQ List, as in effect from time to time, to each Lender requesting the same.

Section 11.6 Independence of Covenants. All covenants under this Agreement and the other Credit Documents shall be given independent effect so that, if a particular action or condition is *not* permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall *not* avoid the occurrence of a Default or an Event of Default if such action is taken or such condition exists.

Section 11.7 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made in this Agreement and/or any other Credit Document, and/or in any document(s), certificate(s) and/or instrument(s) delivered in connection herewith or therewith, shall survive the execution and delivery of this Agreement and the other Credit Documents and the making of any Credit Extension(s). Notwithstanding anything to the contrary in this Agreement or any other Credit Document or otherwise implied by Applicable Law, the agreements of each Credit Party set forth in Section 3.1(c), Section 3.2, Section 3.3, Section 11.2, Section 11.3, and Section 11.9, and the agreements of the Lenders and the Agents set forth in Section 2.14, Section 10.2 and Section 11.2(d), shall each survive the Payment in Full of any or all of the Obligations.

Section 11.8 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege under this Agreement or any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent, the Issuing Bank and each Lender herein are cumulative and shall be in *addition* to, and independent of, all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents, any Swap Agreements or any Treasury Management Agreements. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy under this Agreement, any Credit Document, any Swap Agreement and/or any Treasury Management Agreement shall *not* impair any such right, power or remedy, or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Section 11.9 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any Property in favor of any Credit Party or any other Person, or against, or in payment of, any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to any Agent, the Issuing Bank, the Swingline Lender or the Lenders (or to an Agent, on behalf of Lenders), or any Agent, the Issuing Bank or the Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments, or the proceeds of such enforcement or setoff, or any part thereof, are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any applicable Debtor Relief Law, any other state or federal Applicable Law, common law or any equitable cause, then, in any such case of the foregoing, to the extent of such recovery, the obligation, or part thereof, originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had *not* been made or such enforcement or setoff had *not* occurred.

Section 11.10 Severability. Any provision of this Agreement or any other Credit Document held to be illegal, invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, shall be ineffective

to the extent of such illegality, invalidity or unenforceability without affecting the legality, validity or enforceability of the remaining provisions hereof or thereof; and further, the illegality, invalidity or unenforceability of a particular provision in a particular jurisdiction shall *not* invalidate or render unenforceable such provision in any other jurisdiction.

Section 11.11 Obligations Several; Independent Nature of Lenders' Rights. The obligations of the Lenders under this Agreement and the other Credit Documents are several and no Lender shall be responsible for the obligations or Commitments of any other Lender under this Agreement or any other Credit Document. Nothing contained in this Agreement or any other Credit Document, and no action(s) taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time under this Agreement to each Lender shall be a separate and independent debt, and, subject to Section 10.13, each Lender shall be entitled to protect and enforce its rights arising under this Agreement and the other Credit Documents, and it shall *not* be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 11.12 Applicable Laws.

(a) Governing Law. THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS, UNLESS OTHERWISE SPECIFIED BY THE TERMS HEREOF OR THEREOF OR UNLESS THE LAWS OF ANOTHER JURISDICTION MAY, BY REASON OF MANDATORY PROVISIONS OF SUCH LAW, GOVERN THE PERFECTION, PRIORITY, OR ENFORCEMENT OF SECURITY INTERESTS IN ANY COLLATERAL, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES OR OTHER RULE OF LAW THAT WOULD CAUSE THE APPLICATION OF THE LAW OF ANY JURISDICTION OTHER THAN THE LAW OF THE JURISDICTION STATE (BUT GIVING EFFECT TO FEDERAL LAWS RELATING TO NATIONAL BANKS).

(b) Submission to Jurisdiction. Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its respective Property, to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, and of the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of any appellate court from any thereof, in any action or proceeding arising out of, or relating to, this Agreement or any other Credit Document or the transactions contemplated hereby or thereby, or for recognition or enforcement of any judgment, and each of the parties to this Agreement hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such District Court or New York state court, or, to the extent permitted by Applicable Law, such appellate court. Each of the parties to this Agreement agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. Nothing in this Agreement or any other Credit Document shall affect any right that the Administrative Agent, the Collateral Agent, the Issuing Bank, the Swingline Lender or any other Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Credit Document against any Credit Party, or any of its respective Property, in the courts of any jurisdiction.

(c) Waiver of Venue. Each party to this Agreement irrevocably and unconditionally waives any objection that it may now or hereafter have to the laying of venue of any such suit, action or proceeding described in the foregoing clause (b), and brought in any court referred to, in the foregoing clause (b). Each of the parties to this Agreement irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party to this Agreement irrevocably consents to the service of process in the manner provided for delivery of notices in Section 11.1. Nothing in this Agreement or any other Credit Document will affect the right of any party hereto to serve process in any other manner permitted by Applicable Law.

Section 11.13 WAIVER OF JURY TRIAL. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF THIS AGREEMENT OR ANY OTHER RELATED TRANSACTION DOCUMENT, ANY OF ALL OF THE RELATED TRANSACTIONS, OR ANY OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY OF LIABILITY). EACH PARTY HERETO: (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD *NOT*, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.13.

Section 11.14 Confidentiality.

(a) Each of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information, provided, that, Information may be disclosed:

(i) to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential);

(ii) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or any of its Related Parties (including any self-regulatory authority, such as the NAIC);

(iii) to the extent required by Applicable Laws or by any subpoena or similar compulsory legal process;

(iv) to any other party to this Agreement or any other Credit Document;

(v) in connection with the exercise of any remedies under this Agreement or any other Credit Document, or any action(s) and/or proceeding(s) relating to this Agreement or any other Credit Document, or the enforcement of rights hereunder or thereunder;

(vi) subject to an agreement containing provisions substantially the same as those of this Section 11.14, to: (A) any assignee of, or Participant in, or any prospective assignee of or Participant in (including, for purposes hereof, any new lenders invited to join hereunder on an increase in the Loans and Commitments, whether by exercise of an accordion, by way of amendment or otherwise, but for the avoidance of doubt excluding any Disqualified Institution), any of its rights and/or obligations under this Agreement; or (B) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to any Credit Party or any of their respective Obligations, this Agreement, or payments under this Agreement;

(vii) on a confidential basis, to: (A) any rating agency in connection with rating any Credit Party or Subsidiary, or the credit facilities described in this Agreement; or (B) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities described in this Agreement;

(viii) with the consent of the Borrower;

(ix) to the extent that such Information becomes: (A) publicly available, other than as a result of a breach of this Section 11.14; or (B) available to the Administrative Agent, the Collateral Agent, any Lender, the Issuing Bank, or any of their respective Affiliates on a non-confidential basis from a source other than a Credit Party or Subsidiary; or

(x) for purposes of establishing a “due diligence” defense.

(b) Any Person required to maintain the confidentiality of Information as provided in this Section 11.14 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(c) Each of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders acknowledges that: (i) the Information may include material non-public information concerning any Credit Party or any Subsidiary, as the case may be; (ii) it has developed compliance procedures regarding the use of material non-public information; and (iii) it will handle such material non-public information in accordance with Applicable Law, including U.S. federal and state securities laws.

(d) Notwithstanding anything to the contrary in this Section 11.14, the Credit Parties consent to the use of information related to the arrangement of the Loans by each Arranger, each Lender, and each of their respective Affiliates in connection with marketing, press releases or other transactional announcements or updates provided to investor or trade publications, including the placement of “tombstone” advertisements in publications of their choice at their own expense; provided, that, to the extent that such marketing, press releases or other transactional announcements include material information about the Credit Parties or their Subsidiaries and/or their respective businesses, other than the names and logos of the Credit Parties and their Subsidiaries and the amount(s), type(s) and closing date(s) of the Loans and Commitments established hereby, each Arranger and each such Lender or Affiliate shall obtain the prior written consent of the Borrower (which consent shall *not* be unreasonably withheld, conditioned or delayed). Further, the Arrangers, the Lenders and their respective Affiliates may provide to market data collectors and industry trade organizations information related to the type of, purpose of, amount of, and parties to the credit facilities described in this Agreement, together with such information necessary and customary for inclusion in industry league table measurements, and the Credit Parties hereby consent to such provision of such information.

Section 11.15 Usury Savings Clause. Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, the aggregate interest rate charged, or agreed to be paid, with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under Applicable Laws, shall *not exceed* the Highest Lawful Rate. If the rate of interest (determined without regard to the immediately preceding sentence) under this Agreement at any time *exceeds* the Highest Lawful Rate, then the aggregate outstanding amount of the Loans shall bear interest at the Highest Lawful Rate until the total amount of interest due under this Agreement equals the amount of interest that would have been due under this Agreement if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if, when the Loans are Paid in Full, the total interest due under this Agreement (taking into account the increase provided for above) is *less than* the total amount

of interest that would have been due under this Agreement if the stated rates of interest set forth in this Agreement had at all times been in effect, then, to the extent permitted by Applicable Law, the Borrower shall pay to the Administrative Agent an amount equal to the *difference* between the amount of interest paid and the amount of interest that would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding anything to the contrary in the foregoing, it is the intention of the Lenders and each of the Credit Parties to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration that constitutes interest in *excess* of the Highest Lawful Rate, then any such excess shall be cancelled automatically, and, if previously paid, shall, at such Lender's option, be applied to the aggregate outstanding amount of the Loans or be refunded to each of the applicable Credit Parties. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender *exceeds* the Highest Lawful Rate, such Person may, to the extent permitted by Applicable Laws: (a) characterize any payment that is *not* principal as an expense, fee, or premium, rather than as interest; (b) *exclude* voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate and spread, in equal or unequal parts, the total amount of interest, throughout the contemplated term of the Obligations under this Agreement and the other Credit Documents.

Section 11.16 Electronic Execution; Counterparts.

(a) Electronic Execution. Each of the parties hereto hereby agrees that: (i) the electronic signature of any party to this Agreement or to any other Credit Document shall be as valid as an original "wet" signature of such party thereto, and further, that such signature shall be effective to bind such party to this Agreement or to such other Credit Document, as applicable; and (ii) any electronically signed document (including this Agreement and each other Credit Document) shall be deemed to (A) be "written" or "in writing", (B) have been signed, (C) constitute a record established and maintained in the ordinary course of business, and (D) constitute an original written record when printed from electronic files. Such paper copies or "printouts", if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent, and under the same conditions, as other original business records created and maintained in documentary form. None of the parties hereto shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as *not* satisfying the business records exception to the hearsay rule. For purposes of this Section 11.16: (I) "electronic signature" shall mean a manually-signed original signature that is then transmitted by electronic means; (II) "transmitted by electronic means" shall mean sent in the form of a facsimile or sent via the internet as a ".pdf" (portable document format) or other replicating image attached to an e-mail message; and (III) "electronically signed document" shall mean a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

(b) Counterparts. This Agreement and each other Credit Document may be executed by one (1) or more of the parties to this Agreement or such other Credit Document (as the case may be) on any number of separate counterparts, and all of said counterparts shall, taken together, be deemed to constitute one (1) and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement, or any other Credit Document, by facsimile transmission or any other electronic mail in ".pdf" format, shall be as effective as delivery of a manually executed counterpart of this Agreement or such other Credit Document.

Section 11.17 No Advisory or Fiduciary Relationship. In connection with all aspects of each Related Transaction (including in connection with any amendment, restatement, amendment and restatement, supplement, increase, extension, waiver, and/or other modification hereof or of any other Credit Document), each Credit Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Collateral Agent, the Arrangers and/or the Lenders are arm's-length commercial transactions between the Credit Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the Collateral Agent, the Arrangers and the Lenders, on the other hand, (ii) each

Credit Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) each Credit Party is capable of evaluating and understanding, and fully understands and voluntarily accepts, the terms, risks and conditions of each of the Related Transactions and of the Credit Documents; (b) (i) each of the Administrative Agent, the Collateral Agent, the Arrangers, and the Lenders is, and has been, acting *solely* as a principal, and, except as expressly agreed in writing by the relevant parties, has *not* been, is *not*, and will *not* be acting as an advisor, agent or fiduciary, for any Credit Party, any of their respective Affiliates, or any other Person, and (ii) none of the Administrative Agent, the Collateral Agent, any Arranger or any Lender has any obligation to any Credit Party, or any of their respective Affiliates, with respect to any of the Related Transactions, except those obligations expressly set forth in this Agreement and the other Credit Documents; and (c) the Administrative Agent, the Collateral Agent, the Arrangers, the Lenders, and each of their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Credit Parties and their respective Affiliates, and none of the Administrative Agent, the Collateral Agent, the Arrangers or the Lenders has any obligation to disclose any of such interests to any Credit Party or any of their respective Affiliates. To the fullest extent permitted by Applicable Law, each Credit Party hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent, each Arranger, and each Lender with respect to any breach, or alleged breach, of agency or fiduciary duty in connection with any aspect of any of the Related Transactions.

Section 11.18 Integration. This Agreement, the other Credit Documents, and any separate letter agreement(s) relating to any fees payable to the Administrative Agent, the Collateral Agent, any Arranger and/or any of their respective Affiliates, taken together, constitute the entire agreement among the parties hereto and thereto and their respective Affiliates regarding the subject matters hereof and thereof, and supersede all prior agreements and understandings, oral or written, regarding such subject matters.

Section 11.19 Waiver of Effect of Corporate Seal. Each Credit Party hereby: (a) represents and warrants to the Administrative Agent, the Collateral Agent and each of the Lenders that neither it, nor any other Credit Party, is required, pursuant to its Organizational Documents or any Applicable Law, to affix its corporate (or analogous) seal to this Agreement or any other Credit Document to which it is a party; (b) agrees that this Agreement and each other Credit Document to which it is a party is delivered by such Credit Party to the Administrative Agent, the Collateral Agent and each of the Lenders under seal; and (c) waives any shortening of the statute of limitations that may result from *not* affixing any such corporate (or analogous) seal to this Agreement or any other Credit Document.

Section 11.20 Patriot Act; Beneficial Ownership. The Administrative Agent, the Collateral Agent and each Lender subject to the Patriot Act and/or the Beneficial Ownership Regulation, as the case may be, hereby notifies the Credit Parties that: (a) pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of such Credit Party and other information that will allow such Lender, the Administrative Agent or the Collateral Agent, as applicable, to identify such Credit Party in accordance with the Patriot Act; and (b) pursuant to the Beneficial Ownership Regulation, it is required to obtain a Beneficial Ownership Certification with respect to the Borrower.

Section 11.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding by or among any of such parties hereto or thereto, each party hereto acknowledges and agrees that any liability of any Lender (including any successor) that is an Affected Financial Institution arising under any Credit Document, to the extent that such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority, and each party hereto agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder that

may be payable to it by any Lender (or any successor) that is an Affected Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable, (i) a reduction, in full or in part, or cancellation of any such liability, (ii) a conversion of all, or a portion, of such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to, or otherwise conferred on, it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document, or (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 11.22 Certain ERISA Matters.

(a) Each Lender (I) represents and warrants, as of the date on which such Person became a Lender party hereto, to, and (II) covenants, from, and including, the date on which such Person became a Lender party hereto to, and including, the date on which such Person ceases being a Lender party hereto, in each case of the foregoing clauses (a)(I) and (a)(II), for the benefit of, the Administrative Agent, the Collateral Agent, each Arranger, and each of their respective Affiliates, and *not*, for the avoidance of doubt, to, or for the benefit of, any Credit Party or any Subsidiary, that *at least* one (1) of the following is and will be true:

(i) such Lender is *not* using “plan assets” (within the meaning of 29 CFR §2510.3–101, as modified by Section 3(42) of ERISA) of one (1) or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and/or performance of its respective obligations under, or in connection with, any of the Loans, the Letters of Credit, the Commitments and/or this Agreement;

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84–14); (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer, and perform its respective obligations under, or in connection with, the Loans, the Letters of Credit, the Commitments and this Agreement; (C) the entrance into, participation in, administration of, and performance of its respective obligations under, or in connection with, the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84–14; and (D) to the best knowledge of such Lender, the requirements of sub-section (a) of Part I of PTE 84–14 are satisfied with respect to such Lender’s entrance into, participation in, administration of, and performance of its respective obligations under, or in connection with, the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representations, warranties and covenants as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either the foregoing clause (a)(i) is true with respect to a Lender or such Lender has provided other applicable representations, warranties and covenants in accordance with the foregoing clause (a)(iv), such Lender further (I) represents and warrants, as of the date on which such Person became a Lender party hereto, and (II) covenants, from, and including, the date on which such Person became a Lender party hereto to, and including, the date on which such Person ceases being a Lender party hereto, in each case of the foregoing clauses (b)(I) and (b)(II), for the benefit of the Administrative Agent, the Collateral Agent, each Arranger and each of their respective Affiliates, and *not*, for the avoidance of doubt, to, or for the benefit of, any Credit Party or any Subsidiary, that none of the Administrative Agent, the Collateral Agent, any Arranger, or any of their respective Affiliates is a fiduciary with respect to any of the Property of such Lender involved in such Lender's entrance into, participation in, administration of, and/or performance of its respective obligations under, or in connection with, any of the Loans, the Letters of Credit, the Commitments and/or this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent, the Collateral Agent, any Arranger, or any of their respective Affiliates under this Agreement, any other Credit Document, or any other documents, certificates, agreements and/or instruments related hereto or thereto or executed and delivered in connection herewith or therewith).

Section 11.23 Acknowledgement Regarding Any Supported QFCs.

(a) To the extent that the Credit Documents provide support, through a Guarantee or otherwise, for any Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support"; and each such QFC, a "Supported QFC"), the parties hereto acknowledge and agree with the provisions of clause (b) below with respect to the resolution power of the U.S. Federal Deposit Insurance Corporation under the U.S. Federal Deposit Insurance Act and Title II of the U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder or in connection therewith, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions set forth in clause (b) below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States.

(b) In the event that a Covered Entity that is a party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in Property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in Property) were governed by the laws of the United States or a state of the United States. In the event that a Covered Party, or a BHC Act Affiliate of a Covered Party, becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to *no greater* extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall, in no event, affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Section 11.24 Judgment Currency.

(a) If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due under this Agreement or any other Credit Document in any currency (the "Original Currency") to another

currency (the “Other Currency”), the parties hereby agree, to the fullest extent permitted by Applicable Law, that the rate of exchange used shall be that at which, on the relevant date, in accordance with its normal banking procedures, the Administrative Agent and each Lender could purchase the Original Currency with the Other Currency after any premium and/or costs of exchange on the Business Day immediately preceding that on which final judgment is given.

(b) The obligation of the Credit Parties in respect of any sum due from the Borrower to the Administrative Agent or any Lender hereunder shall, notwithstanding any judgment in any Other Currency, whether pursuant to a judgment or otherwise, be discharged only to the extent that, on the Business Day of receipt (if received by 1:00 P.M., and otherwise on the following Business Day) by any Lender of any sum adjudged to be so due in such Other Currency, such Lender may, on the relevant date, in accordance with its normal banking procedures, purchase the Original Currency with such Other Currency. If the amount of the Original Currency so purchased is *less than* the sum originally due to such Lender in the Original Currency, then the applicable Credit Parties agree, as a separate obligation and notwithstanding any such judgment or payment, to indemnify the Administrative Agent and each Lender against such loss. If the amount of the Original Currency so purchased is *in excess of* the sum originally due to such Lender in the Original Currency, then such excess shall promptly be refunded to the applicable Credit Parties.

Section 11.25 Intercompany Subordination. Each Credit Party hereby subordinates the payment of any and all Indebtedness and/or other obligations from time to time owing from any other Credit Party or any Subsidiary to it, whether now existing or hereafter arising (including any obligation(s) of any other Credit Party or any Subsidiary owing to such Credit Party from time to time as subrogee of the Benefitted Parties, or otherwise resulting from such Credit Party’s performance (or lack of performance) under this Agreement and/or any other Credit Document), in each case, to the Payment in Full of the Obligations. Upon the occurrence and during the continuance of an Event of Default, if the Administrative Agent so requests in writing, any such Indebtedness and/or other obligations from time to time owing from any other Credit Party or any Subsidiary to a Credit Party shall be enforced, and performance received, by such Credit Party as trustee for the Benefitted Parties, and further, in any such event, the proceeds of any such Indebtedness shall be paid over to the Administrative Agent for the benefit of the Benefitted Parties. Without limitation of the foregoing, so long as no Event of Default has occurred and is continuing, the Credit Parties may make and receive payments in accordance with the terms of this Agreement in respect of intercompany Indebtedness permitted to be incurred and outstanding under this Agreement; provided, that, in the event that any Credit Party receives any payment from any other Credit Party or any Subsidiary in respect of any such Indebtedness at a time when an Event of Default has occurred and is continuing or such payment is otherwise prohibited to be made or received under this Section 11.25, then such payment shall be held by such Credit Party in trust for the benefit of, and shall be paid forthwith over and delivered upon written request to, the Administrative Agent, for the benefit of the Benefitted Parties.

Section 11.26 Non-Business Day Performance. Subject to Section 2.13(f) with respect to any payment required to be made by any Credit Party or any Subsidiary under this Agreement or any other Credit Document, if any covenant, duty, obligation or other agreement of any Credit Party or any Subsidiary under this Agreement or any other Credit Document is required, pursuant to the terms hereof or thereof (but for this Section 11.26), to be performed on, or by *no later than*, a date that is *not* a Business Day, then such covenant, duty, obligation or other agreement shall instead be required to be performed by such Credit Party or Subsidiary on, or by *no later than*, the date that is the next succeeding Business Day after such non-Business Day.
